Lightbown,2014-04-10 Examines the challenges of learning both language and content in the same class and reviews classroom based research on instructional practices that can meet those challenges in primary and secondary schools *Handbook of Teaching and Learning Persian as a Second Language* Hooman Saeli,2025-09-26 This collection explores

relevant pedagogical and sociolinguistic topics in the teaching and learning of Persian as a foreign and second language. Owing to the dearth of research in many areas pertaining to the teaching and learning of Persian, this handbook provides empirically supported insights into various aspects of these areas. While the literature on teaching and learning Persian is growing, the field lacks a cohesive collection on Persian as a foreign second language. The book addresses issues pertaining to the standardization and validation of teaching and assessment methods which remain under explored in the contexts of teaching and learning Persian. It also covers the teaching of Persian pragmatics, the use of corpora as well as a range of different areas within linguistics including phonetics, prosody and historical linguistics. This comprehensive collection contributes substantially to the scientific study of many aspects of teaching and learning Persian which have been neglected for decades. A must have text in Persian language pedagogy and Persian sociolinguistics, it is an essential book for those in teaching and learning in Persian language programs worldwide.

Bilingual and ESL Classrooms Carlos J. Ovando, Mary Carol Combs, 2018-01-02. Now in its 6th Edition, this classic text integrates theory and practice to provide comprehensive coverage of bilingual and ESL education. The text covers the foundations of bilingual and ESL education and provides a strong focus on what the teacher needs to know in a bilingual classroom. Woven throughout the text are quotes from bilingual and ESL students and teachers that illuminate the bilingual ESL learning and teaching experience. *Bilingual and ESL Classrooms* is written for both preservice and experienced educators serving grades pre K through 12, mainstream bilingual ESL and special education teachers as well as administrators, school counselors and educational policymakers. New in the Sixth Edition: This sixth edition presents updated research on and expanded coverage of key issues related to the education of English language learners in the United States such as continuing controversies and findings in demographics, the impact of globalization on K-12 public schooling, evidence driven teaching practices, white normativity, using technologies developed for language minority populations, making sense of Census 2010 and achievement levels of ELLs in math and science. More specifically, this sixth edition includes: Coverage of the 2015 Every Student Succeeds Act; An expanded and updated Human Face of Bilingual Students and ELLs; A revised co-authored student chapter; A thoroughly revised assessment chapter; A revised chapter on bilingual special education.

SYSTEMATIC INSTRUCTION IN READING FOR SPANISH-SPEAKING STUDENTS Elva Duran, 2013-04-01. Students whose first language is not English are the fastest growing group in public schools in all regions of the United States. Almost 10 million children between the ages of five and 17 live in the homes and communities in which a language other than English is spoken and presently most schools in the U.S. are under educating many English learners. The achievement of Hispanic students needs to improve dramatically over the next five years and this book describes the cornerstone elements for bringing about this change. The initial chapter introduces direct instruction to be used with reading and literacy programs. Chapters 2 and 3 provide excellent review of the literature in language development and address developing language instruction, listening and speaking with Spanish speaking students and offers what a

comprehensive language development program should look like Chapter 4 reviews academic language and literacy instruction while the next addresses the components of instruction in Spanish Chapter 6 offers lesson plan suggestions for Spanish speaking students while the following two sections discuss components that transfer and do not transfer in Spanish to English reading instruction Chapter 9 reviews English language development and provides lesson plans for implementing SDAIE programs Finally Chapter 10 discusses two way bilingual immersion and shares actual classroom schedules and lessons This unique text will help in the preparation of primary grade teachers throughout the U S so that they may be successful with Hispanic students entering the public schools with little or no English background It will also be a useful tool for school districts staff development in addressing school improvement goals for increasing the achievement of Hispanic students
