Wonderstand contains sutras and insights on yoga and meditation It is modern in the way that it inspires us and at the same time it ranges alongside many classic texts on the subject The title Wonderstand is a play on words that speaks for itself and holds a promise for the seeker of both serenity and humor The book includes two collections of texts Aphorisms and The Dot and the Dots The truth cast into idea loses its truth the mold takes hold Make me transcend my time my space and break my border to you In the loss of longing belonging gets lost hence emancipation Sohan Qadri's aphorisms are in line with the tantric tradition of India Sohan's guru was a tantric whom he met as a child He grew up in that tradition in a small village in Punjab The word tantra originally means to expand and through that expansion to liberate When you expand your consciousness there can be no limitations such as taste or judgement Everything there is is part of the experience and part of you The poems of Sohan Qadri show us that dot of consciousness bindu which is present everywhere without discrimination in every thing and every one you realize your self through anything the dot is placed everywhere between the lips of lovers in the northern lights among the galaxies and yet we remain right here I am a dot in the orgasmic ecstasy so spiritual and so mundane at once I am a dot in the full emptying itself in the void filling itself But you don't have to know the secrets of Tantra to experience his poems they will inspire you and convey its universal message anyway Swami Janakananda *India Today International*, 2004 Sohan Qadri Sohana Kādarī, 200?
