Shiism And Social Protest

R. Jahanbegloo

Shiism And Social Protest:

Shi'ism and Social Protest Juan Ricardo Cole, Nikki R. Keddie, 1986-01-01 This timely and important book presents the first overview of Shi i political activism in the countries where it has been most significant from Iran and Lebanon to Saudi Arabia and Egypt The contributors present up to date information on the factors involved in Shi ism s recent movement away from quietism and toward an active involvement in politics They also discuss how Shi i political activism will affect the struggle in and for Lebanon the Iran Iraq war Soviet attitudes toward Afghanistan and Iran and U S policies toward the Middle East

Shi'ism and Social Protest Juan Ricardo Cole, Nikki R. Keddie, 1986 This timely and important book presents the first overview of Shi i political activism in the countries where it has been most significant from Iran and Lebanon to Saudi Arabia and Egypt The contributors present up to date information on the factors involved in Shi ism s recent movement away from quietism and toward an active involvement in politics They also discuss how Shi i political activism will affect the struggle in and for Lebanon the Iran Iraq war Soviet attitudes toward Afghanistan and Iran and U S policies toward the Middle East

Militancy and Political Violence in Shiism Assaf Moghadam, 2011-07-21 This book is the first systematic assessment of current trends and patterns of militancy in Shii communities in the Middle East and South Asia specifically in Iran Iraq but also in Lebanon Saudi Arabia Pakistan Afghanistan Kuwait and Bahrain It addresses two key questions What trends emerge in the types of militancy Shii actors employ both inside and outside of the Shii heartland And what are the main drivers of militancy in the Shii community

Shi'ism Heinz Halm, 2004 Heinz Halm s work presents a thorough discussion of the history theology and current state of this branch of Islam Newly revised Shi ism includes updated information on the fate of the Shi ite revolution in Iran as well as a new chapter on Iraq Halm explores how Shi ism differs from the rest of Islam discussing the prominence of its authorities the Imams as well as its legal system practices of worship places of pilgrimages and a religious ethos characterized by a fervor to suffer for the cause

Sacred Schisms James R. Lewis, Sarah M. Lewis, 2009-05-14 Schism from the Greek to split refers to a group that breaks away from another usually larger organisation and forms a new organisation Though the term is typically confined to religious schisms it can be extended to other kinds of breakaway groups Because schisms emerge out of controversies the term has negative connotations Though they are an important component of many analyses schisms in general have not been subjected to systematic analysis This volume provides the first book length study of religious schisms as a general phenomenon Some chapters examine specific case studies while others provide surveys of the history of schisms within larger religious traditions such as Islam and Buddhism Other chapters are more theoretically focused Examples are drawn from a wide variety of different traditions and geographical areas from early Mediterranean Christianity to modern Japanese New Religions and from the Jehovah s Witnesses to Neo Pagans

Mobilizing the Faithful Stefan Malthaner, 2011-05-09 One of the keys to dealing with militant Islamic groups is understanding how they work with relate to and motivate their

constituencies Mobilizing the Faithful offers a pair of detailed case studies of the Egyptian groups al Jamaa al Islamiyya and al Jihad and Lebanon's Hizbullah to identify typical forms of support relationships development patterns and dynamics of both radicalization and restraint The insights it offers into the crucial relationship between militants and the communities from which they arise are widely applicable to violent insurgencies not only in the Middle East but around the world The Shi'is of Iraq Yitzhak Nakash,2018-06-26 The Shi is of Iraq provides a comprehensive history of Iraq's majority group and its turbulent relations with the ruling Sunni minority Yitzhak Nakash challenges the widely held belief that Shi'i society and politics in Iraq are a reflection of Iranian Shi'ism pointing to the strong Arab attributes of Iraqi Shi'ism He contends that behind the power struggle in Iraq between Arab Sunnis and Shi'is there exist two sectarian groups that are quite similar The tension fueling the sectarian problem between Sunnis and Shi'is is political rather than ethnic or cultural and it reflects the competition of the two groups over the right to rule and to define the meaning of nationalism in Iraq A new introduction brings this book into the new century and illuminates the role that Shi'is could play in postwar Iraq **Twelver Shiism** Andrew J. Newman,2013-11-20 Charts the history and development of Twelver Shi'ism As many as 40 different Shi'i groups existed in the 9th and 10th centuries only 3 forms remain Why is Twelver Shi'ism one of them As the established faith in modern Iran the majority faith in Iraq and areas in the Gulf and with its adherents forming sizeable minorities elsewhere in the region it is arguably the most successful branch of Shi'ism Andrew Newman charts the history Twelver Shi'ism uncovering the development of the key distinctive doctrines and practices which ensured its survival in the face of repeated challenges He argues that the key to the faith's endurance has been its ability to institutionalise responses to the changing often localised circumstances in which the community has found itself thereby remaining remarkably resilient in the face of both internal disagreements and external opposition Roots of North Indian Shi'ism in Iran and Iraq: Religion and State in Awadh, 1722-1859 Juan R. I. Cole,2024-11-28 In this pioneering study of the Twelver Shi'i branch of Islam prevalent in Iraq and Iran Juan R I Cole traces the influence of Shi'i rule on the development of religious communalism and conflict in the north Indian State of Awadh Oudh as well as the relationship of the Shi'i clergy to the state and the clerical reaction to British imperialism and capitalism Based on research in rare manuscripts and in archives the book reveals that the Shi'i clergy advocated policies that caused resentment among Sunnis and Hindus thereby promoting religious communalism and setting the stage for modern communal conflict The Shi'i learned men took government posts in support of Awadh's Shi'i nawabs and shahs Awadh state support in turn helped transform Shiism from a persecuted sect to a dominant if still minority religious establishment Sociologically the book draws attention to the specific role of the state in defining sect and church It also argues the importance of class divisions within the Shi'i community showing that the dominant clerical ideology was often not accepted by the laboring strata Cole's study supports the view that Muslim communalism in northern India had genuine historical roots and was not simply an elite strategy of modern Muslim politicians Contrary to the arguments of some

