#### **Seeking The Spiritual:**

The Seeking Soul Brad Flinders, 2014-05 How do I stop my thoughts And how does observing our thoughts enhance our spiritual growth These questions along with many others are answered in a concise and effective way in The Seeking Soul In this informative guide author Brad Flinders addresses a myriad of topics relating to spiritual development such as how to find the stillness within how to more effectively trust life how to subdue the ego and how to love ourselves unconditionally The Seeking Soul begins by taking you through the author's spiritually driven path of seeking for answers while being a devoted Mormon The journey then proceeds through those experiences and lessons that opened him up to a new way to view life It then delves into the insights resulting from a lifetime of seeking including how to live in harmony with the flow of life and how to find gratitude Through the insightful and amusing stories and informative viewpoints Flinders provides a unique insight into following a well defined path designed for the spiritual growth of the seeking soul **Seeking Spiritual Intimacy** Glenn E. Myers, 2011-03-28 In Seeking Spiritual Intimacy Glenn Myers introduces us to the Beguines a network of faith communities in Medieval Europe where women organized their world around a simple life with Christ at the center Learn from the insights of wise women of faith who from their modest homes and communities revitalized the faith of a **Seeking Spiritual Growth Through the Bible** Wilfrid J. Harrington, 2002 In looking to the Bible's witness continent this book offers readers a spirituality that is understood as faith lived in love and sustained by hope Seeking the Spirit With Ankita Sharma, 2018-09-13 Seeking the Spirit Within will allow you to view life from a bigger picture and encourage you to follow a spiritual path as the spirit within us awaits to connect with God Short Term Spiritual Guidance Duane R. Bidwell, This book represents a significant departure from most contemporary writing about spiritual direction While most writers focus on long term relationships of guidance specifically envisioning long listening sessions Bidwell changes focus Spiritual direction he insists typically requires intervention in a specific crisis or situation or question is not formal lasts fewer than five sessions and must be actively and intentionally focused on the person's growth Bidwell's work shows what spiritual directors can learn from the short term therapy model especially about enabling people briefly but effectively to learn to listen on their own and with others for God's presence Focusing on how God is already active in the directee's life allows the participants to identify God's action and respond in ways that collaborate with that identified movement of the Spirit **Desperately Seeking Spirituality** Meredith Gould, 2016-05-09 In Desperately Seeking Spirituality sacred spelunker and sociologist Meredith Gould combines practical wisdom with lived experience to explain why and when traditional practices don t work for today s seeker and then how to choose ones that will In short easy to read chapters and with characteristic wit Gould provides counsel for reframing perception to discover the sacred in everyday life This guide is for self identified seekers who have tried some many or even all the classic spiritual practices and then given up on them when they stop working In Desperately Seeking Spirituality Gould invites readers to embrace a broader definition of practice

that shifts focus from doing to being **Seeking Spirit Beyond the Bottle** Helen Sherry, 2004-06-29 We live in an addictive society in which compulsiveness has become an art form and most people have dependencies of some sort This book was written to help all dependent people learn ways to follow a spiritual path even if their dependencies might be one of those potentially less severe than alcoholism or drug addiction such as workaholism materialism excessive anxiety or relationship difficulties To quote from the author People these days talk seriously of addictions to television the Internet or to acquiring material possessions. These are usually self involved occupations. It is as though humanity knows somehow that joy is their natural state but they lack the ability to open enough to experience it They are seeking comfort and joy in all the wrong places This memoir tells the story of three generations afflicted with alcoholism and its effects on family and friends It chronicles the author's growing up with an alcoholic mother in the middle of the twentieth century and her own later development of the same illness despite her strong commitment to avoid this It describes the methods she has used to remain in recovery over twenty seven years and includes information learned from her twenty plus years of working as an addictions counselor and from her ongoing relationships with an alcoholic spouse and an emotionally disabled son This book speaks to issues of import to much of humanity such as abandonment the need for safely and security in an insecure world the need to give control back to a spiritual source the need for forgiveness of self and others and the primary need to find Spirit within and not without To guote again from Ms Sherry s words I no longer think of God as dwelling in heaven wherever that might be As a child heaven seemed to be a place above the sky However even though I now know more of the facts about our Universe I still can t identify a place called heaven Today I also acknowledge the fact that our Universe may not be the only one that exists Consequently I think of Spirit as being a power that exists not only beyond the Universe but at the same time exists and resides in us all The author clearly and humanly identifies the eclectic combination of spiritual tools she had put in place in her life Her message will speak to those with addictions but also to those who simply wish to avoid dependencies and 52 Weeks to Spiritual Fulfillment Yesu Vi,2024-06-03 Embark on a Yearlong Quest Towards to change grow and evolve Deep Spiritual Connection Imagine setting off on a remarkable journey that takes you deep into the heart of spiritual practice one week at a time 52 Weeks to Spiritual Fulfillment A Year of Prayer and Devotion is designed to guide you through an enlightening path over the course of a year promising not just growth but a profound connection with your faith and yourself Starting with the foundational aspects of prayer and devotion you re invited to explore the essence of spiritual life through daily practices scripture meditation and embracing silence Each chapter unfolds new disciplines challenges and opportunities to deepen your relationship with the Divine From understanding the dynamics of intercessory prayer to discovering the power of scripture this book lays down a week by week strategy that is both manageable and immensely fulfilling Engaging with this book means more than just following a routine it s about cultivating a lifestyle that encompasses prayer gratitude and reflection Whether it's through fasting journaling or participating in community worship every practice
