*Myths We Live by* Colin Grant,1998 Colin Grant challenges the popular use of myth as a dismissive designation of the superstitions and falsehoods of other cultures The author maintains that myths occupy a place in our present day lives that is every bit as important to us as the divinities and heroes of classical antiquity were to the ancients The myths themselves are in a constant state of flux and transformation They ebb and flow both within the context of wider culture and individual experience Published in English      Furman Bisher Furman Bisher,2005 As a veteran sportswriter Furman Bisher has been Face to Face with the most influential sports figures the country has to offer He pulls no punches and leaves no question un asked in this collection of his all time best interviews From baseball to boxing and from Jack Nicklaus to Red Grange Furman Bisher shares his biggest scoops and most heart warming stories Shoeless Joe Jackson in 1949 agreed to allow Bisher to help him present his side of the Black Sox Scandal something that had never been done before Bisher shadowed the Petty racing family at their compound in Level Cross North Carolina and discovered the secret

behind their success family He broke a story about brutality in college football which led to a nation wide scandal involving a shady conversation between Bryant and Georgia athletic director Wallace Butts about Georgia s game plan read Bisher s explanation of this case of mistaken identity In Face to Face Bisher provides insight into the private lives of sporting men from all generations sports shapes sizes and dispositions golfer Arnold Palmer Marlins manager Jack McKeon boxer Muhammad Ali UCLA coach John Wooden media mogul Ted Turner and more open their hearts and their homes to legendary journalist Furman Bisher and to you

**Out of the Park** John Passfield,2011-10-05 When we go to a baseball stadium and cheer a person like Babe Ruth for hitting the ball harder higher further and more often than the other players we are cheering him as our representative We cheer people of exceptional accomplishment whose achievements are so highly visible and so obviously measurable because we too are faced with the complexity of the lives that we live and are challenged to perform feats of heroic proportions just to be able to say that we have lived our lives well when we come to the end In the novel Babe Ruth says There aint nothin like a game of baseball There aint nothin like a beautiful summer day with the clouds light and fluffy and the sun on the back of your shoulders and a nice liftin breeze comin down onto the field from out of the stands The man who feels this way about the game he loves is a man who faces enormous challenges digs deep down inside himself and finds whatever is needed in order to triumph in the game of life This makes him a fitting representative for us all we all hit spectacular home runs in out own quiet ways

**Never These Men** Thomas Porky McDonald,2006-05-03 Certain individuals find a singular moment in life used to portray them and or define them if not basically brand them In the world of sports particularly baseball this practice is raised to a level that is questionable at best laughable in most instances and blatantly unfair as a rule The sports media along with a growing portion of the general public that refuses to form their own opinions goes to extremes to constantly relive an individuals weak moments Curiously they often then close their ridiculing diatribes by mentioning that labeling a particular person is really unfair In Never These Men Thomas Porky McDonald whose previous works stressed the notion that a game like baseball is there for the joy it gives to those who truly love it and understand it takes a peek at a small collection of the most famous or is it infamous of these media fueled characters The idea that someone who cannot possibly do something play professional sports might then play judge and jury on those that can athletes seems absurd to McDonald who clearly feels that the ever growing rash of media outlets in concert with an unthinking generation of spectators has only bloated the array of unfounded criticisms and hypocritical rhetoric within our midst From Fred Merkle an early media creation through to Bill Buckner a truly fine and underrated ballplayer Never These Men fundamentally asks the reader to imagine how it feels to be branded for a singular moment in ones life McDonald foremost a poet liberally spreads a few relevant original verses throughout this volume which is fundamentally a call for fair play The idea of balanced and proper reporting is considered as well as in the cases of Ralph Branca Mitch Williams and Ralph Terry Though all three were solid Major Leaguers who gave up famous home runs only the former two are constantly

cited a point of contention here In the area of authority figures why Charles Comiskey and Judge Landis are barely scrutinized for their truly abhorrent behavior while a lifetime baseball man like Gene Mauch is merely brushed aside by far too many is a question that clearly haunts this writer Never These Men asserts that working in a world with little or no accountability while demanding total accountability from those whose skill and expertise literally creates your professional existence is an absurdity that needs to be addressed
