recurrent themes and preoccupations of the islands cultures and an appropriate way to define their recent cultural production while taking account of the burden of their colonial past The rich cocktail of cultural and linguistic influences surveyed is situated in relation to the contemporary political and social context of the islands and their marginal status within the global economy Mauritius - Culture Smart! Tom Cleary,Culture Smart!,2011-04-01 Mauritius is a conundrum A small exotic multiethnic island nation in the Indian Ocean to some it is a multicultural rainbow a haven of peace love and understanding Others see it as ethnically divided cultivating only sugarcane and prejudice Opinions differ as to whether it is a Creole island a Hindu dominated Little India or a neo colonial outpost of the French speaking world Optimists see it as the biggest social and economic miracle of the post colonial world whereas pessimists believe it to be a social accident waiting to happen For many visitors Mauritius appears to be a carefree tropical paradise but its complexity will baffle any foreigner who dares to leave the comfort of the luxury beach resort Daily life is far from idyllic for the majority of the population struggling to reconcile traditional culture and old ethno religious antagonisms with the demands of the modern world Mauritius is a very new nation formed over the past three centuries Although the South and East Asian influence is very strong its most defining characteristic is its very multiculturalism Its traditions reflect the diversity of the people and Mauritian language food and religion form an intoxicating medley Other customs have been created locally and are shared by all such as the lively and popular musical tradition of sega Modernization and global economics mean many younger Mauritians now share a common culture and outlook on life where the sense of being Mauritian outweighs ancestral ties and divisive communalism Culture Smart Mauritius will help you make sense of the modern and the traditional of shared and ancestral culture and enable you to navigate your way through the contradictions at the heart of modern Mauritius Show the expected courtesy and respect and you will meet many extraordinary warm hearted patient and friendly people who are keen to welcome outsiders from any part of the world *Small Island, Large Ocean* Burkhard Schnepel,2023-05-19 This book is about a Small Island namely Mauritius in the southwestern Indian Ocean It is also about a Large Ocean the Indian Ocean world its peoples histories and cultures It casts light on the life of an island through what is known not only about the island itself but also through what is known about the wider Indian Ocean world It is also about the Indian Ocean world in that it focuses on an island which in many senses and dimensions is not only a model of but in some respects also a model for wider developments and features of relevance to the Indian Ocean world as a whole **The Ethnomusicologists' Cookbook, Volume II** Sean Williams,2015-07-24 This companion to The Ethnomusicologists Cookbook combines scholarship with a unique approach to the study of the world s foods musics and cultures Covering over four dozen regions the entries in these collection each include a regional food related proverb a recipe for a complete meal a list of companion readings and listening pieces and a short essay that highlights the significant links between music and food in the area The Ethnomusicologists Cookbook Volume 2 will appeal to ethnomusicologists anthropologists and sociologists but should also
