**Seeds of Faith** Kaari Ward,2003      **Faith of a Mustard Seed** Paul Karanick,2012-06-01 Pursue a life led by faith rather than fear Once you read Faith of a Mustard Seed you will have a better understanding of how faith can change your outlook on every aspect of your life Too many people are making life changing decisions due to fear rather than faith Allow faith to guide your steps in life instead of fear Start with a little faith and watch how it strengthens within your life Paul Karanick and his wife Christina experienced what it means to have the faith of a mustard seed The term is used by Christ to explain the power that one can have if we just have a little faith Paul looks back on his life and ministry to reveal how God strengthens our faith and forms us into an effective part of the body of Christ Recalling the steps of how God led him his family and ministry Paul highlights how God equips the ones He calls by Calling all people to have faith Confirming that God is calling Walking through fear Building a stronger faith Infecting others with faith Paul uses his own life as an example of the faith process These illustrations will prepare believers for the typical steps involved in building a stronger faith relationship with Christ Paul openly admits that he was not qualified to take on the task that God had placed upon him but God would soon reveal to Paul that no one is truly qualified without the power of Christ God reshaped Paul and led him into a ministry that continuously depended upon faith A true visionary and gifted in faith he began to trust less in his own abilities and more upon Gods abilities Knowing that without faith it is impossible to please God Paul teaches of using faith to get as close to God as you can Pauls unshakable faith became contagious within his ministry as lifes worries and fears were lessened due to the faith that God provides      **An Autobiography of Healings from God Through Faith - Triumph - Victory** Elder Rev. *Mustard Seed Faith* Bethanee Syversen,2019-05-21 After seven miscarriages and three failed adoptions where do you find the strength to pursue your dream of parenthood Bethanee Syversen s deeply personal debut Mustard Seed Faith A Journey through Infertility Miscarriages Adoption and Faith is a story of believing in a God who is powerful enough and generous enough to do the impossible Bethanee always wanted to be a parent When the doctors gave their prognosis she had to decide where her strength would come from She and her husband chose to trust in God Each negative pregnancy test each unexpected loss and each adoption delay would test her heart s resolve However through every blow Bethanee discovered that God doesn t give up He never goes away And He never leaves His children unrestored Now a mother of six Bethanee has experienced the hardship and joy of becoming a mom through birth and through adoption Much of Mustard Seed Faith comes from Bethanee s blog which captured the raw emotion of her story as it unfolded In part one Bethanee confronts the heartbreak of infertility and the private grief of multiple miscarriages In part two she recounts the physical toll and emotional extremes of adopting For many Bethanee s fourteen year journey is all too familiar but it is her uncommon faith in God s good and sovereign plan that inspires readers to keep hoping keep praying and keep believing      **Disorganized**

**Christianity** Keith H. McIntosh,2023-06-30 Some simple and exact beliefs organized religion has about an apple a whale three wise men at Jesus s birth why Noah was the best man God could have chosen to repopulate the earth after the global flood the treatment of women slaves Blacks and homosexuals along with many other false dogmas will be exposed in this book Disorganized Christianity will also address some lesser known events like angels having sex with Eve s daughters what the origin of the Antichrist s number 666 could be that Eve NEVER sinned in the Garden of Eden and the Biblical fact that

Jesus CANNOT BE the Messiah I had a falling out with my local church pastor One week I was singing Amazing Grace and the next week I wasn't even allowed in HIS building I decided very quickly to reread the Bible with a different set of eyes and a different heart and determine for myself if organized religion was correct in its damnation of my soul Organized religion was not even close to being able to defend its damning position against me I taught them scriptures and in the process recaptured my soul I created a little study guide for others to fend off the relentless attacks on their souls by mean spirited and intolerant Christians The study guide grew into this book Disorganized Christianity We converted non Christians now see the real darkness of organized religion's dogma and we are no longer bound by its condemnation **Faith is Stranger**

**than Fiction** Steve Halliday,2001-01-01 You think God must work in a certain way but out of left field He springs an eye popping surprise You pray for guidance in a ticklish situation and God responds with a plan that takes your breath away You're confident you know whom God will use to do His will and He chooses someone so unlikely that even that person is left speechless What's going on here What gives Actually it's really quite simple Faith Is Stranger Than Fiction When you serve a God who loves surprises there's no telling what He may cook up next to thrill your soul and challenge your spirit Only one thing is certain He will fulfill all His promises but He'll do it in a way none of us could imagine in a billion lifetimes **The**

Beyond Belief Accepting Jesus Christ as your Lord and Savior is the most transformative decision in anyone's life His peace

love and protection are eternal offering a foundation that no worldly achievement can surpass Believing in the unseen requires walking by faith not by sight demanding focus discipline and an unwavering commitment to God s promises It calls for shutting out external distractions and refusing to compromise your belief no matter the challenges or circumstances Many lose their way not because God s promises are untrue but because they lack evidence in their lives This happens when they veer off the path of purpose influenced by voices and opinions of those who neither understand nor have walked the journey God has designed for them Question How can someone give you the blueprint to a billion dollars if they ve never achieved it themselves Answer They can t Such conversations are empty and unproductive wasted conversations Instead we should invest our time talking to God the author and finisher of our faith He alone knows the unique purpose He has for each of us Believing in what God says about your life is the only path to fulfilling your destiny Key Insight Evidence is the tangible manifestation of faith in action proof of what you ve trusted God for When you remain steadfast in your belief God will fulfill His promises showing you and others the reality of His Word in your life     [The Parables and Metaphors of Our Lord G.](#)
