Readings In Psychological Development Through Life:

Readings in Psychological Development Through Life Don C. Charles, 1972 **Psychology Library Editions: History of Psychology** Various, 2021-08-19 Originally published between 1928 and 1987 the volumes in this set provide an interesting look back at how psychology has developed as a discipline and some of the problems it has encountered along the way It includes volumes focusing on the history of specific fields such as developmental and experimental psychology as well as examining the roots of psychological theory as a whole and how it has informed many of the fields of psychology we know today *Developmental Psychology* Richard M. Lerner, 2019-11-28 Originally published in 1983 the purpose of this book was to discuss the relations between philosophy and developmental psychology as those relations existed over the course of the history of the discipline and as they existed at that time Although not all portions of developmental psychology are surveyed major proponents of several key areas are represented e g organismic developmental theory stage theory life span developmental psychology and the ecological approach to development In addition discussion of many currently prominent issues are included e g constancy and change in human development the use of multivariate models and methods the role of the context in individual development and the use of developmental theory in public policy and political arenas The diversity of approaches and of interests present in the book are representative of the breadth of theoretical and empirical interests found in developmental psychology at the time *Clinical Applications of Rational-Emotive Therapy* Michael E. Bernard, A. Ellis, 2013-11-11 Since its launching in 1955 rational emotive therapy RET has become one of the most influential forms of counseling and psychotherapy used by literally thousands of mental health practitioners throughout the world From its beginnings RET has dealt with problems of human disturbance It presents a theory of how people primarily disturb themselves and what they can do particularly with the help of a therapist or counselor to reduce their disturbances Ellis 1957a b 1958a b 1962 Almost immediately after the creation of RET it became obvious that the methodology could be used in many other fields especially those involving human relations Ellis Ellis optimistic because it provides people with the possibility and the means for change Showing to people how their attitudes and beliefs are responsible for their emotional distress and interpersonal problems and not some out of conscious early childhood experience awakens in them the hope that in reality they have some control over their destiny **Human Development** D. A. Louw, 1998 Current Catalog National Library of Medicine (U.S.), 1979 First multi year cumulation covers six years 1965 70 **Social Cognition and Aging** Thomas M. Hess, Fredda Blanchard-Fields, 1999-06-18 Most of the research done in social cognition has been conducted with younger adults and may not be applicable to a much older population Social Cognition and Aging provides a snapshot view of research that has been done with older adults or is directly applicable to this population Focusing on issues of self identity social interactions and social perceptions this book provides a broad overview of how aging affects one's own perceptions and actions as well as how others perceive and interact with the aged Coverage includes such topics as self

control memory resilience age stereotypes moral development and the art of living With contributions from top researchers in both gerontology and psychology this book is an important reference for academics and professionals alike in personality cognition social psychology adult development sociology and gerontology

Medical Research in the Veterans Administration, 1974 *Catalog of Copyright Entries. Third Series* Library of Congress. Copyright Office, 1975 *Medical Research in the Veteran's Administration* United States. Veterans Administration, 1976

Medical Research in the Veterans' Administration United States. Veterans Administration, 1971

Readings in Family Theory Thomas R. Chibucos, Randall W. Leite, David L. Weis, 2005 *Readings in Family Theory* is an anthology of classic and contemporary articles that provides a context for student learning by demonstrating how theory fits into the overall process of scientific research on families The book provokes student interest in theory by providing examples of the scholarly application of family theory to compare how people use similar processes in everyday life Using this contextual orientation the selected readings examine nine prevalent theoretical perspectives from both family and human development sciences

National Library of Medicine Current Catalog National Library of Medicine (U.S.), 1971 First multi year cumulation covers six years 1965 70

Adult Development Susan Krauss Whitbourne, Comilda S. Weinstock, 1979

Human Development Grace J. Craig, Don Baucum, 1999 Designed for students from a wide range of backgrounds this text takes a chronological and interdisciplinary approach to human development With its focus on context and culture the 8 E illustrates that the status of human development is inextricably embedded in a study of complex and changing cultures

The Psychology of Executive Coaching Bruce Peltier, 2011-04-27 With the first edition of this text Peltier drew on his extensive experience in both the clinical and business worlds to create a comprehensive resource that brought psychological and coaching concepts together It quickly became a practical and invaluable guide for both mental health practitioners looking to expand their practice into coaching and business professionals interested in improving their own coaching skills In this updated edition topics reflect the latest developments in the field of executive coaching Peltier describes several important psychological theories and how to effectively translate them into coaching strategies essential business lessons in leadership marketing and the corporate viewpoint along with vocabulary for the therapist the challenges women face as managers and executives and effective coaching methods for working with them and lessons from successful athletic coaches that can be integrated into consulting skills This edition includes four new chapters one describing psychopathology likely to be encountered by coaches Another describes and evaluates emotional intelligence a third summarizes adult developmental theory for coaches and a fourth sorts out the popular and scientific literature on leadership and leader development

Bulletin, 1913 **The SAGE Encyclopedia of Criminal Psychology** Robert D. Morgan, 2019-04-25 The SAGE Encyclopedia of Criminal Psychology will be a modern interdisciplinary resource aimed at students and professionals interested in the intersection of psychology e g social forensic clinical criminal justice sociology and criminology The interdisciplinary study of human behavior in legal

contexts includes numerous topics on criminal behavior criminal justice policies and legal process crime detection and prevention eyewitness identification prison life offender assessment and rehabilitation risk assessment and management offender mental health community reintegration and juvenile offending The study of these topics has been increasing continually since the late 1800s with people trained in many legal professions such as policing social work law academia mental health and corrections This will be a comprehensive work that will provide the most current empirical information on those topics of greatest concern to students who desire to work in these fields This encyclopedia is a unique reference work that looks at criminal behavior primarily through a scientific lens With over 500 entries the book brings together top empirically driven researchers and clinicians across multiple fields psychology criminology social work and sociology to explore the field

Forensic Psychology Joanna Adler, Jacqueline Gray, 2010-10-06 This book brings together academics practitioners and experts in the field of forensic psychology to demonstrate the scope of the discipline and push its parameters Its aim is to go beyond introductory texts to challenge perceptions to raise questions for research and to pose problems for practice The editors hope to inspire and stimulate debate about how forensic psychology can aid the practice of justice The book is divided into six sections addressing key topics from the discipline investigation and prosecution testimony and evidence serious and persistent offending treatment as intervention intervention and prevention and punishment and corrections The contributors are drawn from the UK the USA and Australia This updated revised and significantly expanded edition develops the picture of diversity and depth of forensic psychology considers ways in which the discipline has progressed and identifies challenges for its future sustainability and growth includes a new section on treatment as intervention with contributions on personality disordered offenders anger control group work with forensic psychiatric inpatients and developments in treatment for drug misuse offenders additional chapters throughout including contributions on UK police interviews the investigation and prosecution of rape the effect of gender in the courtroom forensic psychology and terrorism the aetiology of genocide self harm in prisons post corrections reintegration and many more an innovative textbook on forensic psychology exploring application of the subject and setting forensic psychology in a broader context demonstrates ways in which forensic psychology can aid the practice of criminal justice This book will be essential reading for students of forensic psychology and practitioners working in the field
