Shoemaker Samuel M. Wright, Samuel Wright Jr., 2005-07 *Twelve Steps for You* Dick B., 2005 The much awaited work of A.A. Historian Dick B. on the origins of each of the Twelve Steps. First and foremost a history of each step. How each of A.A.'s co-founders contributed to each of the Steps. It looks at the original Akron A.A. program which had no Steps and took its basic ideas from the Bible and its principles and practices primarily from the United Christian Endeavor Movement of Dr. Bob's youth. Then source by source it looks at each Step as it was impacted upon by a particular contributor. The Bible, Oxford Group, Rev. Sam Shoemaker, Dr. Bob's wife Anne Smith, the so-called Six Steps, then the other sources. This book is an historical study of the roots of each Step and it can be used for individual and group study of the Steps in a very meaningful way. It is also a guide. A guide to understanding and a guide to taking each Step. It also shows you how to take the Steps exactly as directed in A.A.'s Big Book. It suggests how you might look at each Step in terms of the contributions to that Step's language and meaning by each of its sources. Finally, it provides Christians and other students with a means of considering learning and taking each of the Steps in light of that Step's biblical and historical roots with the Big Book, Bible, and history at hand. When you are through, you will have a perspective of the real spiritual utility of the Twelve Steps in a believer's world despite the secularization and universalism that are diluting all Twelve Step programs and the language used in connection with the Steps. For example, God as we understood Him historically and biblically means Almighty God, the Creator, as He is understood by the newcomer at the time of taking Steps 3 and 11. So too, powerless in Step 1 is presented in its historical context. I was licked rather than in some puzzling linguistic context seldom understood or unraveled. You'll know and guide the taking of the Twelve Steps as they were intended to be understood and as you never did before. **The Golden Text of A.A.** Dick B., 1999

Dick B. is regarded as the leading historian of A.A. today. He is a retired attorney, Bible student, and recovered AA who has sponsored over 100 men in recovery. He has published 33 titles on the history of early A.A.'s spiritual roots and successes. He frequently speaks before recovery audiences throughout the United States. *Shoemaker's Best Selections for Readings and Recitations*, 1911 **The Shoemaker's Holiday** Thomas Dekker, 1999-09-11 Thomas Dekker's *The Shoemaker's Holiday* is one of the most popular of Elizabethan plays, entertaining, racy, and vivid in its characterization. Revealing a vital portrait of Elizabethan London and the interaction of social classes within the city, its social commentary is on the whole optimistic, though darker tones are discernible. The play has had a lively history of performance on both the professional and amateur

stage *The Oxford Group and Alcohols Anonymous* Dick B.,2011-09-18 Scholarly comprehensive unique A A was an integral part of the Oxford Group in the early 1930 s and this book contains the only study of the Oxford Group s contributions to early A A s Big Book Twelve Steps and Fellowship You will find here the Oxford Group s biblical roots the origin of its ideas details on its beliefs and practices its influence on early AAs and their high success rate and where its concepts can be found in today s A A phrases such as the Four Absolutes the Five C s guidance surrender checking spiritual experience spiritual awakening conscious contact with God restitution amends confession of faults conversion continuance soul surgery inventory prayer meditation Quiet Time Morning Watch fellowship witness and others seemingly unknown in A A and recovery circles today come to light as the very founding principles and practices which Bill W said he had learned from his mentor Rev Sam Shoemaker an American leader of the Oxford Group close friend and rector of Calvary Episcopal Church in New York These were the principles and practices Bill codified into his title Alcohols Anonymous affectionately known within A A As the Big Book published on April 10 1939 They were a departure from those of the original Akron A A Christian fellowship of 1935 and yet clearly were also grounded in the Bible and hence continued the beginning stress on the relationship of the Bible to A A *The Life and Times of William Carey, Shoemaker & Missionary* George Smith,2020-12-17 William Carey 1761 1834 is known as the father of modern missions He was a British Christian missionary Particular Baptist minister translator social reformer and cultural anthropologist who founded the first degree awarding university in India After he was forced to leave the British Indian territory by non Baptist Christian missionaries he joined the Baptist missionaries in the Danish colony in Serampore One of his first contributions was to start schools for impoverished children where they were taught reading writing accounting and Christianity He opened the first theological university in Serampore offering divinity degrees and campaigned to end the practice of sati Metzerott, Shoemaker Katharine Pearson Woods,1889 *Remarkable stories, shewing the power of God's saving grace* Remarkable stories,1873 **Remarkable Stories Showing the Power of God's Saving Grace.
