Gale MIDDLETON,1833 *Jack's Insects* Edmund Selous,1920 **Gale Middleton** Horace Smith,1834 **School Stories**

P. G. Wodehouse,2023-04-13 School Stories is a collection of humorous short stories by P G Wodehouse that feature the trials tribulations and adventures of the denizens of the turn of the century English boarding school First published in schoolboy magazines starting in 1901 the stories originally appeared in publications like The Captain and Public School Magazine Some were also later collected into books These stories written more than a decade before he moved on to his more famous characters like Jeeves and Wooster represent Wodehouse s first magazine sales and showcase his early career While some of these stories are definitely of a moment they re filled with delightful bits that would be instantly recognizable to students and teachers of any age Indeed the stories experienced a bit of a resurgence in the latter part of the 20th century and remain a worthy part of Wodehouse s canon **A Country Sweetheart** Dora Russell,2022-11-21 In A Country Sweetheart Dora

Russell weaves a captivating love story enriched with a tapestry of ideological underpinnings that reflect her staunch feminist and socialist convictions The book is set against a quintessentially British backdrop manifesting a nuanced literary style that harbors a dialectic between romantic narrative and sociopolitical commentary Russell s prose firmly rooted in the early 20th century feminist literary context uses the personal as a vehicle to explore wider societal issues a technique that mirrors the contemporary works of Fabian socialists and suffragette writers of her time Dora Russell a prominent figure in both feminist and socialist movements channels her experiences as a campaigner and as the second wife of the esteemed philosopher Bertrand Russell into her literature This particular work reflects the intellectual ferment of her era drawing from her personal struggles and her vigorous advocacy for women s rights and social reform A Country Sweetheart is more than a mere romantic tale it is a declaration subtly laced with Russell s life philosophy and her desire to confront and challenge entrenched social norms For readers seeking a narrative that transcends the mere contours of a love story A Country Sweetheart offers a compelling fusion of personal romance and principled belief It is a recommended read for those who appreciate literature that not only entertains but also provokes thought and champions change Dora Russell s creation is a testament to the potent intersection of art and activism promising to engage the heart as it stimulates the intellect

*Robert Burns* Thomas Finlayson Henderson,1904 **Law's Strangest Cases** Peter Seddon,2016-02-12 A rollicking collection of barely believable stories from five centuries of legal history you ll be gripped by these tales of murder intrigue

crime punishment and the pursuit of justice Meet the only dead parrot ever to give evidence in a court of law the doctor with the worst bedside manner of all time the murderess who collected money from her mummified victim for 21 years and explore one of the most indigestible dilemmas if you d been shipwrecked 2 000 miles from home would you have eaten Parker the cabin boy The tales within these pages are bizarre fascinating hilarious and most importantly true Revised redesigned and updated for a new generation of legal eagles this book is the perfect gift for lawyers armchair detectives and true crime aficionados everywhere **Geraldine; Or, Modes of Faith and Practice** Mary Jane Mackenzie,1820

**Geraldine; or, Modes of faith and practice. A tale ... By a lady [i.e. Mary Jane Mackenzie] ... Second edition** ,1821 **Film Editing: History, Theory and Practice** Don Fairservice,2001 This comprehensive examination of the film editor s craft traces the development of editing from the primitive forms of early cinema through the upheavals caused by the advent of sound Don Fairservice explores the challenges to convention that began in the 1960s and which continue to the present day New digital technologies and the dominance of the moving image have produced a radical rewriting of the rules of audio visual address This detailed study outlines a fascinating history and presents the how s and why s of film editing and its complexities in our modern age **Marriage Markets** June Carbone,Naomi Cahn,2014-04-01 There was a time when the phrase American family conjured up a single specific image a breadwinner dad a homemaker mom and their 2 5 kids living comfortable lives in a middle class suburb Today that image has been shattered due in part to skyrocketing divorce rates single parenthood and increased out of wedlock births But whether it is conservatives bewailing the wages of moral decline and women s liberation or progressives celebrating the result of women s greater freedom and changing sexual mores most Americans fail to identify the root factor driving the changes economic inequality that is remaking the American family along class lines In Marriage Markets June Carbone and Naomi Cahn examine how macroeconomic forces are transforming our most intimate and important spheres and how working class and lower income families have paid the highest price Just like health education and seemingly every other advantage in life a stable two parent home has become a luxury that only the well off can afford The best educated and most prosperous have the most stable families while working class families have seen the greatest increase in relationship instability Why is this so The book provides the answer greater economic inequality has profoundly changed marriage markets the way men and women match up when they search for a life partner It has produced a larger group of high income men than women written off the men at the bottom because of chronic unemployment incarceration and substance abuse and left a larger group of women with a smaller group of comparable men in the middle The failure to see marriage as a market affected by supply and demand has obscured any meaningful analysis of the way that societal changes influence culture Only policies that redress the balance between men and women through greater access to education stable employment and opportunities for social mobility can produce a culture that encourages commitment and investment in family life A rigorous and enlightening account of why American families have changed so

much in recent decades Marriage Markets cuts through the ideological and moralistic rhetoric that drives our current debate It offers critically needed solutions for a problem that will haunt America for generations to come The fatal finger mark.
