Sin-wai,2013-02-06 Is the bilingual dictionary really the translator s best friend Or is it the case that all translators hate all
dictionaries The truth probably lies half way It is difficult to verify anyway as the literature on the subject s is limited not
helped by the fact that Lexicography and Translation have stood apart for decades despite their commonality of purpose
Here is a volume based on the proceedings of a successful conference at Hong Kong that may at last provide some answers

Handbook for Asian Studies Specialists Noriko Asato,2013-10-08 An indispensable tool for librarians who do
reference or collection management this work is a pioneering offering of expertly selected print and electronic reference
tools for East Asian Studies Chinese Japanese and Korean Handbook for Asian Studies Specialists A Guide to Research
Materials and Collection Building Tools is the first work to cover reference works for the main Asian area languages of China
Japan and Korea Several leading Asian Studies librarians have contributed their many decades of experience to create a
resource that gathers major reference titles both print and online that would be useful to today s Asian Studies librarian
Organized by language group it offers useful information on the many subscription based and open source electronic tools
relevant to Asian Studies This book will serve as an essential resource for reference collections at academic libraries
Previously published bibliographies on materials deal with China or Japan or Korea but none have coalesced information on
all three countries into one work or are written in English And unlike the other resources available this work provides the
insight needed for librarians to make informed collection management decisions and reference selections **Subject Guide**

Louie,2008-07-30 The naming practices of Chinese Americans are the focus of this work Since Chinese immigration began in the mid 19th century names of immigrants and their descendants have been influenced by both Chinese and American name customs This detailed study first describes the naming traditions of China providing a base for understanding how personal names may change in the interaction between cultures One discovers that surnames are clues to Chinese dialect sounds that many have been Americanized that new surnames were created and that in more recent decades as the Chinese American population has grown new names practices developed and surnames have proliferated Included are ideographs to surnames and an overview of their preservation by Americans of Chinese descent **The Limits of the Rule of Law in China** Karen

G. Turner,James V. Feinerman,R. Kent Guy,2000-02-01 In The Limits of the Rule of Law in China fourteen authors from different academic disciplines reflect on questions that have troubled Chinese and Western scholars of jurisprudence since classical times Using data from the early 19th century through the contemporary period they analyze how tension between formal laws and discretionary judgment is discussed and manifested in the Chinese context The contributions cover a wide range of topics from interpreting the rationale for and legacy of Qing practices of collective punishment confession at trial and bureaucratic supervision to assessing the political and cultural forces that continue to limit the authority of formal legal institutions in the People s Republic of China *PROCEEDINGS OF THE SECOND INTERNATIONAL CONFERENCE ON GLOBALIZATION: CHALLENGES FOR TRANSLATORS AND INTERPRETERS* Youbin Zhao,Wei Lin,Zhiqing

Zhang,2017-07-04 This two volume book contains the refereed proceedings of The Second International Conference on Globalization Challenges for Translators and Interpreters organized by the School of Translation Studies Jinan University

China on its Zhuhai campus October 27-29, 2016. The interrelation between translation and globalization is essential reading for not only scholars and educators but also anyone with an interest in translation and interpreting studies or a concern for the future of our world's languages and cultures. The past decade or so in particular has witnessed remarkable progress concerning research on issues related to this topic. Given this dynamic, The Second International Conference on Globalization Challenges for Translators and Interpreters, organized by the School of Translation Studies, Jinan University, China, was held at the Zhuhai campus of Jinan University on October 27-29, 2016. This conference attracts a large number of translators, interpreters, and researchers, providing a rare opportunity for academic exchange in this field. The 135 full papers accepted for the proceedings of The Second International Conference on Globalization Challenges for Translators and Interpreters, organized by the School of Translation Studies, Jinan University, China, were selected from 350 submissions. For each paper, the authors were shepherded by an experienced researcher. Generally, all of the submitted papers went through a rigorous peer review process. *Academy, with which are Incorporated Literature and the English Review*, 1883
