It will help you achieve any goal. Conversely, a negative attitude will result in negative behavior which affects your ability to even set goals. If you can't set goals, there's no way you can achieve them. In this guide to thinking in a positive way, you'll learn how to avoid procrastinating for the wrong reasons, recognize the importance of rewarding yourself with free time, take baby steps toward living a more positive life, and stop worrying about things you can't control. As hard as it may seem, it's possible to eliminate negative thinking from your life and replace it with positive thoughts. Small changes in your daily life won't just improve your life; they will also improve the lives of those around you. Start reaping the rewards of tackling each day with a smile by following the guidance in *Positive Thinking for Beginners*. *Jesus Has Left the Building* Peter Keese,2014-09-25 Contrary to what many church people, particularly church professionals, say, God does not dwell in church, and church doesn't have the franchise on good news. Instead, author Peter Keese proposes the optimistic view that good news is much larger and more all-encompassing than any church can contain or convey, and that good news is everywhere to be found and experienced. In this imaginary dialogue between a traditionalist and his protagonist for a god in the world perspective, Keese's sermons illustrate his conviction that God is out there inviting us to join in and enjoy the riches of God's life and work. Indeed, as Keese writes, Jesus has left the building with all its strictures and beckons us to come along where life in all its chaotic glory is to be experienced and enjoyed.
