Anne Sharp Wells

Shobun A Forgotten War Crime In The Pacific:

Shobun Michael J. Goodwin, 1995 The tragic story of one downed WWII American naval aircraft crew brutally beheaded to boost the morale of their captors Includes detailed accounts of war crimes trials **The Last Word: A Novel of the War in the Pacific** Ron Miner, 2022-10-27 In the year 2038 the last surviving veteran of World War II offers his final testament to a small town journalist who learns more about himself than he anticipates as he records tales of duty courage and friendship during war and of a life well loved and lived Dan Callahan doesn't know why he landed this coveted assignment or what to expect from 112 year old Owen Trimbel currently living with his daughter on a rural Minnesota farm even now beyond the reach of pervasive tech But he sensed that it might be one of those rare opportunities to capture something singular living memories from the last of a resilient resourceful and determined generation a veteran from a war and a time encased in sepia tones in the minds of a distracted public He finds his subject waning but still humored by life and surprisingly keen of mind Dan spends the next three days riveted to Owen's adventures as a young gunner with a night flying crew transported with him from New Guinea to the Mariana Islands on harrowing rescue missions to remote river outposts and long flights over endless black seas broken only by sightings of enemy ships below And finally sweet homecoming complicated by the challenges Owen faces navigating a new life of unfamiliar circumstances and some very old secrets Although fictionalized The Last Word is an amalgam of stories and characters shaped and informed by filmed interviews with ten real life squadron members who served in the Pacific during World War II and who graced the author with their time and narratives and importantly their wisdom and good friendship **Ships from Hell** Raymond Lamont-Brown, 2002-01-28 This is a new and frightening insight into Japanese atrocities in the Second World War The horrific conditions aboard hellships at sea are revealed including the torture disease and massacre which characterised them **Prisoners of War** Arnold Krammer, 2007-11-30 America's current War on Terror is causing a readjustment of centuries of POW policies Prisoners of war are once again in the news as America and Western Europe grapple with a new faceless enemy and the rules of war and the torture of POWs are open to reconsideration Until very recently there has been astonishingly little written on the subject of prisoners of war Yet to understand the present it is critical to look back over history To that end Arnold Krammer examines the fate of war prisoners from Biblical and Medieval times through the halting evolution of international law to the current reshuffling of the rules The issue of prisoners of war is of more immediate concern now than ever before and an examination of the history of their treatment and current status may well influence foreign policy The fate of war prisoners through history has been cruel and haphazard The lives of captives hung by a thread Execution enslavement torture or being held for ransom were equally likely International agreements developed haltingly through the 19th and 20th centuries to culminate in the Geneva Accords of 1929 America's current War on Terror is causing a readjustment of centuries of POW policies Prisoners of war are once again in the news as America and Western Europe grapple with a new faceless enemy and the

rules of war and the torture of POWs are open to reconsideration Until very recently there has been astonishingly little written on the subject of prisoners of war Yet to understand the present it is critical to look back over history To that end Arnold Krammer examines the fate of war prisoners from Biblical and Medieval times through the halting evolution of international law to the current reshuffling of the rules Since biblical times war captives have been considered property and counted as booty to be enslaved or killed Americans were interested in generals and weapons and battles but not the fate of prisoners of war The Second World War when 90 000 Americans fell into enemy hands began to change that Concern for our POWs in Germany and Japan and close contact with enemy camps in America began to change our attitudes However it was the Vietnam War media driven and polarizing that caused the American public to truly reevaluate the plight of its sons and brothers heroic and clearly loyal as they fell into the hands of an inscrutable and apparently unyielding distant enemy More recently during the first Gulf War of 1991 and the current War on Terrorism the issue of prisoners of war has moved to center stage involving the clash of ideologies politics and expediency Since 9 11 the rights and safety of prisoners of war caught up in the War on Terror have been debated in Congress and adjudicated on by former Attorney General Alberto Gonzales whose conclusions were protested by numerous organizations The issue of prisoners of war is of more immediate concern now than ever before and an examination of the history of their treatment and current status may well influence foreign policy

Historical Dictionary of World War II Anne Sharp Wells, 2023-12-15 World War II was the largest and most costly conflict in history the first true global war Fought on land on sea and in the air it involved numerous countries and killed maimed or displaced millions of people both civilian and military around the world In spite of the alliances that bound many of the same participants the war was essentially two separate but simultaneous conflicts one involved Japan as the major antagonist and took place mostly in Asia and the Pacific and the other initiated by Germany and Italy was contested mainly in Europe North Africa the Mediterranean and the Atlantic This book focuses on the lesser known war the war with Japan It begins with Japan's seizure of Manchuria from China in 1931 and covers Japan's ambitious attacks on Pearl Harbor and other territories ten years later the use of atomic bombs on Japan's cities and the end of the Allied occupation of Japan in 1952 Although Japan renounced war in its 1947 constitution conflict continued across Asia as former colonies fought for independence and civil war engulfed other areas *Historical Dictionary of World War II The War Against Japan* Second Edition contains a chronology an introduction and an extensive bibliography The dictionary section has more than 500 cross referenced entries on the military diplomatic political social economic and scientific aspects of the war in addition to the lives of the people who participated in and directed the war This book is an excellent resource for students researchers and anyone wanting to know more about the war against Japan during World War II

