

A vibrant, multi-colored rainbow bridge structure is centered on a black background. The bridge has a wide, flat top and tapers down to a narrow neck. Below the neck, the bridge splits into two parallel paths that curve downwards and outwards, resembling a double helix or a pair of wings. The colors transition from yellow at the top, through orange, red, and purple, to blue and green at the bottom. The entire structure has a soft, glowing appearance.

Baker, 2014-03-02 The Opening of the Third Eye The human brain is a priceless computer lying perfectly maintained but almost silent None of us uses the full potential of this amazing instrument yet we all possess a secret trigger for activating its mechanism Called the Third Eye in occult language this trigger can release a vortex of psychic energy for the extension of awareness in new dimensions for speeding up or slowing down time as experienced on our planet and achieving one hundred per cent personality integration Dr Baker reveals that the Third Eye derives its power from the pineal pituitary and carotid glands allied to whirlwinds of energy known as chakras or force centres There are seven of these centres in the human body their physical location being the base of the spine the solar plexus the spleen the heart the throat the brow and the top of the head Five safe techniques for arousing the Third Eye are provided They have been practised by the author without hazard and with many rewards for over forty years In our present condition we can only observe the outer surface of the planet manifesting in gaseous liquid and solid form We are completely unaware of the subtler states of matter beneath these outward appearances But the Third Eye reveals all underlying structures This means that one could observe the termites in apparently solid wooden paneling or more constructively man's inner organs could be observed and all traces of disease in them immediately recognised with consequent enormous benefits to medical progress **Downloading Spirit** Janet Baljeu, 2012-06-07 DOWNLOADING SPIRIT presents a revolutionary new approach to the understanding of human consciousness Incorporating a cross cultural approach to matters of mythology and symbolism this volume presents a step by step approach to the metaphysical understanding of spiritual growth for our confusing times **A Pathway To Union** Ariana Khent, 2010-03 A Pathway to Union challenges a five thousand year old masculine dominant belief system which fosters division separation and death and offers an in depth look at a new balanced feminine and masculine perspective that promotes wholeness interconnectedness and respect for life Learn how you can facilitate this evolutionary transition by observing tapping into and trusting the data streaming from your feelings heart feminine thoughts mind masculine and the
