**Bibliography Library Economy, 1876-1920**, 1927 **Bibliography of Library Economy** Harry George Turner Cannons, 1927 *The Family in English Children's Literature* Ann Alston, 2008-06-03 From the trials of families experiencing divorce as in Anne Fine s *Madame Doubtfire* to the childcare problems highlighted in Jacqueline Wilson s *Tracy Beaker* it might seem that the traditional family and the ideals that accompany it have long vanished However in *The Family in English Children s Literature* Ann Alston argues that this is far from the case She suggests that despite the tales of family woe portrayed in children s literature the desire for the happy contented nuclear family remains inherent within the ideological subtexts of children s literature Using 1818 as a starting point Alston investigates families in children s literature at their most intimate focusing on how they share their spaces their ideals of home and even on what they eat for dinner What emerges from Alston s study are not so much the contrasts that exist between periods but rather the startling similarities of the ideology of family intrinsic to children s literature *The Family in English Children s Literature* sheds light on who maintains control who behaves and how significant children s literature is in shaping our ideas about what makes a family good