A Blue Sea of Blood Donald M. Kehn, 2009-01-15 On the morning of March 1 1942 the WWI era destroyer USS Edsall under orders to deliver some forty Army Air Force fighter crews to the beleaguered island of Java split off from the USS Whipple and the tanker Pecos and was

never seen again by Allied forces Despite the later discovery of bodies identified as Edsall crew members near a remote airfield on the coast of Celebes what happened to the ship remains a matter of mystery and perhaps deliberate obfuscation This book explores the many puzzling facets of the Edsall s disappearance in order to finally tell the full story of the fate of the vessel and her crew Based on exhaustive research of the historical record including newly deciphered Japanese documents and previously unrevealed material from the crew s family members *A Blue Sea of Blood* offers a painstaking reconstruction of the ship s history The book investigates not only the Edsall s mysterious final action but also her wide ranging pre war career and the curious uses to which her story was put generally under false pretenses first by the pre war US Navy and then by the Japanese wartime propaganda machine And finally military historian Donald Kehn considers the circumstances surrounding the curious obscurity of the Edsall s heroic service and final battle in American histories Redressing six decades of official indifference Kehn s account recovers a significant chapter missing from the history of World War II and tells a long overdue story of courage and tragic loss *Death on the Hellships* Gregory F

Michno,2016-07-15 Now available in paperback *Death on the Hellships* chronicles the true dimensions of the Allied POW experience at sea It is a disturbing story many believe the Bataan Death March even pales by comparison Survivors describe their ordeal in the Japanese hellships as the absolute worst experience of their captivity Crammed by the thousands into the holds of the ships moved from island to island and put to work they endured all the horrors of the prison camps magnified tenfold Gregory Michno draws on American British Australian and Dutch POW accounts as well as Japanese convoy histories declassified radio intelligence reports and a wealth of archival sources to present a detailed picture of the horror **The A to Z of World War II** Anne Sharp Wells,2009-09-28 World War II dominates world history today as it dominated world attention over 60 years ago In spite of the alliances that bound many of the same participants the war was essentially two separate but simultaneous conflicts one involved Japan as the major antagonist and took place mostly in Asia and Pacific and the other initiated by Germany and Italy was contested mainly in Europe North Africa the Mediterranean and the Atlantic *The A to Z of World War II The War Against Japan* traces the brutal conflict from Japan s seizure of Chinese territory in 1931 through the onset of war with the Western Allies in 1941 to the use of atomic weapons by the United States in 1945 It also addresses the aftermath of the war including the formation of the United Nations and the American occupation of Japan As the first of two volumes covering World War II this volume concentrates on the war in Asia and the Pacific so the user benefits from the comprehensive explanations of the people places and events that shaped much of that region s 20th century history *Australia's War Crimes Trials 1945-51* Georgina Fitzpatrick,Timothy L.H. McCormack,Narrelle Morris,2016-08-29 This unique volume provides a detailed analysis of Australia s 300 war crimes trials of principally Japanese accused conducted in the immediate aftermath of the Second World War Part I contains contextual essays explaining why Australia established military courts to conduct these trials and thematic essays considering various legal issues in and historical

perspectives on the trials Part II offers a comprehensive collection of eight location essays one each for the physical locations where the trials were held In Part III post trial issues are reviewed such as the operation of compounds for war criminals the repatriation of convicted Japanese war criminals to serve the remainder of their sentences and reflections of some of those convicted on their experience of the trials In the final essay a contemporary reflection on the fairness of the trials is provided not on the basis of a twenty first century critique of contemporary minimum standards of fair trial expected in the prosecution of war crimes but by reviewing approaches taken in the trials themselves as well as from reactions to the trials by those associated with them The essays are supported by a large collection of unique historical photographs maps and statistical materials There has been no systematic and comprehensive analysis of these trials so far which has meant that they are virtually precluded from consideration as judicial precedent This volume fills that gap and offers scholars and practitioners an important and groundbreaking resource

Rescue Raids of Luzon! Joseph C. Huber Jr.,2021-01-28
Between January 26th and February 23rd of 1945 on Luzon in the Philippines America made its greatest rescue of civilians and military prisoners from deep behind enemy lines Three quickly organized raids by different hastily formed groups saved 7 700 lives Raids were necessary because a decoded Japanese order stated that prisoners were to be killed before rescue an order executed in December 44 on Palawan Island in the Philippines This book summarizes these raids and describes the prison camp experience of the author and his family Photos drawings and old documents help tell the tale In the largest raid on the prison at Santo Tomas in Manila his family had ringside seats Theirs is a representative story of the prewar war with its wretched conditions and postwar and includes their experience under fire during the Battle of Manila The book is a remembrance of the bravery skills and organizing abilities displayed by American soldiers and Filipino American guerillas whose achievements are not likely to be surpassed And of his parents who pulled them through magnificently and were recognized with others by order of Gen MacArthur with campaign ribbons with a battle star