writers and to the image projected by Iran's current ayatollahs he argues that most Shi'i clergy did not play a role of opposition to the state in premodern societies *The Islamic Republic and the World* Maryam Panah, 2007-09-20 Iran is now in the eye of the storm As events in Iraq deteriorate a US invasion of Iran looms as a real threat This book provides a detailed analysis of Iran's recent history and in particular how the country has been shaped by the 1979 revolution It is often forgotten that modern Iran is a revolutionary republic that arose out of the overthrow of the old secular and very pro western regime Since the revolution this has been replaced by an Islamic State Maryam Panah explores the Iranian revolution in its international context and examines the different forces at play within the country and how these conflicting political interests continue to mould the country today and shape its external relations *Gender Justice, Development, and Rights* Maxine Molyneux, Shahra Razavi, 2002-11-07 Recent years have seen a shift in the international development agenda in the direction of a greater emphasis on rights and democracy While this has brought many positive changes in women's rights and political representation in much of the world these advances were not matched by increases in social justice Rising income inequalities coupled with widespread poverty in many countries have been accompanied by record levels of crime and violence Meanwhile the global shift in the consensus over the role of the state in welfare provision has in many contexts entailed the down sizing of public services and the re allocation of service delivery to commercial interests charitable groups NGOs and households *Gender Justice Development and Rights* reflects on this ambivalent record and on the significance accorded in international development policy to rights and democracy in the post Cold War era Key items on the contemporary policy agenda neo liberal economic and social policies democracy and multiculturalism are addressed here by leading scholars and regional specialists through theoretical reflections and detailed case studies Together they constitute a collection which casts contemporary liberalism in a distinctive light by applying a gender perspective to the analysis of political and policy processes Case studies from Latin America sub Saharan Africa Middle East East Central Europe South and South east Asia contribute a cross cultural dimension to the analysis of contemporary liberalism the dominant value system in the modern world and how it exists and is resisted in developing and post transition societies **The Failure of Political Islam** Olivier Roy, 1994 For many Westerners ours seems to be the era of the Islamic threat with radical Muslims everywhere on the rise and on the march remaking societies and altering the landscape of contemporary politics In a powerful corrective to this view the French political philosopher Olivier Roy presents an entirely different verdict political Islam is a failure Even if Islamic fundamentalists take power in countries like Algeria they will be unable to reshape economics and politics and in the name of Islamic universalism will express no more than nationalism or an even narrower agenda Despite all the rhetoric about an Islamic way an Islamic economy and an Islamic state the realities of the Muslim world remain essentially unchanged **Fundamentalisms Observed** American Academy of Arts and Sciences, 1994-07 The Fundamentalism Project vol 1 **Hizbu'llah** Amal Saad-Ghorayeb, 2001-01-12 Hizbu'llah is the largest and most prominent

political party in Lebanon and one of the most renowned Islamist movements in the world In this book Amal Saad Ghorayeb examines the organisation's understanding of jihad and how this together with its belief in martyrdom brought about the withdrawal of Israeli occupation forces from Lebanon in May 2000 Saad Ghorayeb explores the nature of the party's struggle against the West by studying its views on the use of violence against Westerners Crucially she also addresses the question of whether Hizbullah depicts this struggle in purely political or civilisational terms The existential nature of the movement's conflict with Israel is analysed and the Islamic roots of its anti Judaism is unearthed The author explores the mechanics and rationale behind the party's integration into the Lebanese political system and sheds light on how it has reconciled its national identity with its solidarity with the Muslim umma

