Texas music Some have become international superstars while others are just starting to make their voices heard But every woman who goes out and plays her music proves that baring one s heart and soul takes courage and Texas women artists have a lot of courage as Lloyd Maines observes in the opening interview of this book To pay tribute to these dedicated musicians and to capture their unique perspectives on what it means to be a woman in the music business Kathleen Hudson has spent many years interviewing Texas women musicians for the Texas Heritage Music Foundation In Women in Texas Music Hudson lets us listen in on conversations with thirty nine musical artists including Emily Robison Terri Hendrix Lee Ann Womack Rosie Flores Betty Buckley Marcia Ball Lavelle White and Bobbie Nelson Hudson encourages and allows the women to tell their own stories as she delves into their life journeys creative processes and the importance of writing and performing music be it blues rock country folk jazz or pop The interviews are warm and open like good friends sharing the lessons that a life of playing music has taught them What emerges from this collection is a solid sense of the strength and integrity that women bring to and gain from Texas music Everyone who cares about music and culture in Texas will want to join the conversation

Confronting Creation Jacob Neusner,2004-06-15 By setting forth the book of Genesis as it is re presented in the rabbinic statement Genesis Rabbah Neusner demonstrates the way in which Judaism confronted creation and the Genesis story In Confronting Creation the author presents a new analytical translation of Genesis Rabbah a document that came to closure around 400 C E What made that particular time crucial in the life of Israel and the Jewish people is an event that also helped shape the entire history of Western civilization the rise of Christianity to the status of the official religion of the Roman Empire The Judaic sages rereading of the Torah s accounts of the beginning of the world and of Israel took place during a time of significant change in Western civilization That fact explains the importance of this reading of Genesis to Western civilization because Genesis Rabbah illuminates the Judaic tradition in contemplating God s creation of the world
