Raincoast Chronicles Fourth Five:

Raincoast Chronicles, Fourth Five Howard White, 2005 When the first edition of Raincoast Chronicles was produced by a couple of novice publishers in the unlikely location of Pender Harbour in 1972 it boldly announced that it was going to put BC character on the record Printed in sepia ink and decorated with the rococo flourishes characteristic of that extravagant era the unclassifiable journal cum serial book about life on the BC coast struck a nerve and in time became something very close to what it set out to be a touchstone of BC identity Soon the term Raincoast which had been coined by the editors was appearing on boats puppet theatres interior decorating firms and at least one other publishing enterprise The publication proved popular enough that by the time the fifth number was on the stands the previous four were sold out and publishers Howard and Mary White were left pondering how to deal with the continuing clamour for back issues Ignoring the advice of more experienced heads they decided to reissue the first five numbers of their rather eccentric paperback series in one bound volume in hardcover yet They gave it the enigmatic title Raincoast Chronicles First Five It went on to become one of the most popular books ever published in BC and is still rumbling along in its 14th printing a certified BC classic That set the pattern and every succeeding group of five single editions have been gathered and bound with the titles Raincoast Chronicles Six Ten Raincoast Chronicles Eleven Up and now Raincoast Chronicles Fourth Five By far the largest of the collections at 420 pages Fourth Five collects the complete Raincoast Chronicles 16 17 18 19 and 20 and is living proof that some things just keep getting better Containing 32 inimitable stories from poems and articles the volume expounds on such diverse matters as supernatural deer the cannery village of Ceepeecee fishing fleet superstitions and the coveted recipe for donkey boiler coffee Writers include coast favourites Howard White Doreen Armitage Tom Henry Dick Hammond Vickie Jensen and Bus Griffiths As a bonus this collection includes two longer features one on the history of Telegraph Cove BC by Pat Wastell Norris and one on the frontier women of BC by Stephen Hume The book is illustrated in characteristically extravagant fashion with drawings and archival photos

Raincoast Chronicles 23 Peter A. Robson, 2015-04-25 When the first edition of Raincoast Chronicles was produced by a couple of novice publishers in the unlikely location of Pender Harbour in 1972 it boldly announced that it was going to put BC character on the record Printed in sepia ink and decorated with the rococo flourishes characteristic of that extravagant era the unclassifiable journal cum serial book about life on the BC coast struck a nerve and in time became something very close to what it set out to be a touchstone of British Columbia identity Soon the term Raincoast which had been coined by the editors was appearing on boats puppet theatres interior decorating firms and at least one other publishing enterprise Raincoast Chronicles also created another publishing enterprise Harbour Publishing Many of the stories that started out as articles in the Chronicles grew into books and so the White family was more or less forced to get into book publishing to deal with them That undertaking went on to publish some six hundred books and counting about every possible aspect of BC and in 2014 celebrated its fortieth anniversary in the biz To honour that occasion

F. Boshier, 2010-04 During the century 1850-1950 Vancouver Island attracted Imperial officers and other Imperials from India the British Isles and elsewhere in the Empire Victoria was the main British port on the north west Pacific Coast for forty years before the city of Vancouver was founded in 1886 to be the coastal terminus of the Canadian Pacific Railway These two coastal cities were historically and geographically different The Island joined Canada in 1871 and thirty five years later the Royal Navy withdrew from Esquimalt but Island communities did not lose their Imperial character until the 1950s P 4 of cover **Raincoast Chronicles** H. White, 1976 **The Writers Directory**, 2013 [Ocean of Destiny](#) Arthur Lower, 2011-11-01 The modern history of the North Pacific began five hundred years ago when Europeans sailed into the ocean for the first time This discovery shaped the destinies of seven countries that now rim its Asiatic and North American shores Russia China Japan North Korea South Korea the United States and Canada Their history is an exciting epic of discovery the great expeditions of Marco Polo Drake and Magellan the quest for the spices of Cathay the early days of the fur trade the gold rush and the long treks westward across North America to first establish Canadian and American possessions on the Pacific shore Rivalry and confrontation were part of this epic From the sixteenth to the nineteenth century European powers contested for the riches of the East and the West the wealth of the ocean and territory to sate colonial ambitions Since that time full blooded conflicts developed between Asian states and between Asia and the Western powers As a major trading power in the Pacific with no tradition of territorial expansion and as a respected peacekeeper Canada is in a unique position to view the history of the Pacific impartially This survey is doubly valuable not only as the first history of the North Pacific dealing with the concurrent events in the East and West but also as a history reflecting Canada's international outlook **Writing in the Rain** Howard White, 1990 Winner of the 1991 Stephen Leacock Award for Humour **America, History and Life**, 2006 Article abstracts and citations of reviews and dissertations

Webb, 2011-11-01 On the Northwest is the first complete history of commercial whaling in the Pacific Northwest from its
shadowy origins in the late 1700s to its demise in western Canada in 1967 Whaling in the eastern North Pacific represented
a century and a half of exploration and exploitation which involved the entrepreneurs merchants politicians and seamen of a
dozen nations The results of the whaling effort mirrored the outcome of whaling throughout the world By exploiting the large
whales without considering their finite numbers or reproductive capacity the industry drove its prey to commercial extinction
It was the seamen themselves however who gave substance to the business of whaling On the Northwest focuses on the
working lives of these men the shellbacks before the mast the colourful harpoon gunners who chased the whales from spray
soaked gun platforms and shore station workers who preserved the international flavour of the Pacific Northwest whaling