B-29 "Double Trouble" Is "Mister Bee" Colonel Charles A. Jones,2020-11-15 This book is the story of Elmer C Jones a young man who grew up during the Great Depression and who joined the military in 1943 becoming a member of the Army s Air Corps in 1944 He was the radar observer of a B 29 Superfortress bomber crew flying 28 combat missions over Japan in 1945 13 bombing missions and 15 photographic reconnaissance missions including the longest mission of the war 4 650 miles in 23 00 hours He accumulated 489 50 combat flying hours during the war

Army History ,1996

Japan - Restless Competitor Malcolm Trevor,2013-12-16 In this important new and controversial study about the nature and focus of the Japanese economic agenda the author argues forcefully that the official mind set of leading bureaucrats top politicians and big business makes it virtually impossible for the western industrialized world to do business on an equal footing Put simply it is a question of western free market economics facing Japanese economic nationalism which is by its very nature both an expansive and a protectionist ideology International observers continue to ask is Japan changing or more forcefully is Japan capable of change

Notions of reform and restructuring are today part of the Japanese lexicon but appear to hold little substance Trevor argues that any western notion of Japan changing fundamentally i.e. adopting western or Anglo Saxon philosophies is facile completely unrealistic This book is for everyone who wonders what motivates Japan's politico economic system and whether it is changing

The Tokyo Trial Jeanie Maxine Welch, 2001-11-30 Overshadowed for many years by the Nuremberg trials the Tokyo Trial one of the major events in the aftermath of World War II has elicited renewed interest since the 50th anniversary of the war's end Revelations of previously hidden war crimes including comfort women and biological warfare and the establishment of international courts to try Yugoslav and Rwandan war criminals have added to the interest This bibliography addressees the renewed interest in the Tokyo Trial providing over 700 citations to official publications scholarly monographs and journal articles contemporaneous accounts manuscript collections and Web sites Also included are sources on the Trial's influence on international law and military law and unresolved issues being debated to this day Defining war crimes after the fact practicing victor's justice to punish enemies holding military commanders accountable for their troops actions these were issues confronted in the Tokyo Trial and other Asia Pacific war crimes trials They are still being investigated researched and debated today This bibliography helps to illuminate these issues from different perspectives providing a variety of ways to locate relevant English language sources The volume also includes citations to contemporary issues stemming from the Asia Pacific war crimes trials comfort women biological warfare and unresolved issues of reparations and official apologies The book is a useful guide to sources on all aspects of the Tokyo Trial

Japan Malcolm Trevor, 2001 This controversial study examines Japan's economic nationalism which forms the basis of central government policy i.e. the system in which business and politics are inseparable and which impacts on Japan's relations with the world

Encyclopedia of Prisoners of War and Internment, 2006 This authoritative second edition provides a valuable overview of the history of prisoners of war and interned civilians from the earliest times to the present This edition offers new articles on Abu Ghraib Prison the Angolan Civil War the Iran Iraq War the Invasion of Tibet the War on Terror Guantanamo Detention Centre and U.S. Senator John McCain along with an extensive update of existing articles With 350 entries this edition is a full 30% larger than the previous edition Written by an international team of experts this fascinating and thought provoking volume covers a wide range of topics and themes including famous POWs concentration camps the two world wars the Crusades and Indian warfare along with medical conditions international law and exchanges of prisoners New features in this edition include Primary Source Documents from the Geneva Convention to the Presidential Signing Statement of the Torture Bill Full Color Maps and a Historical Timeline placing the articles in chronological sequence Plus a detailed Bibliography and list of End of Entry Reading Suggestions are provided for easy reference This one of a kind resource will be a helpful addition to the reference collections of all public libraries high schools and university libraries and will prove invaluable to historians and military enthusiasts

Parameters, 1996

War Crimes Henny H. Kim, 2000

Essays discuss the nature and history of war crimes offer personal experiences and present conflicting views on how they should be prevented and punished The Emperor's Angry Guest Ralph M. Knox, 1999 Forfatteren f 1922 fort ller om sine oplevelser som soldat i Filippinerne og som krigsfange i Japan under 2 verdenskrig *The to Z of World War II* Anne Sharp Wells, 2009-09-28 Because of the enormity of World War II and the numerous geographic areas and belligerents involved this study has been divided into two volumes The first examines the war between Japan and the Allied powers It covers the conflict in Asia beginning with the Japanese seizure of Manchuria in September 1931 to Japanese s surrender in September 1945 and the immediate post war years in Asia and the Pacific The second volume addresses the war against Germany and Italy

As recognized, adventure as skillfully as experience roughly lesson, amusement, as well as concurrence can be gotten by just checking out a book **Shobun A Forgotten War Crime In The Pacific** plus it is not directly done, you could admit even more in this area this life, a propos the world.

We have enough money you this proper as capably as easy way to get those all.
