Friendship and Fellowship in the Local Church Dr. L. Vega-Sanabria, 2023-05-22 After a teaching career of more than thirty years having taught across all grade levels and a broad range of subject areas Friendship and Fellowship in the Local Church a 21st Century Perspective is a product of an encompassing ministry experience in the local church for both Spanish speaking and English speaking congregations as a teacher deacon and pianist a research based study with a pragmatic and practical view on the needs of one of the most unrecognized and misunderstood populations those of the inmate believers The Gospel message is clear and the members of the body of Christ have a responsibility to encourage one another and build each other up 1 Thessalonians 5:11 NIV The message of our Lord Jesus Christ is as real today as it was centuries ago I tell you open your eyes and look at the fields They are ripe for harvest John 4:35 NIV Believer inmates are members of the body of Christ their conversions are real their transformations are evident and their faith is strong Yet they too need the support of other members of the body of Christ for the Holy Spirit works through each member as he or she is gifted in order to address and attend to the unique needs of the incarcerated believer inmates Hear their silent cries as they are revealed in the Friendship and Fellowship in the Local Church a 21st Century Perspective The Gospel of John states the reason Jesus visited

Samaria Now he had to go through Samaria John 4 4 NIV And in NKJV it states He needed to go through Samaria For Jesus it was a need Jesus knew the importance of reaching out to those who were marginalized who were ostracized and who were highly criticized and judged They had been abandoned but Jesus had other plans Later he met the Samaritan woman and through her her village and her town received the Good News about the Messiah Many of the Samaritans from that town believed in him because of the woman s testimony John 4 39 NIV His own disciples were blind to this need they were subject to the day s misconceptions and misinterpretations and biases Later Jesus pronounces one of the most significant statements of the Gospel message I tell you open your eyes and look at the fields They are ripe for harvest John 4 35 NIV Friendship and Fellowship in the Local Church a 21st Century Perspective is a call to reach a group of people that have been abandoned and rejected to address their needs spiritual social emotional and psychological It is like Jesus said A field ripe for the harvest It is an eye opener a pioneer research study addressing the needs of one of the most deserted and neglected populations considering it covers a topic difficult to discuss and is of much controversy Paul said Remember my chains Colossians 4 18 NIV When Jesus was accused of associating with those that were outcasts his reply was For I have not come to call the righteous but sinners Matthew 9 13 NIV Wo/men, Scripture, and Politics Elisabeth Schüssler Fiorenza, 2021-08-31 In Wo men Scripture and Politics Elisabeth Sch ssler Fiorenza brings to bear years of trailblazing scholarship of feminist thought and hermeneutics onto the current political and cultural landscape In this book she seeks to articulate and use biblical interpretation as intervention into the failure of the democratic cultural political imagination Although such an intervention is often taboo for supposedly neutral academic scholarship Sch ssler Fiorenza argues that it is politically necessary because political argument today so often utilizes biblical rhetoric in the public square e biblical political analysis and suggestions of this book are developed in four chapters each focusing on the role of the Bible in struggles over women s leadership in the present touching on the cultural double bind of women in politics sexual abuse power and the MeToo movement Sch ssler Fiorenza s insights and arguments not only lead to the development of reimagined cultural biblical imprints of women in the political arena but they also encourage her readers to add their own biblical examples to inspire them in their struggle for a biblical vision of women in the public square is is an insightful challenging book written for our time by someone who has always seemed to be ahead of hers African Canadian Leadership Erica S.
