Security Threatened Surveying Israeli Opinion On Peace And War

Asher Arian

Security Threatened Surveying Israeli Opinion On Peace And War:

Security Threatened Asher Arian, 1995-10-27 Public opinion has played a crucial role in the transitions from war to peace in Israel since the 1967 Six Day War *Security Threatened* is the first major analysis of the interactions among opinion politics and policy in that period based on opinion surveys of thousands of adult Jews conducted between 1962 and 1994 The public divided during those years into militant hardliners and more conciliatory security positions and power either shifted between or was shared by the Likud and Labor parties

Security Threatened Alan Arian, 1995-11-24 *Security Threatened* is the first major analysis of the interactions among opinion politics and policy in Israel since the Six Days war of 1967 *Israel* Efraim Karsh, 2000 The end of the British mandate in Palestine heralded the birth of the new state of Israel It also marked the end of one of the most tumultuous and momentous chapters in Israeli history But the new state born into a hostile environment and struggling with the manifold demands of sovereignty would have to face many post Independence challenges to its existence not least in the form of armed conflict and confrontation with its Arab neighbours This volume examines the conflicts that from the 1948 until the 1967 Six Day War came to define the Israeli struggle for existence

Conflict Resolution and Ontological Security Bahar Rumelili, 2014-12-17 This volume highlights the ways in which the prospect of peace can generate anxieties and consequently set in motion social and political processes that reproduce and reactivate conflicts In analysing this issue the volume builds on the notion of ontological security and its recent applications to international relations theory Although conflicts threaten the physical security of the parties involved they also help settle existential questions about basic parameters of life being and identity and thus over time become sources of ontological security The prospect of peace through the resolution or transformation of conflict threatens to unsettle the stability and consistency of self narratives and their associated routines and habits at the individual group and state levels The contributors argue two key points 1 that ontological insecurity may set in motion political and social processes that reproduce and reactivate conflicts 2 that coping with peace anxieties necessitates the formulation of alternative self narratives at the individual societal and state levels that re situate the Self in relation to Other and to the world at large Consequently the book analyses the ways in which and the conditions under which conflict resolution induces ontological insecurity and the different ways in which ontological insecurity has prevented the successful culmination of peace processes in different conflict contexts including Cyprus Israel Palestine and Northern Ireland This book will be of much interest to students of critical security studies conflict resolution peace and conflict studies social theory and IR in general

The Jewish State Alan Dowty, 2001-06 The one intelligent overview of Israeli politics that addresses the paradox at the heart of Israeli statehood How can Israel be both a Jewish state and a democratic state

Israel / Palestine Alan Dowty, 2012-06-11 In this book Dowty demystifies the conflict by pitting it in broad historical perspective identifying its roots and tracing its evolution up to the current impasse He offers an analytic framework for understanding transformations over time and in doing so punctures the myths of an age old conflict with an

unbridgeable gap between the two sides Back cover **Terrorism and Political Violence** Caroline Kennedy-Pipe, Gordon Clubb, Simon Mabon, 2015-02-10 This book introduces you to the key issues in contemporary studies on Terrorism Its interdisciplinary approach provides a unique intellectual rigour which introduces readers to cutting edge research Bringing together chapters contributed by members of the Terrorism and Political Violence Association network it offers an insight into a variety of traditional and critical perspectives It also equips Undergraduate and Postgraduate students with the study skills needed to succeed in coursework and assignments especially dissertation work Drawing on the expertise of TAPVA members this book Explores contemporary issues such as drone warfare state violence children and political violence cyber terrorism and de radicalisation Features case studies drawn from a range of international examples lists of further reading key concepts and questions for use in seminars and private study Provides you with study skills content designed to help you complete your dissertation This is the perfect textbook to guide you through your studies in terrorism political violence international security and strategic studies The Worst-Kept Secret Avner Cohen, 2010-10-26 Israel has made a unique contribution to the nuclear age it has created with the tacit support of the United States a special bargain with its bomb Israel is the only nuclear armed state that keeps its bomb invisible unacknowledged opaque It will only say that it will not be the first to introduce nuclear weapons to the Middle East The bomb is Israel s collective ineffable the nation s last taboo This bargain has a name in Hebrew it is called amimut or opacity By adhering to the bargain which was born in a secret deal between Richard Nixon and Golda Meir Israel creates a code of nuclear conduct that encompasses both governmental policy and societal behavior The bargain lowers the salience of Israel s nuclear weapons yet it also remains incompatible with the norms and values of liberal democracy It relies on secrecy and opacity It infringes on the public right to know and negates the notion of public accountability and oversight among other offenses Author of the critically acclaimed *Israel and the Bomb* Avner Cohen offers a bold and original study of this politically explosive subject Along with a fair appraisal of the bargain s strategic merits Cohen provides a critique of its antidemocratic faults Arguing that the bargain has become increasingly anachronistic he calls for a reform in line with domestic democratic values as well as current international nuclear norms Most important he believes the old methods will prove inadequate in dealing with a nuclear Iran Cohen concludes with fresh perspectives on Iran Israel and the effort toward global disarmament Shared Beliefs in a Society Daniel Bar-Tal, 2000-07-06 carefully argued this book will have special appeal to graduate students faculty social psychologists notably those yearning for Lewinian Approaches and group oriented sociologists Choice What kind of shared beliefs in a society are of importance to social systems What functions do they fulfill How are they informed and disseminated What are the societal consequences of shared beliefs All of these questions are addressed in this book in which Daniel Bar Tal develops the notion of societal psychology which he states can contribute a social psychological perspective to the study of a wide range of social problems in a society He shows how societal psychology can fulfill the promise of early social psychologists by

