Mendes-Flohr, Jehuda Reinharz, 1995 The last two centuries have witnessed a radical transformation of Jewish life Marked by such profound events as the Holocaust and the establishment of the state of Israel Judaism's long journey through the modern age has been a complex and tumultuous one leading many Jews to ask themselves not only where they have been and where they are going but what it means to be a Jew in today's world Tracing the Jewish experience in the modern period and illustrating the transformation of Jewish religion culture and identity from the 17th century to 1948 the updated edition of this critically acclaimed volume of primary materials remains the most complete sourcebook on modern Jewish history Now expanded to supplement the most vital documents of the first edition The Jew in the Modern World features hitherto unpublished and inaccessible sources concerning the Jewish experience in Eastern Europe women in Jewish history American Jewish life the Holocaust and Zionism and the nascent Jewish community in Palestine on the eve of the establishment of the State of Israel The documents are arranged chronologically in each of eleven chapters and are meticulously and extensively annotated and cross referenced in order to provide the student with ready access to a wide variety of issues key historical figures and events Complete with some twenty useful tables detailing Jewish demographic trends this is a unique resource for any course in Jewish history Zionism and Israel the Holocaust or European and American history      The Alef-Bet of Death Dying as a Jew: A Guide for the Dying out of Jewish Traditional Sources Rabbi Ariel Stone, 2019-03-05 Dying is not a moment at the end of life but instead a path lined with opportunities to reflect explore and contemplate In an insightful guidebook on the meaning of death Rabbi Ariel Stone shares spiritual commentary Jewish stories and other writings that provide information and inspiration about the process of death as seen through the prism of Jewish learning and culture Through stories of those who have gone before us and a step by step process that addresses the spiritual significance of death Stone offers ways to think feel and wonder about death while inviting the dying to overcome fears and view the end of earthly life as an opportunity to repent reflect on the influence we have upon others and find peace as our light merges with the eternal light The Alef Bet of Death Dying as a Jew is a valuable guide that teaches the meaning of death in the Jewish tradition while offering clarity light and comfort to those walking the often vague and dark path to dying      **Israeli**

**Manichaeon Cosmogony** John C. Reeves, 2016-07-23 A work entitled the Book of Giants figures in every list of the

Manichaean canon preserved from antiquity Both the nature of this work and the intellectual baggage of the third century Persian prophet to whom it is ascribed remained unknown to scholars until 1943 when fragments of several Middle Iranian versions of the Book of Giants were published by W B Henning Twenty eight years later at Qumran J T Milik discovered several copies of a fragmentary Aramaic work which is unquestionably the precursor of the later Manichaean recension One other important work Mani's autobiography the so called Cologne Mani Codex was brought to scholarly attention in 1970 with evidence that Mani spent his youth among the Elchasaites a Judeo Christian sect that observed the Sabbath strict dietary laws and rigorous purification practices Although leading Orientalists of the nineteenth and twentieth centuries have consistently stressed the Iranian component in Mani's thought Reeves argues in the light of evidence drawn from the above mentioned discoveries and from a rich panorama of other textual sources that the fundamental structure of Manichaean cosmogony is ultimately indebted to Jewish exegetical expansions of Genesis 6 1 4 Reeves begins with an examination of the ancient testimonies about the contents of Mani's Book of Giants Then using documents from Second Temple Judaism classical Gnostic literature Christian and Muslim heresiological reports Syriac texts and Manichaean writings he provides a detailed analysis of both the Qumran and Manichaean rescensions of the work demonstrating additional interdependencies and suggesting new narrative arrangements He addresses a series of quotations from an unnamed Manichaean source found in a paschal homily of the sixth century Monophysite patriarch Severus of Antioch and a narrative from Thoeodore bar Konai In sum Reeves demonstrates that the motifs of Jewish Enochic literature in particular those of the story of the Watchers and Giants form the skeletal structure of Mani's cosmological teachings and that Chapters 1 to 11 of Genesis fertilized Near Eastern thought even to the borders of India and China *In and Out of the Ghetto* R. Po-Chia Hsia, Hartmut Lehmann, 2002-04-30 During the 1920s much attention was paid to the history of Jews in Germany since the Enlightenment and the subject became popular again with renewed emphasis after 1945 Many historians were deeply committed to understanding and explaining the tragic path that led from the emancipation of the Jews to the Holocaust For a long time much less work was done on the history of Jews in Germany in earlier periods particularly the period between the late Middle Ages and the Enlightenment This book is the first comprehensive account of Jewish Gentile relations in central Europe from the fifteenth to the eighteenth century It lays particular emphasis on cultural economic social and political issues and incorporates much new research *Jewish Affairs*, 1974 **Tales in Context** Rella Kushelevsky, 2017-11-13 A folkloric research project on Sefer ha ma asim In the thirteenth century an anonymous scribe compiled sixty nine tales that became Sefer ha ma asim the earliest compilation of Hebrew tales known to us in Western Europe The author writes that the stories encompass descriptions of herbs that cure leprosy a fairy princess with golden tresses using magic charms to heal her lover's wounds and restore him to life a fire breathing dragon a two headed creature and a giant's daughter for whom the rind of a watermelon containing twelve spies is no more than a speck of dust In *Tales in Context* Sefer ha ma asim in

Medieval Northern France Rella Kushelevsky enlightens the stories meanings and reflects the circumstances and environment for Jewish lives in medieval France Although a selection of tales was previously published this is the first publication of a Hebrew English annotated edition in its entirety revealing fresh insight The first part of Kushelevsky s work Cultural Literary and Comparative Perspectives presents the thesis that Sefer ha ma asim is a product of its time and place and should therefore be studied within its literary and cultural surroundings Jewish and vernacular in northern France An investigation of the scribe s techniques in reworking his Jewish and non Jewish sources into a medieval discourse supports this claim The second part of the manuscript consists of the tales themselves in Hebrew and English translation including brief comparative comments or citations The third part An Analytical and Comparative Overview offers an analysis of each tale as an individual unit contextualized within its medieval framework and against the background of its parallels Elisheva Baumgarten s epilogue adds social and historical background to Sefer ha ma asim and discusses new ways in which it and other story compilations may be used by historians for an inquiry into the everyday life of medieval Jews The tales in Sefer ha ma asim will be of special value to scholars of folklore and medieval European history and literature as well as those looking to enrich their studies and shelves
