Shelter of His Wings Joan Wiinmill Brown,1994-12-12      **The Wesleyan-Methodist Magazine** ,1844      How Healed Do You Want to Be?: Finding hope and wholeness in a sharp-edged world William T. Faris,2009 It is a sharp edged world and getting hurt is unavoidable Whether it is physical spiritual or emotional we all experience pain on some level and are left with trying to pick up the pieces What do we do How do we move forward Do we want to merely get bandaged up so we can get back into the game Or do we want something so powerful and miraculous that it leaves us better than when we first experienced pain In How Healed Do You Want to Be author William Faris explores the world of healing from a different perspective defining the true nature of healing and challenging the reader to ask those tough questions that help us discover the deep healing God has for our lives He lays out a biblical road map that helps those on this journey find a healing that leaves them in better shape than when one of the sharp edges from the world first found them      The Book of Comforts Kaitlin Wernet,Rebecca Faires,Cymone Wilder,Caleb Faires,2019-04-09 When someone is grieving what should you say How can you help How do you comfort without offering shallow platitudes The Book of Comforts stands in the gap between suffering and hope offering readers the abiding comfort found in Scripture and personal experience The Book of Comforts is unlike other books on grief with beautiful four color interiors and an inviting format with brief devotions Readers will gain Long term comfort from scripturally focused entries A deeper understanding of their grief loss and pain and discover the richness of God s love A meaningful way to walk through hurt heartache challenges and difficulty through the truth of God s Word Scripture deals plainly and honestly with suffering and simultaneously points people to the rich hope we find in God The Book of Comforts is a beautiful and comforting gift for those in hard places because even though we don t always know what to say the gift of divine consolation is always helpful      *Prayers for Hope and Healing* Sarah Forgrave,2017-10-01 Amid Pain and Weakness There Is HOPE Serious or chronic medical issues bring a litany of painful and confusing feelings that only someone else who s been in a similar situation could possibly understand Sarah Forgrave has walked the difficult road you find yourself on And she empathizes with the uncertain future you face No matter the road ahead you don t have to face it alone Even in the depths of your worst emotional and physical pain God is right there beside you offering His comfort love and peace As you read these heartfelt prayers and devotions let this book be your manual to help navigate the difficult set of emotions that come with health issues Read it front to back or go directly to the devotion addressing how you feel at any given moment when you need it the most Above all know that you are never ever alone      **The Good Man's Refuge in Distress: and the Right Way to Secure and Perpetuate the Blessings of Our Present Establishment: Delivered in Two Sermons, the Former [on Psal. Deliverance If we want deliverance we need God but not an idea or the thought or religion about God but God Himself We need God in our lives and we need to abide in the Father Son and Holy Spirit to secure our deliverance and to walk in deliverance Jesus is the Way of our Deliverance for He is the Truth and the Life In this series we explore what is true deliverance pertaining to the spirit soul and body We look at the scope and nature of such deliverance We divide the truth from the myriad of lies misconceptions fallacies and erroneous teachings regarding deliverance For all disciples are called to know what is true deliverance how to engage in the spiritual war and how to set the captives free *A Cup of Comfort Devotional for Mothers and Daughters* James Stuart Bell, Susan B Townsend, 2009-02-18 Few bonds are more blessed than that of mother and daughter Encompassing all of life itself this special relationship colors every woman's past present and future This moving new collection shows how God's love and compassion for mothers and daughters is at work in their lives every day of the year Featuring a touching essay for each month biblical passages and real life accounts of mother daughter miracles large and small this devotional is a daily dose of grace and goodness for Christians everywhere Methodist Magazine John Wesley, 1844 **The Complete Works of Richard Sibbes, D.D.: Bowels opened, or, expository sermons on canticles IV. 16, V, VI** Richard Sibbes, 1862 *Commentary on the Book of Psalms, Form #17.074* Brook Stockton, 2024-05-20 Insights on walking with God **Radical, Relentless and Tough** Riaan Engelbrecht, 2024-02-20 If we look at the life of Moses we find numerous spiritual lessons that will benefit any disciple of Jesus Is his life important Most assuredly as this volume of work explores He was a murderer yet God used him mightily He was almost killed as an infant yet survived to do great things for God leading a life of worth and value for 120 years He survived the harshness of two wilderness journeys totalling 80 years and rightly takes his place even though human as one of the great heroes of the Bible Moses as a prophet played a vital role in pointing towards the life and the ministry of Jesus Moses is of great importance in the Bible for he is recognised as a deliverer Exodus 3 7 10 covenant mediator Exodus 34 27 priest Psalm 99 6 and ruler Exodus 2 13 14 Acts 7 27 Moses's larger than life status as prophet was designed by God as a template from which all other prophets would be measured Enjoy this journey as covered in volumes one and two to know more about Moses and how we can spiritually grow on our journey with God **The Complete Works of Richard Sibbes, D.D.** Richard Sibbes, 1862 The Complete Works of Richard Sibbes D D by Alexander Balloch Grosart first published in 1862 is a rare manuscript the original residing in one of the great libraries of the world This book is a reproduction of that original which has been scanned and cleaned by state of the art publishing tools for better readability and enhanced appreciation Restoration Editors mission is to bring long out of print manuscripts back to life Some smudges annotations or unclear text may still exist due to permanent damage to the original work We believe the literary significance of the text justifies offering this reproduction allowing a new generation to appreciate it **Hymns of Hope** Hymns, 1879 *Embers of Hope* Bryan Cerrone, 2024-08-15 Did you know that you can love Jesus and therapy at the same time that you can be a committed follower of Jesus and still wrestle with

