Valdis Gauss

Segawas Illustrated Ethnography Of Indigenous Formosan People The Tsou:

The Formosan Primary Anthropogonic Myths, Genesis, and the Creation of Man Valdis Gauss, 2025-05-26 In this book Valdis Gauss anthologizes the Formosan anthropogonic myths from all of Taiwan's Austronesian tribes. Over 250 origin texts sourced from dozens of linguistic, anthropological, historical, and mythological corpora, as well as other publications, have been collated and analysed, rendering the present literary survey far more comprehensive than any prior study on this subject. Over 100 Formosan myths, many of which were never previously available in English, have been translated here for the first time. In the absence of longstanding traditional orthographical records, the Austronesian tribes that inhabit the island of Taiwan have relied on the transmission of oral literatures for the preservation of historical events since the dawn of time. The earliest historical events that are still recited by tribal elders relate to the origins of the gods and first ancestors of mankind. This anthology continues the tradition of collecting and transcribing these myths for everyone interested in the corpus of literature from Taiwan's aboriginal peoples. **Segawa Kokichi Taiwan senjumin shashinshi** Hiroshi Yuasa, Kokichi Segawa, 2000 *Statecraft and Spectacle in East Asia* Adam Clulow, 2013-09-13 *Statecraft and Spectacle in East Asia* is a multidisciplinary collection of essays that explores the intertwined histories of Taiwan and Japan across the long sweep of the early modern and modern periods. Drawing on new research by scholars from Europe, North America, and Asia Pacific, it moves beyond the conventional focus on the mechanics of the Japanese colonial state to provide new perspectives on a highly significant relationship that shaped the nature of the modern East Asian political landscape. Ranging from the seventeenth century to the chaotic aftermath of empire, the papers collected here consider Tokugawa Japan's halting engagement with Taiwan as a key world historical moment that illuminates changing attitudes towards maritime expansion, the ways in which the colonial project was packaged and sold in print as well as image, and the complex legal discourses surrounding the making and unmaking of empire. Together, they show how influence flowed both ways between Taiwan and Japan and the importance of inter-Asian interactions. This book was published as a special issue of *Japanese Studies*. Past Human Migrations in East Asia Alicia Sanchez-Mazas, Roger Blench, Malcolm D. Ross, Ilia Peiros, Marie Lin, 2008-07-25 The study of the prehistory of East Asia is developing very rapidly. In uncovering the story of the flows of human migration that constituted the peopling of East Asia, there exists widespread debate about the nature of evidence and the tools for correlating results from different disciplines. Drawing upon the latest evidence in genetics, linguistics, and archaeology, this exciting new book examines the history of the peopling of East Asia and investigates the ways in which we can detect migration and its different markers in these fields of inquiry. Results from different academic disciplines are compared and reinterpreted in the light of evidence from others to attempt to try and generate consensus on methodology. Taking a broad geographical focus, the book also draws attention to the roles of minority peoples hitherto underplayed in accounts of the region's prehistory, such as the Austronesian, Tai, Kadai, and Altaic speakers, whose contribution to the regional culture is now becoming accepted. Past

Human Migrations in East Asia presents a full picture of the latest research on the peopling of East Asia and will be of interest to scholars of all disciplines working on the reconstruction of the peopling of East and North East Asia **Seeking the koko' ta'ay** ,2024-07-22 This volume edited by Tobie Openshaw and Dean Karalekas will guide you on a multidisciplinary journey through Indigenous peoples centuries old lore of little people in Taiwan and the Pacific Learn about the Taiwan SaiSiyat people's paSta ay ritual still held to this day to commemorate the koko ta ay Follow the distribution of the legends interspersed with original stories by modern Indigenous authors Explore the archaeological find of small statured negrito remains in Taiwan and delve into the most current research on the topic by linguists anthropologists folklorists and other specialists to unravel the mystery of what or who inspired these ancient legends **A World View of Bioculturally Modified Teeth** Scott E. Burnett,Joel D. Irish,2017-10-31 Body modifications be they tattoos piercings or implants have been with humankind for most of its existence This volume shows that one aspect of that modification dental modification has been around for eons This volume based on a well attended symposium at the American Association of Physical Anthropology meeting goes beyond the simple textual descriptions to explore the cultural context and biological implications of these modifications How can these be used to identify status class migration and even health 〇〇〇〇 〇〇〇〇,〇〇〇〇,2000 Textiles Bibliography ,2002 **The Tsou** Yuasa Hiroshi,2000 **Catalogue** Peabody Museum of Archaeology and Ethnology. Library,1963 **In Search of the Hunters and Their Tribes** David Faure,2001
