The British Library General Catalogue of Printed Books 1976 to 1982 British Library, 1983 *British Books in Print*, 1985 National Union Catalog, 1980 Includes entries for maps and atlases **Whitaker's Cumulative Book List**, 1985 *British Working Class women authors (born before 1962) a list* Stefan Szczelkun, 2025-06-07 A collection of Wikipedia articles edited reformatted and with additions In chronological order References and sections on non literary activity are sometimes omitted hopefully not to the point of misrepresenting the author which might include feminist or political activism To my surprise the biographical material on Wikipedia was sometimes mesmerising although it was uneven Where there were gaps I have tried to fill them from other sources Refer back to the wikipedia articles for more context and references in some cases and if you have a verified source of information please update the Wikipedia article Wikipedia is published under a creative commons licence So this compilation also carries a creative commons licence Introduction Looking through Sarah Richardson's *Writing on the Line* 1996 I was struck by how many of the working class women writers were from North America and how many more were poets Howard Slater had made a list of British working class male novelists and I selected British woman writers from *Writing on the Line* and found that most of them now have Wikipedia pages I first made a list of links Wanting to take this further I first looked to focus on novels and short story writers but this category started to break up as many writers wrote in many idioms producing fact fiction poetry plays screenwriting and journalism I decided on an arbitrary cut off point of writers born before 1962 When I first made the list I was thinking how few working class women novelists had been published in this period But then the lists of books by each author started to stack up and there's plenty to read and much that I missed even really hearing about Of course it focuses on the most successful others who produced a community published autobiography or self published novel did not get a Wikipedia page and they should really be included every life counts Others only published an autobiography perhaps in the last years of life but were extraordinary writers and people We could also discuss the genre snobbery in literary circles that puts crime young people's literature romantic and fantasy fiction and perhaps historical based narratives in a lower category than the novel The British National Bibliography Arthur James Wells, 2004 *Subject Catalog*, 1978 Library of Congress, 1978 *Bibliography of Scotland*, 1978 **British Film Catalogue** Denis Gifford, 2016-04-01 First published in 2001 The standard work on its subject this resource includes every traceable British entertainment film from the inception of the silent cinema to the present day Now this new edition includes a wholly original second volume devoted to non fiction and documentary film an area in which the British film industry has particularly excelled All entries throughout this third edition

Robinson, 2014-04-17 This wide-ranging two-volume encyclopedia of musicals, old and new, will captivate young fans and prove invaluable to those contemplating staging a musical production. Written with high school students in mind, *The World of Musicals: An Encyclopedia of Stage, Screen, and Song* encompasses not only Broadway and film musicals but also made-for-television musicals, a genre that has been largely ignored. The two volumes cover significant musicals in easily accessible entries that offer both useful information and fun facts. Each entry lists the work's writers, composers, directors, choreographers, and cast, and includes a song list, a synopsis, and descriptions of the original production and important revivals or remakes. Biographical entries share the stories of some of the brightest and most celebrated talents in the business. The encyclopedia will undoubtedly ignite and feed student interest in musical theatre. At the same time, it will prove a wonderful resource for teachers or community theatre directors charged with selecting and producing shows. In fact, anyone interested in theatre, film, television, or music will be fascinated by the work's tantalizing bits of historical and theatre trivia.
