Hurting Circumstances Arise in the Lives of People Dr. Anniekie Ravhudzulo, 2019-08-22 The hurting and healing are the hopeless discouraged divorced widows and widowers children who still hurt due to their old wounds try to go through the motions of life with little ambition or motivation to do any better God is in charge of your seasons Don't take things personally because life is often a roller coaster ride of emotions Life is full of ups and downs and filled with a collection of unexpected surprises Behind your situation lies purpose Broken things become useful in God's time Life is Like a Puzzle Life is a like a test that you can fail if you don't do it right We can touch hearts of the hurting in different ways After a long winter spring eventually comes and with it new leaves appear on the trees in all their refreshing beauty Take care of your heart You are responsible for your heart because it is the engine of your life Pain is unavoidable and suffering is optional There is healing after hurt Your case is settled in heaven Concentrate on things you love Let go Let God Allow healing to take place Your case is settled in heaven Concentrate on things you love Let go Let God Allow healing to take place There is healing power of forgiveness We do not prolong our pain by continuing to focus on unforgiveness People differ in the sense that many can face life again despite emotional traumas while others remain stuck with either the healing or the hurting process for many years You cannot run before God Every person on earth lives out a unique script of hardship Wellness and fitness is wealth Each area of your life is connected to all the others Like a chain you are only as strong as your weakest link

You Can Overcome the Jealousites in Your Life

KaShana Gallentine, 2011-02-11

What is a jealousite you might ask. The term jealous means very watchful or careful in guarding or keeping resentfully suspicious of a rival or a rival's influence. Resentfully envious resulting from such feelings requiring exclusive loyalty. An ite is a native inhabitant or citizen of a descendent from or offspring of an adherent or believer in or member of. A jealousite is anyone that God wants to deal with who is in need of cleansing from jealousy and envy in your territory and life even if it's yourself. So you've fallen into the pit of sin and jealousy and envy has a hold on you. Is it too late for you or those in your territory or life who may be struggling with this sin? The answer is no. So many are stuck or at a standstill in life while others are watching enviously at those who are pursuing ahead. We can no longer ignore this crisis for it affects our relationships on all levels. Whether it be in your home, in the workplace, in your school, in your church, in your family, in your friendships or in your nation. Jealousy and envy is lurking through the eyes and hearts of those who are in need of a God-sized transformation. If you are tired of living an average, defeated, self-consumed and insecure life, this book was designed with you in mind. You don't have to sit back and watch others get to the finish line. You can get in the race and finish your course also. No longer do you have to compare yourself to others but you can find peace with God and others by accepting your value and worth. You, yes you, are called to make a difference and a contribution in the lives of others. This book's message is a beckoning call for healing, deliverance, restoration and forgiveness to the brokenhearted. If you've been desiring to get ahead in life to advance beyond the pain, sufferings and struggles you've been experiencing, this is your time.

In the Midst of Pain

Juanita R. McNeil, 2012-10

The reason why I wrote this book is that I am hoping that I can reach out to others who are in pain and hopefully help them persevere and cope through life's toughest battles. I want to encourage people who are in some type of pain in hopes that I can help them recover from it. Now the first four chapters of this book are about my life as a child growing up in a vicious atmosphere and how this same vicious cycle always seems to repeat itself. This vicious cycle grew with me into my adulthood. This book also contains what reality is like for me and how it is for others. Reality is very different for each individual and each individual deals with it differently. I will also tell you about how I dealt with the pain and how others can learn to deal with it too. Now if there is someone out there who is in despair and thinks that death is the only answer to all their pain, well please I hope that you will continue to read this book. I do pray that it will help you or help you deal with someone you know who thinks that death is the only answer. Believe me when I say that death is not the answer because it's not. So my purpose of my book is to help you change your perspective on life in THE MIDST OF PAIN. But it is only now that I have come to realize that after enduring some serious traumas in my life, life is good after all and it is such a blessing to live for God. Just think how life can bring you understanding on how to use your pain as an opportunity to help others in need who are right in the middle of a crisis. Just when you think you can't handle no more and that you feel like you are at the end of your rope, that is when God shows up and God will show off his blessings in your life. Please believe me when I say that this is the most beautiful and wonderful

feeling to ever have No one can make you feel as good as God does Now not only will God make you feel good but he will also change your life to the good All you have to do is just reach out and take his hand because he is waiting for you This book is based on the facts and the truth about my life Now through the pain that I have endured I have gained some insight for the purpose of my book I am blessed to say that this book has changed my life and I am in hopes that it will help change other people s lives too The more I read my own book the more I learn from it I do hope that it will do the same for you too for it is my desire to help all those who are in need of an answer May God bless you as you read this book

Theology of the Pain of God Kazoh Kitamori,2005-06-10 Until the twentieth century the Western world formulated most Christian theology Fully grounded in this tradition Kazoh Kitamori demonstrates its limitations and problems from a Japanese point of view and suggests a fresh approach to the biblical message Dr Katamori has developed the rst original theology from the East The gospel is the gospel of the cross he says God loves the objects of his wrath What is revealed in the cross is neither the wrath of God alone nor the love of God alone but the synthesis of the two The author s purpose is to clarify this synthesis identi ed as the pain of God By the theology of the pain of God he means the theology of love rooted in the pain of God He brings a new interpretation to this central theme of the Christian faith Today Christian thinkers are calling for an ecumenical theology By helping to renew the faith even as he seeks to reformulate it in non Western terms Dr Kitamori takes an important step toward expanding the dialogue between Christians of the East and West

