Secular Saints 250 Canonized And Beatified Lay Men Women And Children:

Secular Saints Joan Carroll Cruz, 1999-12 A monumental Lives of the Saints people who lived and died as laymen and laywomen No priests nuns or monks here people who often had to overcome incredible difficulties to achieve holiness or who had committed outrageous sins prior to their conversions Fully indexed by topic Purposely written to inspire and encourage lay people today Unique in Catholic literature 800 pgs 192 Illus PB **The Stigmata: Those Who Bore the Wounds of Christ** Deacon Albert E. Graham, 2023-08-10 Whether you are an atheist an agnostic or a true believer and disciple of Jesus Christ you will be mystified at what you learn from *The Stigmata* The Stigmata examines such other worldly phenomena one could liken it to a spiritual X files episode Christ's death and resurrection was not the end but the beginning for us all Jesus agonizing suffering sacrifice and surrender of his own life opened the gates of heaven to all those willing to follow Him The stigmatics serve as an earthly human reminder of the Divine Jesus obedient holy and sacrificial offering to us The Stigmata is a compilation of some 657 individuals from the 13th to the 21st centuries who have incomprehensibly borne the wounds suffered by Christ The Stigmata discusses many of the stigmatics in biographical detail Some stigmatics are recognized saints such as St Padre Pio and St Therese Neumann Sainted or not all stigmatics suffer in some way like Christ bearing evidence of nail piercings to the hands and feet the crown of thorns and sword laceration near the heart Have there been fraudulent stigmatics Yes and The Stigmata discusses the fakes separating them like wheat from chaff Aside from the painful and bloody wounds these individuals suffer many stigmatics exhibit other miraculous mysteries from levitation and bi location to reading of souls and other human impossibilities The pain the stigmatics have endured is real the phenomena they've experienced is mystical and their complete impact on the world is known only to God *Modern Saints* Ann Ball, 1991-12 45 saints beati and other holy people of the past 200 years and their pictures most are actual photographs Includes the Cure of Ars St Catherine Laboure St Therese the Little Flower St Pius X Vens Jacinta and Francisco Marto Dom Columba Marmion St Elizabeth Seton Pauline Jaricot Bl Elizabeth of the Trinity Sr Josefa Menendez St Joseph Cafasso Therese Neumann and many more Shows there are people living today who will one day be canonized Saints **Against the Grain** Doug Grane, 2021-12-29 In a world increasingly hostile to traditional faith Doug Grane delivers an inspiring journey through two millennia of Catholic history through the lives of twenty one remarkable saints who dared to go against the grain Each chapter spotlights a different century and saint illuminating how these extraordinary individuals embodied specific virtues while challenging the prevailing cultures of their times From Saint Martha's friendship in the first century to Saint Carlo Acutis's joyful witness in our digital age Grane masterfully weaves historical context biographical details and spiritual insights to show how these heroes remained steadfast in their faith despite overwhelming opposition Notable figures include Saint Nicholas Owen who built priest hideouts during England's religious persecution Saint Wolfgang whose diligence helped reform tenth century monasticism and Blessed Franz J gerst tter who chose execution rather than serve Hitler's regime More

than mere history *Against the Grain* is a clarion call for readers to embrace heroic virtue in their own lives Grane doesn't shy away from addressing contemporary challenges to religious freedom and moral conviction offering practical guidance for living counter culturally with Catholic integrity The book includes helpful Virtue Challenges that allow readers to cultivate the same heroic qualities demonstrated by these saints Timely meticulously researched and deeply personal this work will inspire Catholics to rediscover their rich heritage and find courage to stand firm in their convictions If you enjoyed *Saints and Sinners The Well Versed Catholic* or *How the Catholic Church Built Western Civilization* you'll love *Against the Grain*

Landscapes of Christianity Frederick A. Stoutland, Sr., 2006 A major shame in contemporary Christianity is the large number of ordinary Christians who are biblically illiterate This robs them of their inheritance as believers and makes their witness to others often weak In response *Landscapes of Christianity* unpacks the history and truths of our Faith logically and powerfully answering virtually every question ordinary churchgoers ask or are too embarrassed to ask for fear of being labeled ignorant of Scripture Already praised by leaders in churches across America this book offers a fascinating glimpse into God's redemptive plan for people discussing intelligently clearly and impartially the debated issues that have separated Christians for centuries Furthermore it addresses from the Bible some of the great issues of this day as they relate to homosexuality among the clergy abortion and the death of other innocents euthanasia and the relevance of Scripture in contemporary society John MacArthur world renowned Bible teacher says I am stunned at the excellence and comprehensiveness I can only pray that the Lord will find many uses for it Others call the book compelling and required reading for anyone who wants to have a fuller grasp of Christianity without denominational bias

Revelation, Mystical Phenomena and Divine Promises Deacon Albert Graham, 2022-10-05 The reader will be appraised of how God has been speaking to His people through public and private revelation for over 2000 years A special chapter in this work deals with some saints and holy people who have had private revelations about or visits from souls in purgatory hell or heaven Another chapter and several of the appendixes are devoted to Marian Apparitions to include those that are approved not approved and those appending a decision by the Church By far one of the greatest strengths of this undertaking is the identification of some 43 categories of concomitant extraordinary phenomena and some of the saints and holy people who have experienced them Color paintings by artists are depicted of some saints experiencing such mystical phenomena Another unique feature of the book is a listing of some 600 individuals from the 13th to the 21st centuries who bore the stigmata By knowing that God is present and alive to His people this book may help bring others to a deeper faith in God
