Rainbow At Dusk Hardcover:

Rainbow at Dusk Emilie Baker Loring, 1944 Rainbow After Dusk: Lim Tze Peng Remembers Tai Ho

Woon, 2023-06-05 Dusk is that brief period of the day before nightfall But when a rainbow appears after dusk it is special almost a divine apparition The phenomenon though rare is not science fiction Rainbows do appear after dusk This unusual story is a celebration of mind over matter life over death and love over fear Rainbow after Dusk builds on Soul of Ink to continue telling the Lim Tze Peng story shifting the focus to the artist s most important works starting with his Kampong series to Chinatown and then his all important Singapore River works Told with brushes and paints the colours used in the narrative give his story a unique visual power In many ways his works act as a record of the life and time of a Singapore that no longer exists Through honest and sometimes heart wrenching interviews the artist tells his own life story through his artwork But the centenarian is not one to just reminisce This book also looks at how this artist forces himself into the present and now When his mobility is compromised when he can no longer paint on location his active and creative mind takes over The subjects stay the same but the approach to these subjects is entirely conceptual and imaginary No longer a prisoner to what lies before him he allows his mind to remember and see in vivid colours More important he releases the mind to his heart He wants his audience to feel what he paints not just see what is before them **Thomas Pynchon in Context** Inger

H. Dalsgaard, 2019-06-20 Thomas Pynchon in Context guides students scholars and other readers through the global scope and prolific imagination of Pynchon s challenging canonical work providing the most up to date and authoritative scholarly analyses of his writing This book is divided into three parts The first Times and Places sets out the history and geographical contexts both for the setting of Pynchon s novels and his own life The second Culture Politics and Society examines twenty important and recurring themes which most clearly define Pynchon s writing ranging from ideas in philosophy and the sciences to humor and pop culture The final part Approaches and Readings outlines and assesses ways to read and understand Pynchon Consisting of Forty four essays written by some of the world s leading scholars this volume outlines the most important contexts for understanding Pynchon s writing and helps readers interpret and reference his literary work

Symphony of Salvation (Hardcover) Eugene H. Peterson, 2021-10 Rendered beautifully in full color this devotional journey through all the books of the Bible will set every day on the right course You ll grow in your knowledge and appreciation of the Scriptures with a fuller sense of God s story and what wonderful plans he has for you Beloved pastor poet and author Eugene H Peterson is your guide through the books of the Bible You ll lean in as he points out the sights and sounds the personalities and controversies of an ancient world that God so loved And you ll lean back as you reflect with Eugene on how these ancient stories these old timeless insights into the world and this compelling portrait of God speak directly to your everyday life