Shi'i Sectarianism in the Middle East Elisheva

Machlis, 2014-09-17 The eruption of violent sectarianism in Iraq following the US invasion in 2003 brought the question of Sunni Shi'i relations in the country to the forefront of the international public agenda It also strengthened the popular belief that contemporary Shi'ism is inherently sectarian Yet several decades earlier Ayatollah Khomeini had declared an Islamic revolution and downplayed its Shi'i origins and links So what is the true orientation of Shi'i Islam in the contemporary era and how did modernisation alter its sectarian affiliation This book contends that early Shi'i reformist thought set the foundations for a more universal oriented Shi'ism Prominent reformists in the first half of the twentieth century from the holy cities of Karbala and Najaf in Iraq and from the Shi'i centres in Southern Lebanon played a significant role in the renewal of Shi'ism and laid the groundwork for its reinvention in the modern era Exploring this shift towards a more ecumenical perception of Islam Elisheva Machlis here provides a fresh perspective on inter sectarian relations in contemporary Iraq and illuminates the intellectual roots of the Islamic revolution by examining networks of Shi'i scholars such as Muhammad usayn K shif al Ghi and Muhammad al Am n al mil operating within a more globalised Muslim world Drawing on the experiences of early Shi'i reformists such as Abd al usayn Sharaf al Din al M saw in Lebanon and Muhammad Jaw d Mughniyya in Damascus this book gives new insight on the future of inter Muslim relations at a time of growing inter sectarian contention from the Iran Iraq war to the post 2003 Sunni Shi'i conflict in Iraq and al Qaeda's anti Shi'i message taking into account questions of theology historiography jurisprudence and politics which all played a vital role in the transition to the contemporary era The author here analyses the broad scholarly connections between Iran Iraq and Lebanon in the twentieth century while debating paramount questions of leadership identity and group membership in the development of modern Shi'ism Examining the relationship between intellectual thought and socio political development in the region this book provides a new perspective concerning the future of an increasingly globalised Muslim world and will prove essential reading for students and specialists

Beyond Sovietology Susan Gross Solomon, 2019-07-03 This volume a product of the Soviet Domestic Politics workshop sponsored by the Social Science Research Council marks an end and a new beginning The end of course is that of Sovietology now permanently overtaken by events The beginning encompasses not only a radical multiplication of subjects for analysis

the post Soviet states but also the arrival of a new generation of scholars entering the field at its turning point As the essays in this collection demonstrate they bring fresh contemporary social scientific questions and methods to an unprecedentedly accessible universe of diverse social groups and societies once subsumed under the Soviet rubric Their work enriches not only post Soviet studies but the entire range of comparativist work in the social sciences Among the authors included here are Jane Dawson Ellen Hamilton Joel Hellman Mark Saroyan Joseph Schull and Michael Smith **Democracy in Iran R.**

Jahanbegloo,2013-04-17 Democratic government is something that has eluded Iran despite a series of non violent revolutions aimed at establishing a system of governance that would promote both public freedom and political accountability This explores the obstacles to the growth of democracy in Iran and posits a plan for non violent action to help Iranians achieve it

So History Doesn't Forget: Abdulrhman A. Hussein,2012-01-25 This book illustrates that the perception of an external threat to the security of Saudi Arabia s national interests is the major factor behind Saudi external alliances Given its limited national capabilities the existence of expansionist and revolutionary regimes in the Arabian Persian Gulf and the nature of Middle East politics the Kingdom of Saudi Arabia has little choice but to adopt a balance of power policy by building alliances with regional and great powers Although there exists some studies concerned with the foreign policy of the Kingdom of Saudi Arabia this is the first comprehensive study that analyzes Saudi foreign policy from an alliance behavior perspective

Hezbollah: The Story of the Party of God E. Azani,2011-02-14 The book examines the Hezbollah movement from a multidisciplinary comprehensive historical and systematic perspective to explain how it has evolved since its inception in the early 1980s to the present *Iran-Saudi Arabia Relations and Regional Order* Shahram Chubin,Charles Tripp,2014-09-25

Both countries will have strong incentives to test the artificial balance established by the US and from which they are excluded Each state in the face of continued embargoes may find the lure of weapons of mass destruction correspondingly increased

Right here, we have countless books **Shiism And Social Protest** and collections to check out. We additionally offer variant types and furthermore type of the books to browse. The okay book, fiction, history, novel, scientific research, as competently as various further sorts of books are readily friendly here.
