My Judy Garland Life Susie Boyt,2009-07-01 Judy Garland has been an important figure in Susie Boyt's life since she was three years old comforting inspiring and at times disturbing her In this unique book Boyt travels deep into the underworld of hero worship examining our understanding of rescue consolation love grief and fame through the prism of Judy Her journey takes in a duetting breakfast with Mickey Rooney a munchkin luncheon a late night spree at the Minnesota Judy Garland Museum and a breathless semi sacred encounter with Liza Minnelli Layering key episodes from Garland's life with defining moments from her own Boyt demands with insight and humor what it means exactly to adore someone you don't know Does hero worship have to be a pursuit that's low in status or can it be performed with pride and style Are there similarities that lie at the heart of all fans Chronicling her obsession Boyt illuminates her own life and perfectly distills why Judy Garland is such a legend

Judy & I: My Life with Judy Garland Sid Luft,2018-04-19 Sid One Punch Luft amateur boxer producer and Judy Garland's third husband was the one man in her life who stuck around helping her achieve a meteoric comeback in the 1960s It was Luft who reversed the fortunes of an apparently faded career seeing her triumph at Carnegie Hall in *A Star Is Born* and *The Judy Garland Show* Previously unpublished Sid Luft's intimate autobiography tells their story in hard boiled yet elegant prose It begins on a fateful night in New York City when the not quite divorced Judy and the not quite divorced Sid meet at Billy Reed's Little Club A straight talking sharp shooter Sid fell for Judy hard and fast and the romance persisted through separations reconciliations and later divorce However her drug dependencies and suicidal tendencies put a tremendous strain on the relationship Sid did not complete his memoir it ended in 1960 after Judy hired David Begelman and Freddie Fields to manage her career But Randy L Schmidt acclaimed editor of *Judy Garland on Judy Garland* seamlessly pieced together the final section of the book from extensive interviews with Sid most previously unpublished Despite everything Sid never stopped loving Judy and never forgave himself for not being able to save her from the demons that ultimately drove her to an early death at age forty seven in 1969 Sid served as chief conservator of the Garland legacy until his death at the age of eighty nine in 2005 This is his testament to the love of his life In prose so brassy that it bruises the sensibilities Luft illuminates the dark side of life in the spotlight and dispels any sentimental illusions about the glories of show business in Hollywood's classic age *The New Yorker*

emotion and love Judy Garland said of her plans to tell her life story but she died at the age of forty seven before seeing it through Judy Garland on Judy Garland is the closest we will likely come to experiencing and exploring the legend s abandoned autobiography Collecting and presenting the most important Garland interviews and encounters that took place between the years 1935 and 1969 this work opens with her first radio appearance under contract with Metro Goldwyn Mayer and concludes with her last known interview one taped for Radio Denmark just months before her death What makes this collection unique and distinguishes it from the plethora of Garland biographies is that it places Judy in the role of storyteller She wrote a number of essays for various publications and sat for countless print radio and television interviews These and other autobiographical efforts she made are proof that Judy Garland wanted her story told and wanted it told in her own words Finally forty five years after her death here it is Randy L Schmidt is the author of the acclaimed bestselling biography Little Girl Blue The Life of Karen Carpenter and the editor of Yesterday Once More The Carpenters Reader He has also written articles for the Advocate and the Observer He teaches music in Denton Texas [A Star Is Born](#) Lorna Luft,Jeffrey Vance,2025-04-08 New York Times bestselling author and daughter of Judy Garland tells the story of A Star Is Born at once the crowning achievement and greatest disappointment in her mother s legendary career This is a vivid account of a film classic s production loss and reclamation A Star Is Born the classic Hollywood tale about a young talent rising to superstardom and the downfall of her mentor lover along the way has never gone out of style It has seen five film adaptations but none compares to the 1954 version starring Judy Garland in her greatest role But while it was the crowning performance of the legendary entertainer s career the production turned into one of the most talked about in movie history The story which depicts the dark side of fame addiction loss and suicide paralleled Garland s own tumultuous life in many ways While hitting alarmingly close to home for the fragile star it ultimately led to a superlative performance one that was nominated for an Academy Award but lost in one of the biggest upsets in Oscar history Running far too long for the studio s tastes Warner Bros notoriously slashed extensive amounts of footage from the finished print leaving A Star is Born in tatters and breaking the heart of both the film s star and director George Cukor Today with a director s cut reconstructed from previously lost scenes and audio the 1954 A Star is Born has taken its deserved place among the most critically acclaimed movies of all time and continues to inspire each new generation that discovers it Now Lorna Luft daughter of Judy Garland and the film s producer Sid Luft tells the story of the production and of her mother s fight to save her career as only she could Teaming with film historian Jeffrey Vance A Star Is Born is a vivid and refreshingly candid account of the crafting loss and restoration of a movie classic complemented by a trove of images from the family collection taken both on and off the set The book also includes essays on the other screen adaptations of A Star Is Born to round out a complete history of a story that has remained a Hollywood favorite for close to a century **Get Happy** Gerald Clarke,2009-11-11 She lived at full throttle on stage screen and in real life with highs that made history and lows that finally brought down the curtain at age forty seven Judy Garland

