Winds and Wonders Trevor Stubbs, 2016-11-10 Winds and Wonders is the third book in the White Gates Adventures series Teenage Abby runs into trouble when she comes up against authoritarian forces in school as well as in the churches she attends Impatient Kakko still manages to save her millions of people but goes through the worst pain she could imagine on the way Shy Shaun makes a great impact on the football field but how will it turn out in the game of life off the pitch And parents Jack and Jalli and even Nan Matilda manage some excitement Returning from her

own adventure Matilda declared Kakko not all adventures involve exploding arms factories broken limbs getting yourself on TV and the like I ll leave the daring deeds to you Being there for someone in need is very important just listening may be all that is required But believe me listening can be very tiring If you say so Nan said Kakko unconvinced The White Gates Adventures series combines science fiction and fantasy with an appreciation for the beauty of creation from the insect Jalli is an entomologist through the sweep of the rainbow to the magnificence of a star studded sky The characters come to recognise and understand the loving presence of a Creator and Healer at every juncture as the past present and future interlace to talk of love and a hope that is beyond the dimensions of space time Being young at heart but also having had decades of experience as a minister sucked into some of the most demanding and horrific things in life I try and bring some faith experience into my White Gates Adventures My young characters have fun but they re not immune to the pain and frustrations of teenage life They go through the mill physically mentally emotionally and spiritually but they emerge with the hope of knowing that whatever happens no matter how much it hurts they are loved by the One who made and treasures them says author Trevor
