Shelter Of Each Other Rebuilding Our Families:

The Shelter of Each Other Mary Pipher, PhD, 2008-11-25 Simple solutions for survival in this family unfriendly culture Eye opening heart wrenching and uplifting San Francisco Chronicle Even more resonant today than at its original publication in 1996 The Shelter of Each Other traces the effects of our society's anti family way of life where parents are overtaxed children are undersupervised and technology is rapidly dictating how we interact As she did in her number one bestseller Reviving Ophelia Mary Pipher illuminates how our families are suffering at the hands of shifting cultural norms and she snaps our gaze into crisp focus Drawing on the fascinating stories of families rich and poor angry and despairing religious and skeptical and probing deep into her own family memories and experiences Pipher clears a path to the strength and energy at the core of family life Compassionate and heart wrenching The Shelter of Each Other is an impassioned call for us to gather our families in our arms and hold on to them for dear life

The Shelter of Each Other Mary Pipher, 1998-04
The Shelter of Each Other Mary Bray Pipher, 1996 Offers ideas for simple actions people can take to rebuild families and strengthen communities

Simplicity Parenting Kim John Payne, Lisa M. Ross, 2010-08-31 Today's busier faster society is waging an undeclared war on childhood With too much stuff too many choices and too little time children can become anxious have trouble with friends and school or even be diagnosed with behavioral problems Now internationally renowned family consultant Kim John Payne helps parents reclaim for their children the space and freedom that all kids need for their attention to deepen and their individuality to flourish Simplicity Parenting offers inspiration ideas and a blueprint for change Streamline your home environment Reduce the amount of toys books and clutter as well as the lights sounds and general sensory overload Establish rhythms and rituals Discover ways to ease daily tensions create battle free mealtimes and bedtimes and tell if your child is overwhelmed Schedule a break in the schedule Establish intervals of calm and connection in your child's daily torrent of constant doing Scale back on media and parental involvement Manage your children's screen time to limit the endless deluge of information and stimulation A manifesto for protecting the grace of childhood Simplicity Parenting is an eloquent guide to bringing new rhythms to bear on the lifelong art of raising children

The Spiritual Formation of Leaders Chuck Miller,2007-12 Why do the demands of leadership often draw leaders away from intimacy with God What can I do to become a more effective leader How can I keep from burning out and bailing out How can we develop effective leaders who are being spiritually transformed as they abide in Christ Key to answering these questions is the simple but profound truth that we must be the people of God before we do the work of God That s why *The Spiritual Formation of Leaders* invites you to deeper intimacy with Christ so in Him you will be empowered to enjoy rich community with one another and a life of fruitful ministry Spiritual leadership formation happens only in God s presence So come to Jesus Meet with Him in the Soul Room walk with Him into the Leadership Room and watch Him work in you and through you for His kingdom

Personal Village Marvin Thomas,2003-09 Your most valuable asset is the people in your life Does this sound familiar You are so busy you don t have time for your friends You get sick and no one shows up to help or express concern You want someone in your life who really cares and knows who you are You experience quick encounters as exciting but at the end of the day you are still lonely From your family to members of your congregation to the people who deliver your mail or serve your coffee each morning every person you know every person you see is a part of your Personal Village With this insightful funny and approachable book as your guide you can master the skills of getting closer with the people around you of having people in your life by choice not by chance Too much is written about how to make money too little is written about how to strengthen our personal communities according to respected relationship therapist Marv Thomas To combat the many dehumanizing effects of 21st century life

Nature and the Human Soul Bill Plotkin,2010-10-04 Addressing the pervasive longing for meaning and fulfillment in this time of crisis *Nature and the Human Soul* introduces a visionary ecopsychology of human development that reveals how fully and creatively we can mature when soul and wild nature guide us Depth psychologist and wilderness guide Bill Plotkin presents a model for a human life span rooted in the cycles and qualities of the natural world a blueprint for individual development that ultimately yields a strategy for cultural transformation If it is true as Plotkin and others observe that we live in a culture dominated by adolescent habits and desires then the enduring societal

changes we so desperately need won't happen until we individually and collectively evolve into an engaged authentic adulthood. With evocative language and personal stories including those of elders Thomas Berry and Joanna Macy, this book defines eight stages of human life: Innocent Explorer, Thespian, Wanderer, Soul Apprentice, Artisan, Master, and Sage, and describes the challenges and benefits of each. Plotkin offers a way of progressing from our current egocentric, aggressively competitive consumer society to an ecocentric, soul-based one that is sustainable, cooperative, and compassionate. At once a primer on human development and a manifesto for change, *Nature and the Human Soul* fashions a template for a more mature, fulfilling, and purposeful life and a better world.

The New Truth About Menopause Carol Landau, Michele G. Cyr, 2003-11-01 Nearly every month brings alarming new headlines about menopause and hormone therapy leaving millions of women who were taking those hormones or planning to take them unsure of what to do next. Even their doctors don't always know. After all, for years the medical establishment had been saying that hormones protected women against heart attacks and Alzheimer's disease. Now two distinguished leaders in the field have stepped forward to help women make sense of the latest findings. Drs. Landau and Cyr offer frank expert advice for women who don't know whether to stop or start hormone therapy, are at risk for heart disease, osteoporosis, or breast cancer, suffer from disabling hot flashes or mood swings, want the facts on safe, effective alternatives to hormone treatment. From evaluating new research to assessing their risk factors and goals, this book helps women go beyond the headlines to take charge of their own well-being.

Living Simply with Children Marie Sherlock, 2010-05-26 Raising children ranks as one of life's most rewarding adventures. Yet between Mom and Dad, working full-time jobs, endless carpooling of overscheduled youngsters, and the never-ending pressures to buy and consume, family life can be incredibly needlessly complex. What if you could find a way to spend more time with your children, replace unnecessary activities with meaningful ones, and teach your children an invaluable life lesson in the process? *Living Simply with Children* offers a realistic blueprint for zeroing in on the pleasures of family life. How and why to live simply and find more time to be with your children. Activities and rituals that bring out the best in every family member. Realistic ways to reclaim your children from corporate America. Helping children of any age deal with peer pressure. Raising kids who care about people and the planet. How to focus on the good stuff with less stuff. Including sections on limiting television, environmentally friendly practices, celebrating the holidays, and tapping into the growing community of families who embrace simplicity, this inspiring guide will show you how to raise children according to your own values and not those of the consumer culture as you enjoy both quality and quantity time with your family.
