Christ Crucified in a Suffering World Nathan D. Hieb, 2013-09-01 What is the connection between Christian doctrine and concrete social action This question marks the often unarticulated divide between systematic theology and liberation theology each often emphasizing one primarily or formally over the other Examining the work of Karl Barth T F Torrance and Jon Sobrino here Nathan Hieb contests this bifurcation specifically around the nodal points of the crucifixion or the doctrine of atonement and the context of suffering This book is an innovative study that bridges the boundaries of method doctrine and praxis creating a strong theological and action oriented relationship between systematic and liberation theology

Suffering and the Christian Life Rachel Davies, 2019-12-26 This volume approaches questions concerning the status and meaning of suffering in Christian life and Christian theology through the lens of a variety of theological disciplines biblical historical practical political and systematic theology Scholars from this range of fields concentrate on a number of questions Is love intrinsically linked with suffering Are suffering and loss

on some level fundamentally good How is and how should suffering and diminishment be viewed in the Christian tradition Featuring leading voices that include Linn Tonstad Bernard McGinn Anna Rowlands John Swinton and Paul Murray this volume brings together essays touching on concrete issues such as cancer mental health and the experience of refugees and discusses broad themes including vulnerability kenosis and tragedy In correlating these themes with the examination of texts ranging from Paul s letters to works of the Cappadocians Thomas Aquinas John of the Cross and Mother Teresa Suffering and the Christian Life offers fresh and accessible academic approaches to a question of vital personal existential significance

Bonhoeffer on the Christian Life Stephen J. Nichols, 2013-06-30 The abundance of conferences lectures and new books related to Dietrich Bonhoeffer attests to the growing interest in his amazing life and thought provoking writings The legacy of his theological reflections on the nature of fellowship the costliness of grace and the necessity of courageous obedience has only been heightened by the reality of how he died execution at the hands of a Nazi death squad In this latest addition to the popular Theologians on the Christian Life series historian Stephen J Nichols guides readers through a study of Bonhoeffer s life and work helping readers understand the basic contours of his cross centered theology convictions regarding the Christian life and circumstances surrounding his dramatic arrest and execution Part of the Theologians on the Christian Life series

Paul's Emotional Regime Ian Y. S. Jew, 2020-10-15 In his letters Paul speaks often of his emotions and also promotes certain feelings while banishing others This indicates that for Paul emotion is vital However in New Testament studies the study of emotions is still nascent current research in the social sciences highlights its cognitive and social dimensions Ian Y S Jew combines rigorous social scientific analysis and exegetical enquiry to argue that emotions are intrinsic to the formation of the Pauline communities as they encode belief structures and influence patterns of social experience By taking joy in Philippians and grief in 1 Thessalonians as representative emotions and contrasting Paul s approach with that of his Stoic contemporaries Jew demonstrates that authorized feelings have socially integrating and differentiating functions by reinforcing the shared theological realities upon which emotional norms are based group belonging is bolstered Simultaneously authorized emotions fortify the theological boundaries between Christians and others which strengthens group solidarity in the Church by accentuating its members insider status Using this framework heuristically Jew explores how the interplay of symbolic ritual and social elements within Paul s eschatological worldview reinforces emotional norms and demonstrates that attention to emotion can only deepen our understanding of the social formation of the early believers

Exploring a Christian Worldview Dr. Charles W. King, 2018-04-17 An ancient philosopher said The unexamined life is not worth living There is truth in this thats applicable to the life of any Christian Most Christians live with little thought of the reasons for their conduct and for their beliefs Opening this to examination can be a challenging and very rewarding experience It can also be the source of genuine peace and assurance This book represents the views of the author his graduate school class and a highly educated Sunday class one with a doctorate five
