The Night Never Sleeps Brian M. Spradlin,2010-07 The Night

Never Sleeps is a dark and intense collection of poetry bringing together author Brian M Spradlin's favorite poems from his past with a voluminous amount of recent work. Filled with despair and soul searching both for the elements that have passed him by and for the desire to find meaning and relevance, this collection visits recurring themes of solitude, darkness, relationships, and distrust. In the selection 'Lament,' Spradlin writes about the darkness; night shines a deadly smile at me; let the sinners roam and flee it. 's in this world that i relate to things that i've yet to create and so the march goes on and on as i attempt to block the sun because brightness never has been me. let me lament to let things be let be. An avid poet and songwriter for more than twenty years, Spradlin penned the bulk of the poems in the hushed cold of winter. Like the season they were written in, the feelings are sometimes frigid but also thoughtful and provocative. In 'The Night Never Sleeps,' Spradlin shares the demons he has conquered and the ones he has yet to vanquish. *Sharing Secrets with Stalin* Bradley F. Smith, 1996. In this mesmerizing debut, a competition between two magicians becomes a star-crossed love story. The circus arrives at night without warning. No announcements precede it. It is simply there when yesterday it was not. Within nocturnal black and white striped tents awaits a unique experience, a feast for the senses where one can get lost in a maze of clouds, meander through a lush garden made of ice, stand awestruck as a tattooed contortionist folds herself into a small glass box and gaze in wonderment at an illusionist performing impossible feats of magic. Welcome to Le Cirque des Rêves. Beyond the smoke and mirrors, however, a fierce competition is underway, a contest between two young magicians, Celia and Marco, who have been trained since childhood to compete in a game in which each must use their powers of illusion to best the other. Unbeknownst to them, this game is a duel to the death, and the circus is but the stage for a remarkable battle of imagination and will. **The Shadows Whisper: Tales from the Edge of the Night** Pasquale De Marco, 2025-07-27.