directing attention to the societal and cultural contexts in which individuals live and by examining the reciprocal influence between these contexts and individuals In this comprehensive volume four themes of societal belief patriotism security siege mentality and deligitimization are examined through well defined examples and systematic analysis Researchers students and practitioners in social psychology sociology political science and anthropology will be stimulated and engaged by this important contribution to the field

Democracies and Small Wars Efraim Inbar,2003-08-30 By their nature democracies clearly have greater constraints than autocratic regimes on their freedom of action as they have to meet constitutional legal and moral criteria in their use of force This collection analyses a number of case studies showing how democracies have won small wars

Israel's Security and Its Arab Citizens Hillel Frisch,2011-10-24 Although a rich literature combining international relations and domestic political developments has recently emerged most works specializing in state minority relations nationalism citizenship and human rights have not integrated insights from the field of international relations and security affairs into their analysis This absence is nowhere more visible than in the study of relations between the Israeli state and its Arab Palestinian minority This book aims to bring back international relations and international security perspectives into the analysis of relations between the Israeli state and its Arab minority Drawing on international relations theory it argues that the relationship between the Israeli state and the predominant community as in many other cases characterized by ethno national cleavage was heavily influenced by the state s broader regional geo strategic security situation State policies toward Israel s Arab citizens moderated in the rare times of relative geo strategic security and hardened when Israel s regional position became more precarious

Israel's Public Diplomacy Jonathan Cummings,2016-07-27 Hasbara explaining the Israeli variant of public diplomacy is the subject of endless domestic debate Israel in the 1960s and 1970s saw many changes in its political and military international stage This was a period of unusually intensive attention to the problems of hasbara beginning with the appointment of Yisrael Galili as minister with responsibility for government communications and ending with the dismantling of the Ministry of Information in 1974 less than a year after it had been created Israel had only been able to muddle through and at the end there was no greater sophistication in Israeli thinking and no stronger administrative structure in spite of many organizational changes Accessible to anyone interested in the history of Israel as well as political history and diplomacy the book serves as a case study of how entrenched political culture can limit policy options and casts light on the emergence of public diplomacy as a feature of foreign policy

Air University Library Index to Military Periodicals ,1996

[The Mortality and Morality of Nations](#) Uriel Abulof,2015-07-24 This book answers how mortality and morality figure and intertwine in the life and death of nations both in theory and in practice

Immigration, Security, and the Liberal State Gallya Lahav,Anthony M. Messina,2024-01-18 Contextualizing the regulation of human mobility in a new security framework this book offers an original perspective on the dominant mode of politics and evolving norms shaping the immigration policies of contemporary liberal states In doing so the

authors challenge existing paradigms that privilege economic and cultural factors over new security ones in explaining the critical institutional and normative changes in migration management from the early post WWII through the post Cold War era Drawing on evidence from multiple sources including media and elite discourse policy tracking party manifesto data and public opinion across Europe and the US the book exposes the restrictive nature of immigration politics and policies when immigration is framed as a security threat and considers its implications for civil liberties Informed by a rich breadth of scholarly sub disciplines the findings contribute both empirically and theoretically to the literatures on international migration security and public opinion

The Invention and Decline of Israeliness Baruch Kimmerling, 2005-12-13 This work reexamines Israel in terms of its origins as a haven for a persecuted people and its evolution into a multi cultural society The author suggests that the Israeli State has divided into seven major cultures

