the masterwork of Dogen 1200-1253 founder of the Soto Zen Buddhist sect in Kamakura era Japan. It is one of the most important Zen Buddhist collections composed during a period of remarkable religious diversity and experimentation. The text is complex and compelling, famed for its eloquent yet perplexing manner of expressing the core precepts of Zen teachings and practice. This book is a comprehensive introduction to this essential Zen text, offering a textual, historical, literary, and philosophical examination of Dogen's treatise. Steven Heine explores the religious and cultural context in which the Treasury was composed and provides a detailed study of the various versions of the medieval text that have been compiled over the centuries. He includes nuanced readings of Dogen's use of inventive rhetorical flourishes and the range of East Asian Buddhist textual and cultural influences that shaped the work. Heine explicates the philosophical implications of Dogen's views on contemplative experience and attaining and sustaining enlightenment, showing the depth of his distinctive understanding of spiritual awakening. Readings of Dogen's Treasury of the True Dharma Eye will give students and other readers a full understanding of this fundamental work of world religious literature.

[Zen and the Art of Insight](#) Thomas Cleary, 1999-11-16. The Prajnaparamita perfection of wisdom sutras are one of the great legacies of Mahayana Buddhism, giving eloquent expression to some of that school's central concerns: the perception of shunyata, the essential emptiness of all phenomena, and the ideal of the bodhisattva, one who postpones his or her own enlightenment in order to work for the salvation of all beings. The Prajnaparamita literature consists of a number of texts composed in Buddhist India between 100 BCE and 100 CE. Originally written in Sanskrit but surviving today mostly in their Chinese versions, the texts are concerned with the experience of profound insight that cannot be conveyed by concepts or in intellectual terms. The material remains important today in Mahayana Buddhism and Zen. Key selections from the Prajnaparamita literature are presented here along with Thomas Cleary's illuminating commentary as a means of demonstrating the intrinsic limitations of discursive thought and of pointing to the profound wisdom that lies beyond it.

Included are selections from The Scripture on Perfect Insight Awakening to Essence The Essentials of the Great Scripture on Perfect Insight Treatise on the Great Scripture on Perfect Insight The Scripture on Perfect Insight for Benevolent Rulers Key Teachings on the Great Scripture of Perfect Insight The Questions of Suvikrantavikramin **Dogen's Shobogenzo**