From Broken Vows to Healed Hearts Rebecca L. Mitchell,2018-05-29 Divorce can be a sensitive topic for Christians After all a husband and wife are supposed to be one flesh Yet even in the church divorce rates continue to be substantial And women are desperate for biblically based guidance encouragement and hope not to sweep their pain under the rug and pretend broken vows don t exist but to know that complete healing is possible Rebecca Mitchell knows this because she has experienced divorce firsthand Her marriage crumbled after twenty five years and she went through every stage of grief But one day she realized she needed to stop being trapped by the past and move forward She refused to accept the role of victim Her journey to healing and her experience leading a support group in her home church led to a conviction that others could be helped in the same way through engaged community biblical self care and compassionate reflective practices This unique book covers topics such as depression loneliness forgiveness hope and even joy Each of the twelve chapters includes five days of devotionals and journaling questions From Broken Vows to Healed Hearts leads readers through the process of realizing that brokenness is a stage not an identity Mitchell encourages women to maintain hope for healing to be patient with the time recovery takes to be committed to community and above all to seek God

for the journey ahead Many Christians get discouraged during this process and walk away from God But so many people in the Bible like Abraham Joseph and David had to go through years of preparation before they saw their visions fulfilled They waited a long time probably longer than most of us Be encouraged and don t let a thing called time destroy you before you even start God is for you and what He s promised He will bring to pass My Life on the Road Faith Nomathemba (Tete) Msomi,2014-02-12 My Life on the Road The Journey Continues by Ms Faith Nomathemba Tete Msomi MY LIFE ON THE ROAD The Journey Continues shares the story of Nomathemba Msomi s journey from South Africa to the United States as she longed to join a Work Away program and see the East Coast We follow Msomi from Boca Raton Florida to Cape Cod Massachusetts as she details the trials and tribulations surrounding resort work for international employees Msomi highlights the racial tensions of South Africa and offers an insider s view of harsh working conditions that can exist for hospitality workers worldwide About the Author Ms Faith Nomathemba Tete Msomi was born in Lamontville near Durban South Africa After losing her parents at an early age and growing up under the care of her sister and uncle she set her sights on a culinary education and a life working abroad Relying on her strong faith in God Msomi saw her dreams come true as she traveled around the world to work in the hospitality industry She remains in the United States working in Florida viewing every day and every adventure as a learning opportunity **The Beatific Vision Seeing GOD Face to Face** Rasa Von Werder,2009-10-06 GOD SAID TO MOSES YOU CANNOT SEE ME LIVE BUT GURU RASA VON WERDER SAW GOD LIVED AS GOD S MEANING IS YOU CANNOT LIVE TO FLESH SEE ME AS I AM FACE TO FACE YOU MUST GIVE UP ALL ATTACHMENT TO FLESH THEN YOU CAN SEE ME SO RASA EXPLAINS IN DETAIL THE PROCESS OF PRAYER EMPTINESS WHICH LEADS TO THIS REALIZATION THIS STATE IS THE MOST SUBLIME HUMAN CAN REACH AS NOT ONLY MUST ONE RISE ABOVE THE FLESH BUT ALSO MUST BE CLOTHED IN GLORY AS MARY OF AGREDA EXPLAINS IN THE MYSTICAL CITY OF GOD *The God Who Sees You* Tammy Maltby,Anne Christian Buchanan,2012-04-01 For anyone who ever feels invisible unnoticed or unappreciated here s an invitation to rediscover the biblical God who sees you Tammy Maltby wants women to know their lives matter So she invites you to explore the real life implications of knowing God sees you He loves you passionately and He s intimately involved with every aspect of your life God wants you to see Him too and to partner with you in bringing about His kingdom When you take this reality to heart you will live more honestly confidently and fearlessly because everything looks different once you really see the God who sees you Highway 10/20 Michael Anthony,2016-03-19 Ever found yourself in the storm of life If so then Im glad you picked up this book I wrote it with you in mind Driving down the highway your mind can begin to imagine what life is what it could have been and what it should be The highway of life is a mirror of the highway of the country There will be storms there will be detours and there will missed turns We just have the know how to get back on that highway of life and get to our destination **KJV Standard Lesson Commentary® 2016-2017** Standard Publishing,2016-06-01 As the nation s most popular annual Bible commentary

Living Through Dying Douglas Dales,1994 In this beautifully written study Douglas Dales examines the autobiographical passages in St Paul s letters notably II Corinthians in the light of the continuing spiritual experience and language of the church to ascertain the saint s own experience of entering into the dying and rising of Christ This phenomenon is related to certain aspects of other New Testament writings especially early Christian attitudes to the passages about suffering in the Old Testament and the testimony of the Apostolic Fathers Douglas Dales aims to address the question What makes a church a place where the experience of living through dying may be realised and concludes his study with a call to the modern church in the West to pursue afresh the steps of the saints This book takes us back to the heart of that mystery which has been worked out in so many different circumstances It tells of the mystery of Christ and the cross above all as it is expounded in the writings of Saint Paul From the Foreword by The Revd Canon A M Allchin
