Rain Player:

Rain Player ,1995-09 To bring rain to his thirsty village Pik challenges the rain god to a game of pok a tok *Rain Player* David Wisniewski,1991-01 *The Play Versus Story Divide in Game Studies* Matthew Wilhelm Kapell,2015-11-16 Since the emergence of digital game studies a number of debates have engaged scholars The debate between ludic play and narrative story paradigms remains the one that famously never happened This collection of new essays critically frames that debate and urges game scholars to consider it central to the field The essayists examine various digital games assessing the applicability of play versus narrative approaches or considering the failure of each The essays reflect the broader history while applying notions of play and story to recent games in an attempt to propel serious analysis **After The Rain: The Roleplaying Game** Kyle Ott,2022-08-31 What do you want most What would you lose to get it Those are the questions you will have to answer while playing After the Rain a one shot roleplaying game for 3 6 players After the Rain casts you and your friends as desperate individuals bound together in pursuit of a shared goal Standing in your way is The Rain The longer you are exposed to The Rain the more you will lose your memories experiences and the things that make you who you are As the game progresses you ll be forced to change Will you crumble without your past experiences or adapt to the loss of your memories and embrace the new person you must become With only four six sided dice per player pencils and your wits will you be left standing After the Rain After The Rain is played over 3 Acts each with a different twist that encourages character growth into what The Rain is leaving behind To play you and your friends will need to create a setting that varies as wildly as your imagination ranging from a medieval village during the black plague to an office building where people audit the gods Next you must establish the goal This is what drives your characters and brings them together It s the thing they want the most and could be anything from getting a briefcase full of money to taking out a powerful rival Then you ll need to make your Facets These are the three defining traits of your character This could be as simple as a desire for revenge or as deep as trying to save someone you once loved Finally you ll decide on a past connection with another player at the table to help eliminate any We meet in a Tavern situations and to help get you started right in the midst of The Rain Be careful As the game continues and the players are exposed to The Rain these Facets will start to wash away and they will lose their memories and experiences as the game goes on *Hot Links* Cora M. Wright,1998-10-15 When looking for exciting quality literature to use in the middle school classroom reach for this book It identifies and describes 300 contemporary and classic books that relate to middle school science history ancient cultures and U S physical education English language classic literature grammar and usage mathematics and fine arts The book also has useful sections on biographies multicultural selections poetry read alouds recent releases high interest low reading level material myths and legends and unique reads Wright lists curriculum links for each book and a reference chart lists all titles with their pertinent categories Celebrating Cuentos Jamie Campbell Naidoo,2010-11-18 More effectively meet the diverse literacy needs of the growing Latino

population by learning how to evaluate and select quality Latino children's literature. Latinos are the fastest growing and largest ethnic minority in the United States. The number of Latino children is at a historic high. As a result, librarians and teachers in the United States must know how to meet the informational, cultural, and traditional literacy needs of this student demographic group. An ideal way to overcome this challenge is by providing culturally accurate and authentic children's literature that represents the diversity of the Latino cultures. Much more than simply a topical bibliography, this book details both historical and current practices in educating Latino children, explains why having quality Latino children's literature in classrooms and libraries is necessary for the ethnic identity development of Latino children, and offers a historical overview of Latino children's literature in America. Web resources of interest to educators working with Latino children are also included.

The Big Book of Children's Reading Lists Nancy J. Keane, 2006-04-30 Use these 100 handy reproducible book lists to instantly create handouts for teachers and parents as well as for older readers to add to your newsletter or to post on your Web site or bulletin board. Based on the most common needs of educators and librarians who work with young readers, these lists focus on new titles as well as classics that are still in print and readily available for purchase. Fiction and nonfiction titles for ages 5-14 are covered. Bibliographic information and a brief description are given for each title. A dozen bookmarks are also included. This is a great time-saving tool and a good source for finding extended reading lists and read-alikes. Looking for folktales from China for elementary children? An informational children's book for a middle school science class? A list of books on the topic of compassion? A sampling of ABC books? These lists and more can be found in Nancy Keane's treasury of great reading lists for children. This versatile guide provides reproducible book lists based on the most common needs of educators and librarians who work with young readers. There are lists for standard curriculum areas (e.g., math, social studies, science) and other areas of study such as character education and values; genres (e.g., pop-up, memoirs, ABC books); themes (e.g., animals, food, sports); and read-alikes on bookmarks. You'll find 100 reproducible lists of fiction and nonfiction books for ages 5-14, elementary, middle, and high school that you can use to create handouts for teachers and parents as well as for older readers to put in your newsletter or post on your Web site or bulletin board. Focus is on new titles and classics that are still in print and readily available for purchase. On each list, titles are grouped according to grade level. Room to customize with your library logo or clipart is provided on each reproducible sheet. Bibliographic information and a brief description are given for each title. A dozen bookmarks are also included. This is a great time-saving tool and a good source for finding extended reading lists and read-alikes. Grades K-8.
