Seeing Anthropology Karl G. Heider, 1997 Accompanying videocassettes include short ethnographically accurate films on a wide range of culture types and world areas which contribute to the subject of the chapters      **Seeing Anthropology** Karl G. Heider, 2004 Seeing Anthropology continues to be the only cultural anthropology text available that allows for easy integration of ethnographic films into the introductory cultural anthropology course This text truly incorporates films within the text by blending textbook content with fourteen ethnographic film clips that are put in the hands of students More flexible ordering options are available with the new edition See New to this Edition section below One reviewer says The greatest strengths of this text are its unique and skillful use of film clips to enhance student learning I can think of no better way to extend student learning in anthropology than the use of films and there is no one more qualified to select and present anthropological films than the author of this book      **American Journal of Physical Anthropology**, 2001 Bibliography in physical anthropology 1942 43 in Dec issue      **Program of the ... Annual Meeting of the American Association of Physical Anthropologists** American Association of Physical Anthropologists. Meeting, 2001      Subject Guide to Books in Print, 1971      **Resources in Education**, 1999-10      **Seeing Anthropology** Karl G. Heider, Pamela Ann Reese Blakely, Thomas Dustin Blakely, 2007 Seeing Anthropology continues to be the only cultural anthropology text available that allows for easy integration of ethnographic films into the introductory cultural anthropology course This text truly incorporates films within the text by blending textbook content with sixteen ethnographic film clips that are put in the hands of students One reviewer says The greatest strengths of this text are its unique and skillful use of film clips to enhance student learning I can think of no better way to extend student learning in anthropology than the use of films      *Cultural Anthropology* Conrad Phillip Kottak, 1986      **A Cold War Tourist and His Camera** Martha Langford, John Langford, 2011-01-27 Martha Langford and John Langford examine their father's apparently innocuous photographic experience revealing the complexity of both the images and their creator An intelligent and personal look at the ways that the historical and the private are represented and remembered A Cold War Tourist and His Camera stages the family slide show as you've never seen it before      **Seeing Anthropology** Karl G. Heider, Herbert L. Ziegler, 2000-09 This is the only book video package for cultural anthropology This book truly incorporates films within the text This unique package allows the reader to view the films in class or at home      Popular Science, 2005-09 Popular Science gives our readers the information and tools to improve their technology and their world The core belief that Popular Science and our readers share The future is going to be better and science and technology are the driving forces that will help make it better      **Anthropology Newsletter**, 1998      **Urban Emotions and the Making of the City** Katie Barclay, Jade Riddle, 2021-04-05 This book brings together a vibrant interdisciplinary mix of scholars from anthropology architecture art history film studies fine art history literature linguistics and urban studies to explore the role of emotions in the making and remaking of the city By

asking how urban boundaries are produced through and with emotion how emotional communities form and define themselves through urban space and how the emotional imaginings of urban spaces impact on histories identities and communities the volume advances our understanding of urban emotions into discussions of materiality power and embodiment across time and space     Museum Media Michelle Henning, 2020-11-17 MUSEUM MEDIA Edited by Michelle Henning Museum Media explores the contemporary uses of diverse media in museum contexts and discusses how technology is reinventing the museum It considers how technological changes from photography and television through to digital mobile media have given rise to new habits forms of attention and behaviors It explores how research methods can be used to understand people s relationships with media technologies and display techniques in museum contexts as well as the new opportunities media offer for museums to engage with their visitors Entries written by leading experts examine the transformation of history and memory by new media the ways in which exhibitions mediate visitor experience how designers and curators can establish new kinds of relationships with visitors the expansion of the museum beyond its walls and its insertion into a wider commercial and corporate landscape Focusing on formal theoretical and technical aspects of exhibition practice this in depth volume explores questions of temporality attachment to objects atmospheric and immersive exhibition design the reinvention of the exhibition medium and much more     *After Metaphysics* Harvey B.
