British Writers and Paris Elisabeth Jay,2016 Using a wealth of contemporary sources this book tells the story of the way in which the turbulent hedonistic world of mid nineteenth century Paris touched the careers and work of a host of Victorian writers major and minor It attends both to the way writers actually experienced life in a capital city markedly different from London and to how they retailed this to a swiftly growing British readership En route it reveals the cosmopolitan world of the salonsand the social life of the British Embassy demonstrates the risky competitive world of the freelance journalist traces the developing role of the foreign correspondent and examines the sometimescontradictory prejudices about Paris and the Parisians contained in contemporary fiction Casting a wide literary net the first part of this book explores these writers reaction to the swiftly changing politics and topography of Paris before considering the nature of their social interactions with the Parisians through networks provided by institutions such as the British Embassy and the salons The second part of the book examines the significance of Parisfor mid nineteenth century Anglophone journalists paying particular attention to the ways in which

the young Thackeray's exposure to Parisian print culture shaped him as both writer and artist The final part focuses on fictional representations of Paris revealing the frequency with which they relied upon previous literary sources and how the surprisingly narrow palette of subgenres structures and characters they employed contributed to the characteristic and sometimes contradictory prejudices of a swiftly growing British readership *Fodor's Around Paris With Kids* Jennifer Ditsler-Ladonne, Emily Emerson Le Moing, 2011-03-01 Providing helpful guides to traveling with children these easy to use handbooks offer a variety of fun filled educational hassle free activities available in cities and regions around the world along with planning tips addresses admission prices age appropriateness and nearby lodgings and restaurant recommendations