died over thirty years ago but no biography has so completely captured her spirit and demons until now From her tumultuous early years as a child performer to her tragic last days Gerald Clarke reveals the authentic Judy in a biography rich in new detail and unprecedented revelations Based on hundreds of interviews and drawing on her own unfinished and unpublished autobiography Get Happy presents the real Judy Garland in all her flawed glory With the same skill style and storytelling flair that made his bestselling Capote a landmark literary biography Gerald Clarke sorts through the secrets and the scandals the legends and the lies to create a portrait of Judy Garland as candid as it is compassionate Here are her early years during which her parents sowed the seeds of heartbreak and self destruction that would plague her for decades the golden age of Hollywood brought into sharp focus with cinematic urgency from the hidden private lives of the movie world s biggest stars to the cold eyed businessmen who controlled the machine and a parade of brilliant and gifted men lovers and artists impresarios and crooks who helped her reach so many creative pinnacles yet left her hopeless and alone after each seemingly inevitable fall Here then is Judy Garland in all her magic and despair the woman the star the legend in a riveting saga of tragedy resurrection and genius

Television Variety Shows David M. Inman,2014-12-03 For the few hundred television viewers in 1946 a special treat on the broadcast schedule was the variety show called Hour Glass It was the first TV program to go beyond talking heads cooking demonstrations and sporting events featuring instead dancers comics singers and long commercials for its sponsor Chase and Sanborn coffee Within two years another variety show Texaco Star Theatre became the first true television hit and would be credited with the sales of thousands of television sets The variety show formula was a staple of television in its first 30 years in part because it lent itself to a medium where everything had to be live and preferably inside a studio Most of the early television stars including Jackie Gleason Milton Berle Sid Caesar Ed Sullivan Red Skelton Dinah Shore and Arthur Godfrey rose to prominence through weekly variety shows In the 1960s major stars such as Jerry Lewis Dean Martin Judy Garland and Danny Kaye were hosting variety shows By the 1970s the format was giving way to sitcoms and dramas but pop music stars Sonny and Cher Tony Orlando and Dawn and Donny and Marie Osmond hosted some of the last of the species This book details 57 variety shows from the 1940s through the 1990s A history of each show is first provided followed by a brief look at each episode Air date guest stars sketches performed and a listing of songs featured are included

Rainbows End The Judy Garland Show Introduction

In today's digital age, the availability of Rainbows End The Judy Garland Show books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Rainbows End The Judy Garland Show books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Rainbows End The Judy Garland Show books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Rainbows End The Judy Garland Show versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Rainbows End The Judy Garland Show books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Rainbows End The Judy Garland Show books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Rainbows End The Judy Garland Show books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural

artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Rainbows End The Judy Garland Show books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Rainbows End The Judy Garland Show books and manuals for download and embark on your journey of knowledge?
