See No Evil The Strange Case Of Christine Lamont And David Spencer:

From Pride to Influence Michael Hart, 2009-04-30 Recent Canadian foreign policy has fixated upon Canada's former status as a middle power within a small club of western democratic states. The emergence of a US dominated world and of an integrated North American economy and the decline of multilateral rules and institutions as prime instruments of global governance have left Canadian foreign policy searching for new purpose and direction. *From Pride to Influence* brings Canadian foreign policy into the twenty first century by grounding it in a conception of the national interest that accepts the primacy of the United States in guaranteeing Canadian national security and prosperity. It will appeal to the engaged public practitioners, analysts and senior undergraduate and graduate classes focused on Canadian foreign policy. *Dinner with Edward* Isabel Vincent, 2016-05-24 A memoir of food and friendship combining the warm heartedness of Tuesdays with Morrie with the sensual splendor of Julie and Julia. Booklist starred review. Isabel Vincent first arrives at Edward's New York apartment to check on him as a favor to his daughter. She has no idea that the nonagenarian baking a sublime roast chicken and a light as air apricot soufflé will end up changing her life. But their meeting comes at a moment of transition for each of them. Edward wants nothing more than to follow his late wife to the grave while Isabel is watching her marriage unravel. As Edward and Isabel meet weekly for the glorious dinners that Edward prepares, he shares so much more than his recipes for apple galette or the perfect martini or even his tips for deboning poultry. Edward teaches Isabel the art of slowing down, taking the time to think through her own life, cutting it back to the bone and examining the guts, no matter how messy that proves to be. *Dinner with Edward* is a book about love and nourishment and about how dinner with a friend can, in the words of M. F. K. Fisher, sustain us against the hungers of the world. A rare, beautifully crafted memoir that leaves you exhilarated. Rosemary Sullivan, author of *Stalin's Daughter*. This is a memoir to treasure. Booklist starred review. *Bodies and Souls* Isabel Vincent, 2011-03-04 Isabel Vincent's groundbreaking exploration brings to light a dark chapter in our recent history: the white slave trade and the international Jewish mobsters behind it. From the end of the 1860s until the beginning of the Second World War, thousands of young impoverished Jewish women, most of them from the hard scrabble shtetls of Eastern Europe, were sold into slavery by a notorious gang of mobsters called the Zwi Migdal. While the enterprise controlled brothels in various locales, its main centres of operation were Rio de Janeiro, Buenos Aires, and to a lesser extent, New York City. To recruit vulnerable country girls, pimps would target villages of desperate poverty where they posed as respectable suitors of considerable means who had made their money abroad. They would arrange sham marriages to their victims and promise them an easy life in the New World. But once they'd crossed the ocean, these Jewish women found themselves caught up in the white slave trade. Under frequently brutal conditions, the young women had to service the needs of a booming population of immigrant men. An added hardship to endure was being vehemently shunned by the respectable Jewish community. Banned from synagogue and reviled by their neighbors, the women were forbidden from partaking in the sacred Jewish burial ritual.

So prostitutes banded together to form the Society of Truth with the promise to do all could they could to help each other be buried in dignity Through the society the women observed religious life together setting up private synagogues and kosher kitchens Cast aside by their community they created their own a society of love honour to God and faith in each other With the determination and skill of her training as an investigative journalist Isabel Vincent tells an unforgettable and gripping tale of a shameful chapter in recent history **Branding Canada** Evan H.
