My Father's Family George T. Wright,2013 When my sister and brother and I were growing up on Staten Island Dad told us  
very little about his Vermont boyhood and nothing at all about his father We respected his silence We figured he had good  
reason for it But long after Dad s death my sister and I started to look more closely at our family history Soon we were  
connected to a world of New England striving and struggle that we came to see as part of our own Vermont heritage So this  
is the story of Dad and his mother and brother and his unreliable father and his father s five sisters whom we d known  
nothing about before we began our research It pays tribute to an everyday heroine Dad s mother who took her sons to Staten  
Island to begin a new life when her marriage failed It also traces earlier Wrights and forebears with other surnames like  
Little Bailey Hadley Hathaway Shattuck Blanchard and Burt in towns all over Vermont and New Hampshire and  
Massachusetts some of them with their own compelling stories farmers soldiers railroad men miners housewives and keepers
