(Si Gira) Luigi Pirandello, 1934 *Shoot! The Notebooks of Serafino Gubbio, Cinematograph Operator, by Luigi Pirandello. Authorized Translation from the Italian by C. K. Scott Moncrieff* Luigi Pirandello, 1926 **Shoot!** Luigi Pirandello, 1927

Shoot! Si Gira, 1927 **The Notebooks of Serafino Gubbio** Luigi Pirandello, 2021-01-08 Serafino is a typical Pirandellian anti hero a spectator rather than a participant in the tragic comedy of human existence Indeed he has the perfect job for it that of a film cameraman Serafino is an observer an impersonal tool of a new industry based on make believe All he has to do is turn the handle of his camera and watch He has no part in what is going on and is so removed from life that the mauling of an actor by a tiger cannot deflect him from filming the action The Notebooks of Serafino Gubbio is set in Rome circa 1915 partly on a film set partly in the city *Shoot! Si Gira ... The Notebooks of Serafino Gubbio, Cinematograph Operator ... Translated with a Bibliography of the Works of Pirandello by C.K. Scott Moncrieff* Luigi Pirandello, Charles Kenneth Scott MONCRIEFF, 1927 **Shoot! (Si Gira);**, 1975 **The Notebooks of Serafino Gubbio, Or, (shoot!)** Luigi Pirandello, 1990 Classical Myth & Culture in the Cinema Martin M. Winkler, 2001 This title comprises a collection of essays presenting a variety of approaches to films set in Ancient Greece and Rome and to films that reflect archetypal features of classical literature The book illustrates the continuing presence of antiquity in the most varied and influential medium of modern popular culture The diversity of content and theoretical stances found in this work should make this volume required reading for scholars and students interested in the presence of Greece and Rome in modern popular culture

Living Masks Umberto Mariani, 2008-11-25 The Nobel Prize winning dramatist Luigi Pirandello 1867 1936 is undoubtedly one of the most innovative playwrights of the twentieth century and also one of the most complex While his influence spread throughout modernist and postmodernist works many first time audiences and readers are confronted with the difficulty associated with such a radical aesthetic experience In Living Masks Umberto Mariani presents a clear and comprehensive introduction of Pirandello s major plays for general readers students and scholars new to Pirandello Functioning as a guide to understanding the fundamental themes of Pirandello s plays the author also examines the critical aesthetic and technical problems associated with these plays He provides extensive reflection on some of the failings of early and contemporary criticism on Pirandello s works and offers many corrections of interpretative direction that will be significant and helpful to directors and performers In particular Mariani presents a deeper understanding and greater appreciation of Pirandello s works as a challenge to the tendency to adapt and modify them which drastically deprive the works of their original power and beauty A concise and accessible introduction to a twentieth century literary master Living Masks will be of interest to

dramatists literary scholars and students and scholars of Italian studies *Classical Antiquity and the Cinematic Imagination* Martin M. Winkler, 2024-02-22 The first systematic study of classical literature and arts to explain their close affinities with modern visual technologies and media *Diva* Angela Dalle Vacche, 2008-03-15 Animated by a luminous goddess at its center the diva film provided a forum for denouncing social evils and exploring new models of behavior among the sexes Dalle Vacche offers the first authoritative study of this important film genre of the cinema that preceded the First World War Contrasting the Italian diva with the Hollywood vamp Theda Bara and the famous Danish star Asta Nielsen Dalle Vacche shows how the diva oscillates between articulating Henri Bergson's vibrant life force and representing the suffering figure of the Catholic *mater dolorosa* Cover **Melodrama and Modernity** Ben Singer, 2001-04-05 In this groundbreaking investigation into the nature and meanings of melodrama in American culture between 1880 and 1920 Ben Singer offers a challenging new reevaluation of early American cinema and the era that spawned it Singer looks back to the sensational or blood and thunder melodramas e.g. *The Perils of Pauline* *The Hazards of Helen* etc. and uncovers a fundamentally modern cultural expression one reflecting spectacular transformations in the sensory environment of the metropolis in the experience of capitalism in the popular imagination of gender and in the exploitation of the thrill in popular amusement Written with verve and panache and illustrated with 100 striking photos and drawings Singer's study provides an invaluable historical and conceptual map both of melodrama as a genre on stage and screen and of modernity as a pivotal idea in social theory *A History of Italian Cinema* Peter Bondanella, Federico Pacchioni, 2017-10-19 A History of Italian Cinema 2nd edition is the much anticipated update from the author of the bestselling *Italian Cinema* which has been published in four landmark editions and will celebrate its 35th anniversary in 2018 Building upon decades of research Peter Bondanella and Federico Pacchioni reorganize the current History in order to keep the book fresh and responsive not only to the actual films being created in Italy in the twenty-first century but also to the rapidly changing priorities of Italian film studies and film scholars The new edition brings the definitive history of the subject from the birth of cinema to the present day up to date with a revised filmography as well as more focused attention on the melodrama the crime film and the historical drama The book is expanded to include a new generation of directors as well as to highlight themes such as gender issues immigration and media politics Accessible comprehensive and heavily illustrated throughout this is an essential purchase for any fan of Italian film Narrative Unreliability in the Twentieth-Century First-Person Novel Elke D'hoker, Gunther Martens, 2008-12-10 This volume deals with the occurrence and development of unreliable first person narration in twentieth-century Western literature The different articles in this collection approach this topic both from the angle of literary theory and through a detailed reading of literary texts By addressing questions concerning the functions characteristics and types of unreliability this collection contributes to the current theoretical debate about unreliable narration At the same time the collection highlights the different uses to which unreliability has been put in different contexts poetical traditions and literary

movements It does so by tracing the unreliable first person narrator in a variety of texts from Dutch German American British French Italian Polish Danish and Argentinean literature In this way this volume significantly extends the traditional canon of narrative unreliability This collection combines essays from some of the foremost theoreticians of unreliability James Phelan Ansgar N nning with essays from experts in different national traditions The result is a collection that approaches the case of narrative unreliability from a new and more varied perspective Facing Modernity Jon Hughes,2006 This is the first monograph on the work of Joseph Roth 1894 1939 to be published in English by a British based academic and should prove useful both to those with a specialized interest in Roth whose novels and journalism continue to gain admirers around the world and to those interested more broadly in an extraordinarily rich period in twentieth century European culture It serves both as an introduction to the early part of a body of work whose variety and volume were for many years overshadowed by the reputation of the historical novel *Radetzkymarsch* 1932 and as a re assessment of Roth s writing both of fiction and of journalism within the modern tradition A perceived fragmentation of social political cultural and other traditions was a particular concern for Roth as for many contemporaries and the thematic chapters present a detailed contextual survey of Roth s intense and often ambivalent engagement with aspects of modern life including travel gender technology the city and cinema Besides assessing the continuities and discontinuities in Roth s attitudes these chapters examine how his responses to the contemporary world impact upon both the form and content of his writing The author argues that Roth s writing of the 1920s should be considered modernist not just in its often prescient sensitivity to cultural and political developments but in its employment of a formal aesthetics and narrative self consciousness which eventually made possible the illusory wholeness of the later fiction *Pirandello's Theatre of Living Masks* Luigi Pirandello,Umberto Mariani,Alice Gladstone Mariani,2011-01-01 In *Pirandello s Theatre of Living Masks* Umberto Mariani and Alice Gladstone Mariani offer the first new edition in nearly sixty years of six of his major works
