Harry Alan Towers Dave Mann, 2014-11-03 Harry Alan Towers reputation rests upon a corpus of 95 low budget productions shot post haste in every corner of the globe He took an integral part however in the development of the protocols that now underpin much transnational film production and he must be regarded as a pioneer Towers slash and burn strategy focused on parasitic back to back productions funded by rights bundles that were pre sold globally This strategy was substantially derived from his early days in broadcasting wherein he acted as a go between in the

American and the British Commonwealth markets Though he became adept at procuring funds from pariah regimes and black market economies primarily he continued to act as a broker bringing together American equity investment and European finance under the auspices of EC co production agreements He was also quick to exploit the burgeoning niche markets becoming available in the wake of technological developments and government initiatives **The Detective Show Directory** Russel Alden Arlotta,2021-12-12 The Detective Show Directory includes an extensive list of many of the world s detective shows consisting of over one hundred shows In addition to the directory there is an interactive detective show directory chart for the reader to mark the watching completion status of each show featured in the directory The interactive chart also allows the reader to grade and comment on each show I made the Detective Show Directory to create an enjoyable interactive and reflective experience to the detective show genre and I look forward to using the directory *The BFI Companion to Crime* Phil Hardy,1997-01-01 Robbers gangsters murderers and criminals of every description have long been a staple of popular entertainment Movies are no exception and film buffs and scholars alike now have a complete guide to the vast array of films that make up the fascinating world of crime cinema The BFI Companion to Crime offers detailed information on the sub genres and motifs of movies dealing with criminals and their behavior prison dramas heist stories kidnappings the exploits of serial killers juvenile delinquents and hired guns Phil Hardy also includes articles on the historical and social background of crime movies The Mafia the Japanese yakuza the FBI and the underworld of union rackets prostitution and drugs are some of the topics covered Fictional characters such as Sherlock Holmes Inspector Maigret Philip Marlow and Pretty Boy Floyd appear in these pages along with the literary sources of many crime films The works of Graham Greene Dashiell Hammett Mickey Spillane and Eric Ambler are among those featured Abundantly illustrated with more than 500 photographs this is the book for film enthusiasts and anyone interested in the crime genre **Sherlock Holmes.** **Inglese** Daniele Della Rocca,2022-12-20 Una guida al celebre personaggio illustrata con numerose fotografie e poster Il libro comprende cast trame e commenti di film adattamenti teatrali romanzi e fumetti in un arco di oltre 130 anni An a z guide to the famous detective illustrated with numerous photographs and posters The book includes cast storylines and film comments theatrical adaptations novels and comics in over 100 years [The MX Book of New Sherlock Holmes Stories - Part IX](#) David Marcum,2018-04-17 Part IX 2018 Annual 1879 1895 features contributions by Deanna Baran Roger Riccard David Marcum Tracy Revels S R Bennett Nick Cardillo Robert Stapleton Kevin Thornton Leslie Charteris and Denis Green Shane Simmons James Moffett C H Dye Stephan Gaspar Marcia Wilson Sonia Featherstone Geri Schear David Friend Mark Mower and a poem by Amy Thomas and Forewords in both volumes by Nicholas Meyer Roger Johnson and David Marcum Once again the adventures of Sherlock Holmes and Dr Watson continue in this acclaimed anthology series with thirty seven new tales presented in two companion volumes more Holmes than could fit into one book In 2015 The MX Book of New Sherlock Holmes Stories was first published a huge three book set featuring over sixty new traditional Holmes exploits all set

The Critical Reception of Sir Arthur Conan Doyle Laurence W. Mazzeno, 2023 Examines both academic and popular assessments of Conan Doyle s work giving pride of place to the Holmes stories and their adaptations and also attending to the wide range of his published work Twenty first century readers television viewers and moviegoers know Arthur Conan Doyle as the creator of Sherlock Holmes the world s most recognizable fictional detective Holmes s enduring popularity has kept Conan Doyle in the public eye However Holmes has taken on a life of his own generating a steady stream of critical commentary while Conan Doyle s other works are slighted or ignored Yet the Holmes stories make up only a small portion of Conan Doyle s published work which includes mainstream and historical fiction history drama medical spiritualist and political tracts and even essays on photography When Doyle published whatever the subject his contemporaries took note Yet outside of the fiction featuring Sherlock Holmes until recently relatively little has been done to analyze the reception Conan Doyle s work received during his lifetime and since his death This book examines both academic and popular assessments of Conan Doyle s work giving pride of place to the Holmes stories and their many adaptations for print visual and online media but attending to his other contributions to turn of the twentieth century culture as well The availability of periodicals and newspapers online makes it possible to develop an assessment of Conan Doyle s and Sherlock Holmes s reputation among a wider readership and viewership thus allowing for development of a broader and more accurate portrait of Doyle s place in literary and cultural history

W. Hornung,2014-06-27 Gentleman thief Raffles is daring debonair devilishly handsome and a first rate cricketer In these stories the master burglar indulges his passion for cricket and crime stealing jewels from a country house outwitting the law

pilfering from the nouveau riche and of course bowling like a demon all with the assistance of his plucky sidekick Bunny Encouraged by his brother in law Arthur Conan Doyle to write a series about a public school villain and influenced by his own experiences at Uppingham E W Hornung created a unique form of crime story where in stealing as in sport it is playing the game that counts and there is always honor among thieves The Complete Story All four books in one volume *Sherlock Holmes: the Basil Rathbone Years & Other Films* Scott Palmer, 2015-06-29 For more than 100 years the character of Sherlock Holmes has appeared in scores of films as well as in a number of television series For many people the films made between 1939 and 1946 starring Basil Rathbone as Holmes with Nigel Bruce as his companion Dr Watson remain the most popular My own introduction to these films began as a small boy viewing them on television with my father who had himself seen them all as a boy or very young adult Rathbone's portrayal of Holmes seems to me the most accurate in the regard of following the way Sir Arthur Conan Doyle wrote the character and each of the fourteen films he made playing Holmes have many charming characters and great dialogue Most of the stories have some elements of Doyle's written works even the updating where Holmes fights the Nazis for example is still great entertainment Although there are a number of Sherlock Holmes film books there has never been one devoted to the Rathbone series in detail In this book you will find complete cast lists for each film along with a story synopsis and photographs There have been so many other film and TV adaptations of Sherlock Holmes adventures that I feel it necessary to include a number of others as well even though the emphasis of the book is still on the Rathbone series I have included several films from the thirties i e four films starring Arthur Wontner as Holmes The 1932 film *The Missing Rembrandt* appears to be a lost film and also the 1931 Raymond Massey *The Speckled Band* along with the 1932 *Sherlock Holmes* with Clive Brook and the 1933 film *A Study in Scarlet* starring Reginald Owen Following the Rathbone films a number of other actors have played Holmes most notably Peter Cushing in the 1959 film *Hound of the Baskervilles* and a 1968 TV series I have included one film each from the 1954-55 series starring Ronald Howard one from the 1968 Cushing series and one from the series starring Jeremy Brett Other notable films include The 1965 *A Study in Terror* and the 1979 *Murder By Decree* both pitting Holmes against Jack the Ripper I have included five or six others at random starring actors like Stewart Granger Ian Richardson Charlton Heston Roger Moore and Christopher Lee There is also a section at the back with a photo from films made beginning in 1899
