*The Garland Encyclopedia of World Music* Ellen Koskoff, 2017-09-25 This volume makes available the full range of the American Canadian musical experience covering for the first time in print all major regions ethnic groups and traditional and popular contexts From musical comedy to world beat from the songs of the Arctic to rap and house music from Hispanic Texas to the Chinese communities of Vancouver the coverage captures the rich diversity and continuities of the vibrant music we hear around us Special attention is paid to
