Shield And Sword:

Shield of Stars Hilari Bell, 2009-09-29 Weasel fumbled the cloth aside It was a shield steel plate over dark wood with rotting leather straps It looked old and battered and real A former pickpocket Weasel is the type of boy most people would avoid Certainly no one would ever trust him except for one man Justice Holis took Weasel off the streets gave him a home a job as his clerk and a key to his house Weasel s new life may be a bit boring but for the first time someone actually cares about him Now Justice Holis is the one in trouble Arrested for treason he will surely hang unless someone saves him and that someone can only be Weasel But what can one boy do Not much without help So with a mysterious girl named Arisa by his side Weasel goes in search of the Falcon the most dangerous bandit in Deorthas but also the one person who would be able and possibly willing to stage a prison break But Weasel s fate changes when he stumbles upon a shield Could this be the one said to have been lost for centuries the one that bestows power on whoever holds it If so Weasel once a lowly pickpocket could be the most powerful person in the land With extraordinary craftsmanship Hilari Bell weaves a fantasy adventure story that will have readers captivated from the first word to the last

The Sword and the Shield Peniel E. Joseph, 2020-03-31 This landmark Ibram X Kendi New York Times bestselling author of *How to Be an Antiracist* dual biography of Malcolm X and Martin Luther King transforms our understanding of the twentieth century s most iconic African American leaders To most Americans Malcolm X and Martin Luther King Jr represent contrasting ideals self defense versus nonviolence Black Power versus civil rights the sword versus the shield The struggle for Black freedom is wrought with the same contrasts While nonviolent direct action is remembered as an unassailable part of American democracy the movement s militancy is either vilified or erased outright In *The Sword and the Shield* Peniel E Joseph upends these misconceptions and reveals a nuanced portrait of two men who despite markedly different backgrounds inspired and pushed each other throughout their adult lives Now updated with a new afterword this is a strikingly revisionist account of Malcolm and Martin the era they defined and their lasting impact on today s Movement for Black Lives