Military, State, and Society in Israel Dāniyyāl Māmān, Eyal Ben-Ari, Zeev Rosenhek, There have been many books on the place of war security or military service in Israeli society The Military State and Society in Israel makes contributions to the debate theoretical empirical and polemical that are related to the Israeli case and to wider debates about the place of war and the military in contemporary industrialized societies The Israeli case is important in the development of more macro approaches to the study of things military as war has played a central role in Israel's history and continues to do so The book encapsulates in a very explicit manner tensions in the relationships between the military state and society and stands at the core of contemporary debates between two fundamental approaches to the study of the relations between the military society and the state the armed forces and society school and the state making and war perspective Contemporary Israel is the site of debates about many of the fundamental assumptions that have undergirded the Jewish nation state the ethnic character of nationhood and statehood the role of the Jewish diaspora vis vis Israel the legitimacy of Jewish ethnic pluralism the meaning of the Holocaust privatization of social life and the spread of consumerism and weakening of the centralized state as the agent of social transformation affecting housing language health technology production dress and child rearing One important consequence of these internal conflicts and struggles has been a significant erosion in the almost sacred status once enjoyed by state institutions and especially the military among the majority of Jewish population Theoretical and Comparative Perspectives situates Israel in its wider theoretical and comparative context and shows how the study of Israel contributes to the theoretical understanding of contemporary changes in civil military relations The Politics of Civil Military Relations concentrates on current changes in Israeli politics the character of the conflict with the Palestinians and the place of military in society The State and War Making Creating Citizens Soldiers and Men and Women indicates how war and the military are not only instruments for state making but are also important factors in the formation of individual identities The Notion of National Security Institutions and Concepts raises the basic question of whether the institutional mechanisms and the strategic conceptions crystallized during the first 50 years of Israel's existence are still relevant in a changing post cold

war world The Armed Forces as Organization Continuity and Change focuses on the lines of continuity and trends of change in several aspects of the Israeli Defense Forces internal organizational structure Studies based on Israeli cases data and scholarship have been central to the development of expertise in such fields as applied psychology and psychotherapy This volume contributes to these areas of study and will be of central importance to professionals interested in civil military

Israel's National Security Efraim Inbar,2007-12-21 This book brings together a collection of essays that covers the main national security issues Israel has faced since 1973 *Israel at the Polls, 1996* Daniel J. Elazar,Shmuel Sandler,2014-04-08

The 1996 Israeli elections were the first elections by direct vote for the position of prime minister in which a newcomer Binyamin Netanyahu defeated the most veteran Israeli politician Shimon Peres The result indicated not only a transition of power from the left centre to the right centre but also the decline of the major parties and the ascendance of the smaller parties Israel at the Polls 1996 looks at the parties election campaigns and the processes that determined this outcome Major issues such as religion and politics Israel as a Jewish state the peace process and the new politics are analysed by

outstanding Israeli political scientists **National Security, Public Opinion And Regime Asymmetry: A Six-country Study** Tun-jen Cheng,Wei-chin Lee,2017-05-19 New conventional wisdom posits that the public in democracies is inattentive but not really ignorant nor easily swayed and indeed quite consistent and thoughtful when it comes to national security and foreign policy issues This volume builds on such a claim to study the attributes and impacts of public opinion on foreign and national security policy in six democracies Taiwan South Korea Israel Ukraine Finland and West Germany These countries face acute and sustained national security challenges posed by stronger authoritarian regimes close by namely China North Korea the Arab nations Russia and the Soviet Union Given potential existential threats to their democracies the public is typically tuned in and in sorting out their policy stands is mindful that the fundamental values of identity sovereignty and prosperity may be jeopardized Public opinion can indeed constrain statecraft here in these democracies ensnared in asymmetric dyads Many have studied public opinion and national security in democracies but few have studied national security strategy of weak powers confronting great powers This volume is the first attempt to examine this topic The approach here is a comparative rather than country specific study combining qualitative and quantitative research methods to enrich our understanding of the complexity and intrigues of the interplay between public opinion and national security under the condition of regime asymmetry The wealth of data and careful examination of various issues from different theoretical approaches makes this volume an essential guide for courses and research in comparative foreign policy international relations and democratic processes

Security Threatened Surveying Israeli Opinion On Peace And War Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Security Threatened Surveying Israeli Opinion On Peace And War free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Security Threatened Surveying Israeli Opinion On Peace And War free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial

role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Security Threatened Surveying Israeli Opinion On Peace And War free PDF files is convenient, it's important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading Security Threatened Surveying Israeli Opinion On Peace And War. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Security Threatened Surveying Israeli Opinion On Peace And War any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Security Threatened Surveying Israeli Opinion On Peace And War Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Security Threatened Surveying Israeli Opinion On Peace And War is one of the best book in our library for free trial. We provide copy of Security Threatened Surveying Israeli Opinion On Peace And War in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Security Threatened Surveying Israeli Opinion On Peace And War. Where to download Security Threatened Surveying Israeli Opinion On Peace And War online for free? Are you looking for Security Threatened Surveying Israeli Opinion On Peace And War PDF? This is definitely going to save you time and cash in something you should think about.
