Shooting Blanks at the Anzac Legend Dr Donna Coates, 2023-11-01 War is traditionally considered a male experience By extension the genre of war literature is a male dominated field and the tale of the battlefield remains the privileged and only canonised war story In Australia although women have written extensively about their wartime experiences their voices have been distinctively silenced Shooting Blanks at the Anzac Legend calls for a re definition of war literature to include the numerous voices of women writers and further recommends a re reading of Australian national literatures with women s war writing foregrounded to break the hold of a male dominated literary tradition and pass on a vital but unexplored women s tradition Shooting Blanks at the Anzac Legend examines the rich body of World Wars I and II and Vietnam War literature by Australian women providing the critical attention and treatment that they deserve Donna Coates records the reaction of Australian women writers to these conflicts illuminating the complex role of gender in the interpretation of war and in the cultural history of twentieth century Australia By visiting an astonishing number of unfamiliar non canonical texts Shooting Blanks at the Anzac Legend profoundly alters our understanding of how Australian women writers have interpreted war especially in a nation where the experience of colonising a frontier has spawned enduring myths of identity and statehood

The Uncrowned Kings of England Derek Wilson, 2013-07-25 In the political ferment of the Tudor century, one family above all others was always at the troubled centre of court and council. During those years, the Dudleys were never far from controversy. Three of them were executed for treason. They were universally condemned as scheming, ruthless, over-ambitious charmers, and one was defamed as a wife-murderer. Yet Edmund Dudley was instrumental in establishing the financial basis of the Tudor dynasty, and John Dudley, Duke of Northumberland, led victorious armies, laid the foundations of the Royal Navy, ruled as uncrowned king, and almost succeeded in placing Lady Jane Grey on the throne. The most famous of them all, Robert Dudley, Earl of Leicester, came the closest to marrying Elizabeth I; he was her foremost favourite for 30 years and governed the Netherlands in her name, while his successor, Sir Robert Dudley, was one of the Queen's most audacious seadogs in the closing years of her reign but fell foul of James I. Thus the fortunes of this astonishing family rose and fell with those of the royal line; they served faithfully through a tumultuous century. See www.derekwilson.com. *A Convenient Marriage* Meg Osborne, 1900 All Six Books in *A Convenient Marriage* A *Pride and Prejudice* Variation Series Longbourn's Lark Mary Bennet is used to being the overlooked Bennet sister, but when Colonel Fitzwilliam accidentally enters her life, everything changes. As cousin to Mr Darcy, Colonel Fitzwilliam knows what it's like to feel invisible. His experiences at war have left him with one goal in mind: to marry, set up home, and live in peace. When he witnesses the interaction between his cousin and Mary's sister, Elizabeth, he is determined his own happiness will not be the only end in mind. Three Weeks in Kent If her sister can marry well and she can avoid Mr Collins, that is all the happiness Elizabeth Bennet can ask for. The first seems certain with Mary and Colonel Fitzwilliam's wedding on the horizon. Alas, her own future is not yet close to settled, and she must endure three weeks in the company of Lady Catherine de Bourgh, who takes an immediate dislike to the elder of the two Bennet sisters. Fitzwilliam Darcy is happy to accompany his cousin's party to Rosings, although he tires of his aunt's scheming within hours. He determines on a solution that might offer both he and Elizabeth an escape from the machinations of their families, but can

he convince her of its wisdom Suitably Wed Mr Darcy and Elizabeth Bennet have decided to marry for the most pragmatic of reasons so that they might each avoid being forced into less amiable matches Darcy has succeeded in utterly alienating Lady Catherine de Bourgh His cousins rally to his defence but the marriage is beset by challenge and once it becomes apparent that at least one party feels rather more strongly than they admitted the practicality of the match is called into question Lizzy s happy future with Mr Darcy is blighted only by the realisation that her sister Jane is miserable Mr Bingley has suddenly departed Hertfordshire for London and the match that seemed the most natural is all but abandoned A Visit to Scotland News that his cousin Anne de Bourgh has eloped to Scotland puts Mr Darcy in hot pursuit leaving behind his wife in London and determined at last to confront George Wickham for his selfish actions Elizabeth blames herself for what has happened and feels sure her husband blames her too With Colonel Fitzwilliam too ill to escort her she is desperately considering following her husband northwards alone until she crosses paths with Mr and Miss Bingley who will not be prevented from accompanying her The Consequence of Haste Fitzwilliam Darcy is willing to accommodate the couple at Pemberley for Anne s sake if not for her husband s for he puts little faith in Wickham s promised intentions to change With Georgiana temporarily displaced by the new arrivals Elizabeth embarks on the running of Pemberley whilst keeping her new family together How will the new Mr and Mrs Darcy fare in trying to do what is best for their family and friends as well as preserving their own happiness A Surprise Engagement Jane Bennet has been swept up in a courtship nobody expected with a new arrival to Hertfordshire Elizabeth Darcy can do nothing but witness this surprising turn of events from a distance and quiz her other sisters for information Fitzwilliam Darcy is determined to support Charles Bingley through his perceived disappointment but when his friend s spirits lift in a growing friendship with Georgiana will Darcy encourage the connection or seek to prevent it