depression anxiety and mood swings Flip through the pages of the Bible and you ll find numerous heroes of the faith who wrestled with such things In this book you ll encounter ten major Bible characters who experienced depression and God used them to do mighty and extraordinary things for Him Why is this important Because you need to know that God isn t done with you just because you re going through some tough things in life No God can and will use you to do things you ve never imagined if you ll step outside of the boat and give it all to Him In Embers of Hope there is this call to have a conversation between the church and those going through depression If we re honest there hasn t always been room in the church for people going through these valley experiences So let s make room in the church for the church belongs to Jesus who compassionately cares for all people no matter what kind of season we may be going through In Embers of Hope you ll notice the word hope You may feel that all you have is a small glowing ember as opposed to this raging fire of passion but the hope lies in the fact that all it takes is for God to blow on that ember and experience that raging fire of passion again But there is also a call for us to ask God What are you trying to show me through this season I hope you ll be greatly encouraged as you read Embers of Hope and I hope you ll grasp onto that hope that can only be found in Jesus **Complete Works** Richard

Elliott,2015-03-08 For years scholars have attempted to understand the powerful hold that the sermon had upon the imagination of New England Puritans In this book Emory Elliott puts forth a complex and striking thesis that Puritan religious literature provided the myths and metaphors that helped the people to express their deepest doubts and fears feelings created by their particular cultural situation and aroused by the crucial social events of seventeenth century America In his early chapters the author defines the psychological needs of the second and third generation Puritans arguing that these needs arose from the generational conflict between the founders and their children and from the methods of child rearing and religious education employed in Puritan New England In the later chapters he reveals how the ministers responded to the crisis in their society by reshaping theology and constructing in their sermons a religious language that helped to fulfill the most urgent psychological needs of the people Originally published in 1975 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

**God the Father** Riaan Engelbrecht,2023-12-01 God is an actual literal Father He is the source of life Yes our God the Father created the universe and everything in it He is a big God but at the same time is a personal God who knows each

person's every need God the Father set a plan in place to save humanity from itself Yes He is a good Father and a loving God who wants a family and to be with His children He is not cruel or mean Not abusive Loving and kind But also a Father who is not pleased with wickedness evil or sin He is a holy God Unto Him we cry Abba Father and He hears us What an awesome God we serve far better than the supposed fathers of mythology Just as earthly fathers have an important part in contributing to the life of children this is true with God as His spiritual children He provides protects and nurtures In this study learn more about the Father of Abraham Isaac and Jacob Yes He is the heavenly Father of Jews and Gentiles alike Unto Him comes all the glory and all the praise He is Holy He is almighty Unto Him comes all power for He is authority May we draw closer to Him and let God Father us in His love beauty and majesty
