## Shining Souls:

**The Soul of Chanukah** Rabbi Shlomo Katz, 2013 When the lowest person in the world was a child he was dreaming about being the holiest most glorious person in the world But something happened Someone destroyed his dreams and he gave up on the world It is so easy to lose our dreams Why Because nobody really encourages them If someone can bring me back to the dreams I once had he is my best friend in the world This is what Chanukah does This is why Chanukah is the greatest deepest holiday in the world On Chanukah God gives us back our dreams In this volume the unique teachings and insights of Rabbi Shlomo Carlebach are shared with a depth and relevance that is rarely appreciated Eight days of

fascinating and important ideas a lifetime of inspiration and connection **The Dawning Moon of the Mind** Susan Brind Morrow, 2024-06-04 With the skill of a scholar and the sensibility of a poet Susan Morrow opens the language of hieroglyphs Elaine Pagels New York Times bestselling author of The Gnostic Gospels Buried in the Egyptian desert some four thousand years ago the Pyramid Texts are among the world's oldest poetry Yet ever since the discovery of these hieroglyphs in 1881 they have been misconstrued by Western Egyptologists as a garbled collection of primitive myths and incantations relegating to obscurity their radiant fusion of philosophy scientific inquiry and religion Now in a seminal work the classicist and linguist Susan Brind Morrow has recast the Pyramid Texts as a coherent work of art arguing that they should be recognized as a formative event in the evolution of human thought In The Dawning Moon of the Mind she explains how to read hieroglyphs contextualizes their evocative imagery and interprets the entire poem The result is a magisterial religious and philosophical text revealing a profound consciousness of the world with astonishing parallels to Judeo Christian culture Buddhism and Tantra More than twenty years in the making The Dawning Moon of the Mind is a monumental achievement that locates one of the origins of poetic thought in Western culture Almost before science art and written language these texts set forth the relationship between time and eternity life and death history and ideas In The Dawning Moon of the Mind they emerge in their original luminosity and intelligence alongside a persuasive argument for their central importance to the history of language Explode the old myths of the Pyramid Texts revealing a cascade of new and hitherto unknown truths about the wisdom of the Egyptian ancients Simon Winchester New York Times bestselling author **Soul Saving** John Lincoln
