**Doing History** Linda S. Levstik,Keith C. Barton,2022-09-06 Now in its sixth edition Doing History offers a unique perspective on teaching and learning history in the elementary and middle grades Through case studies of teachers and students in diverse classrooms and from diverse backgrounds it shows children engaging in authentic historical investigations often in the context of an integrated social studies curriculum The book is grounded in the view that children can engage in valid forms of historical inquiry asking questions collecting and analyzing evidence examining the varied perspectives and experiences of people in the past and creating evidence based historical accounts and interpretations Grounded in contemporary sociocultural theory and research the text features vignettes in each chapter showing communities of teachers and students doing history in environments rich in literature art writing and discussion The authors explain how these classrooms reflect contemporary principles of teaching and learning and thus the descriptions not only provide specific examples of successful activities but also place them in a context that allows teachers to adapt and apply them in a wide range of settings Doing History emphasizes diversity in two ways Readers encounter students from a variety of backgrounds and see how their diverse experiences can form the foundation for learning and they also see examples of how teachers can engage students with diverse experiences and perspectives in the past including those that led to conflict and oppression The book also discusses principles for working with English learners and newcomers and it provides guidance in using multiple forms of assessment to evaluate the specifically historical aspects of children s learning Updates to this edition include updated historical and instructional examples to ensure currency new suggestions for children s literature to support good teaching expanded attention to teaching about oppressed groups in history and greater attention to when historical perspective taking is and is not appropriate

Home Learning Year by Year, Revised and Updated Rebecca Rupp,2020-01-21 A comprehensive guide to designing homeschool curriculum from one of the country s foremost homeschooling experts now revised and updated Homeschooling can be a tremendous gift to your children a personalized

educational experience tailored to each kid's interests, abilities, and learning styles. But what to teach and when and how? Especially for first-time homeschoolers, the prospect of tackling an annual curriculum can be daunting. In *Home Learning Year by Year*, Rebecca Rupp presents comprehensive plans from preschool through high school covering integral subjects for each grade with lists of topics commonly presented at each level, recommended resource and reading lists, and suggestions for creative alternative options and approaches. Included along with all the educational basics are techniques and resources for teaching everything from philosophy to engineering as well as suggestions for dealing with such sensitive topics as sex education. Now revised throughout with all new updates featuring the most effective and up-to-date methods and reading guides to homeschool your child at all ages, *Home Learning Year by Year* continues to be the definitive book for the homeschooling parent.

*The Heart of Wisdom Teaching Approach* Robin Sampson, 2005-04 Details the Bible-based homeschool teaching approach for parents and discusses Christian education, learning styles, unit studies, Bible study, and more.

*Books to Build On* E.D. Hirsch, Jr., 2009-10-14 The invaluable grade-by-grade guide, kindergarten through sixth, is designed to help parents and teachers select some of the best books for children. *Books to Build On* recommends for kindergartners lively collections of poetry and stories such as *The Children's Aesop* and imaginative alphabet books such as Bill Martin Jr.'s *Chicka Chicka Boom Boom* and Lucy Micklewait's *I Spy An Alphabet in Art* for first graders, fine books on the fine arts such as Ann Hayes's *Meet the Orchestra*, the hands-on guide *My First Music Book*, and the thought-provoking *Come Look with Me* series of art books for children. For second graders, books that open doors to world cultures and history such as Leonard Everett Fisher's *The Great Wall of China* and Marcia Williams's humorous *Greek Myths for Young Children* for third graders, books that bring to life the wonders of ancient Rome such as *Living in Ancient Rome* and fascinating books about astronomy such as Seymour Simon's *Our Solar System* for fourth graders, engaging books on history including Jean Fritz's *Shh We're Writing the Constitution* and many books on Africa including the stunningly illustrated story of Sundiata, Lion King of Mali for fifth graders, a version of Shakespeare's *A Midsummer Night's Dream* that retains much of the original language but condenses the play for reading or performance by young students, and Michael McCurdy's *Escape from Slavery: The Boyhood of Frederick Douglass* for sixth graders, an eloquent retelling of the *Iliad* and the *Odyssey*, and the well-written American history series *A History of US* and many, many more.

**Teaching Economic Concepts with Picture Books and Junior Novels** Nancy J. Polette, 2013-08-29 Using quality literature to introduce younger students to economic terms and concepts is an engaging and effective teaching method. This book demonstrates how. At what age can children benefit from learning about economics? The consensus among educators today is the earlier the better. K-8 teachers and librarians will find this book invaluable for introducing basic economic concepts to students and giving them a solid foundation of understanding that can be built upon as they advance in grade level. Author Nancy Polette, prolific author and expert on using picture books for education, explains how to use 20 picture books to present basic ideas such as credit, wants and needs, and supply and

demand and to build understanding of more complex concepts with 20 junior novels The titles and suggested activities enable students to enjoy the literary experience and benefit from economic lessons that sink in because they are presented through stories involving characters with whom children can relate      Cooking Up U.S. History Suzanne I. Barchers, Patricia Marden, 1999-04-15 The second edition of this popular book contains loads of recipes readings and resources Students will delight in preparing their own porridge and pudding making candles soap and ink or trying out the pioneers recipe for sourdough biscuits as they explore different periods in U S history An ideal supplement for social studies classes and homeschoolers      *Library of Congress Law Library: An Illustrated Guide* Jolande E. Goldberg, 2005      **Elementary Social Studies** S.G. Grant, Bruce A. VanSledright, 2014-03-14 Organized around four commonplaces of education learners and learning subject matter teachers and teaching and classroom environment Elementary Social Studies provides a rich and ambitious framework to help social studies teachers achieve powerful teaching and learning results By blending the theoretical and the practical the authors deeply probe the basic elements of quality instruction planning implementation and assessment always with the goal of creating and supporting students who are motivated engaged and thoughtful Book features and updates to the third edition include New chapter on classroom assessment that outlines and compares existing assessment strategies contextualizes them within the framework of state standards and articulates a constructivist approach that moves away from traditional high stakes testing towards more meaningful ways of evaluating student learning New chapter that highlights and explains key elements of the Common Core State Standards for English Language Arts and shows how the incorporation of critical ELA instruction into the social studies curriculum can foster more ambitious teaching and learning Real classroom narratives that introduce each chapter and provide in depth access to teaching and learning contexts Practical curriculum and resource suggestions for the social studies classroom End of chapter summaries and annotated teaching resources      **American History Math** Jacqueline B. Glasthal, 1996 American History topics such as Colonial America the Pilgrims Paul Revere s ride are the springboards for math problems including estimation measurement activities and more For use with Grades 4 8
