Seeds Of Hope Seeds Of Hope Exprisoners Project Island Pamphlets:

Track III Actions Helena Desivilya Syna, Geoffrey Corry, 2023-01-30 Since the end of the Cold War in the early 90s a multi track approach to peacemaking has been developed by academics and practitioners to bring political and civil society leaders together from across the divide of contested societies to find ways out of the conflict Much of the focus up to now has been given to the strategic contribution of Track II conflict analysis and problem solving workshops This book puts the spotlight on the role that grassroots leaders and citizens can play at Track III level in the community in building and strengthening a bottom up approach to conflict transformation following protracted conflicts In Part 1 the focus is on the post conflict situation of Northern Ireland twenty years after the Belfast Good Friday Agreement Part 2 portrays scholarly and practitioners perspectives and actions in communities and organizations designed to build partnerships in order to counteract the legacies of active protracted conflict Plots the role of Track III approaches within a multi track peacemaking pyramid in the protracted conflict and post conflict phases of conflict transformation Provides case studies on how to engage community leaders in thinking together how to work with deep seated legacies of protracted conflicts Explores the contribution of bottom up models to build intergroup partnerships within and between local communities Focuses on the interface between research and practice *Ulster Loyalism after the Good Friday Agreement* J. McAuley, G.

Spencer, 2011-01-19 A timely assessment of loyalist history identity and community in Northern Ireland today which provides a comprehensive picture of how loyalism has reacted to changes since the Good Friday Agreement Challenging simplistic stereotypes of loyalism this book provides a complex multi faceted explanation of the loyalist imagination Changing Shades of Orange and Green John Coakley, 2002 Change has been especially marked in the constitutional nationalist tradition within Northern Ireland which is examined from different perspectives by Alban Maginness and Jennifer Todd It has been even more pronounced in the republican tradition however which is discussed from the standpoints of politician and academic commentator by Mitchel McLaughlin and Paul Arthur Two strands of unionism are analysed using the same formula Thus Dermot Nesbit and Richard English focus on the complex and fascinating pattern of change within Ulster unionism Then the even more remarkable shift in direction within militant loyalism is assessed by one of its main architects David Ervine and by academic analyst James McAuley Finally Desmond O Malley and Tom Garvin examine the pattern of change in the south
