## Shining Stars:

**Modern Girls, Shining Stars, the Skies of Tokyo** Phyllis Birnbaum, 1999-03-08 The stunning biographical portraits in *Modern Girls Shining Stars the Skies of Tokyo* some adapted from essays that first appeared in *The New Yorker* explore the lives of five women who did their best to stand up and cause more trouble than was considered proper in Japanese society. Their lives stretch across a century and a half of explosive cultural and political transformations in Japan. These five artists—two actresses, two writers, and a painter—were noted for their talents, their beauty, and their love affairs rather than for any association with politics. But through the fearlessness of their art and their private lives, they influenced the attitudes of their times and challenged the status quo. Phyllis Birnbaum presents her subjects from various perspectives, allowing them to shine forth in all of their contradictory brilliance: generous and petulant, daring and timid, prudent and foolish. There is Matsui Sumako, the actress who introduced Ibsen's *Nora* and Wilde's *Salome* to Japanese audiences but is best remembered for her ambition, obstreperous temperament, and turbulent love life. We also meet Takamura Chieko, a promising but ultimately disappointed modernist painter whose descent into mental illness was immortalized in poetry by a husband who may well have been the source of her troubles. In a startling act of rebellion, the sensitive aristocratic poet Yanagiwara Byakuren left her crude and powerful husband, eloped with her revolutionary lover, and published her request for a divorce in the newspapers. Uno Chiyo was a popular novelist who preferred to be remembered for the romantic wars she fought. Willful, shrewd, and ambitious, Uno struggled for sexual liberation and literary merit. Birnbaum concludes by exploring the life and career of Takamine Hideko, a Japanese film star who portrayed wholesome working-class heroines in hundreds of films, working with such directors as Naruse, Kinoshita, Ozu, and Kurosawa. Angry about a childhood spent working to provide for greedy relatives, Takamine nevertheless made peace with her troubled past and was rewarded for years of hard work with a brilliant career. Drawing on fictional accounts, interviews, memoirs, newspaper reports, and the creative works of her subjects, Birnbaum has created vivid, seamless narrative portraits of these five remarkable women. **My Bright Shining Star**

Fatima Whitbread, 2024-10-29 *My Bright Shining Star* is the powerful story of a young girl growing up in care and searching for her forever family. Authored by Olympic medal winner Fatima Whitbread and based on her own childhood in foster care, this heartwarming story explores how the love and kindness of one extra special carer made all the difference for Little Fatima. **TANGO OF LIFE** Thaddeus Hutyrá, 2014-07-24 *Echoes of Love* Must I be Shakespeare to express our pure love, one which was definitely greater than life, our elixir, our magnum opus, transcendental and everlasting. We had it so good, enjoying each other seductively, best friends and lovers, or frivolous lovers and friends, difficult to say what was first or rather both at once. Our love was the Sun splashing us most brightly, and the shimmering stars at fully luminescent nights sending us ethereal kisses of genuine love incessantly. Our love were beautiful people smiling at us warmly, wishing us all the goodwills there are in the world, and we ourselves fully united in each other as one. Everything was in place rightfully, and

blissfully godly flawless rivers of honey seas of boundless beauty biodiversity serving us as we doing our best for her But when you went unexpectedly one day away with no goodbye at all not even a word of farewell it was the end of the world for me Hamlet alike Stars crashed down on Earth the next moonless night and I was swept fast away by raging tides of the sea a castaway on the ocean in its full and ghostly storm I was myself a vulnerable bottle with a message inside saying I love you till the end of the world and beyond the bottle filled with the tears of my despair your lover And the scintillating echoes spread across the world like the Brazilian tango on the Copacabana beach just a walking distance from charming Rio de Janeiro The echoes and echoes and echoes and echoes like the Argentinian tango in elegant Buenos Aires like the sparkling Parisian tango of truthful lovers The echoes of tangoes tinkling hissing and ringing whistling buzzing rattling whizzing jingling like bells gorgeously dynamic on the streets and in ballrooms The echoes never ending in the breezes of winds blowing ecstatically across vast lands and continents and under the rhythmic and pulsating symphonic skies One had impression one saw mysterious Amazons on wild galloping horses with manes like wings seeming to fly in the air but these were just echoes Echoes of love passion desires and ethereal dreams but above all of the thundering iridescent tangoes the tangoes of love dreams which came true of life The rhapsodic tangoes in every corner of this world Oh long live love long live tangoes of love May dazzling echoes spread you across the world Love yourselves to your best dear amaranthine lovers spread your sensual love to every single individual This world must become a planet of love now Dance in the various tangoes whirling tangoes Not only Argentinian tangoes but also salon tangoes English tangoes NeoTango all the tangoes there are Forget the sorrows of daily life the ups and the downs Give in into the rhythms of hilarious music and dance and you shall see your loved one is back in your arms Oh play us angels music of Chopin and Mozart play to the echoes of love
