Bibliografía española, 2005 The Mysteries of Montreal Peter Ward, 2011-11-01 During a long practice of over thirty years I have seen many things enacted here in this city of Montreal which if told with the skill of a Dumas or a Collins might not only astonish but startle the sedate residents of this Church going community With these words Charlotte Fuhrer introduces her memoirs Fuhrer a midwife in Montreal during the second half of the 19th century wrote her recollections in the form of highly scandalous moral tales The stories offer vignettes of the course of love faithful and illicit in late 19th century urban Canada Fuhrer's stories are headed with such titillating titles as A Just Retribution the story of a prominent businessman's mistress who after giving birth to her lover's child went from bad to worse and finally took to smoking opium as a means to relieve her gnawing conscience ending her days prematurely Fuhrer was at the service of the high and mighty and desperate and from her vantage point in the delivery room she offers remarkable insight into the most intimate life of Montreal Originally published in 1881 The Mysteries of Montreal is fully reprinted with an introduction by Peter Ward Ward illuminates the life of Fuhrer and of midwives in Victorian Canada He traces the role of the midwife through the ages and placing Mrs Fuhrer in the context of her times discusses birth practices in a Canadian setting As well he examines the memoirs as a form of Canadian literature assessing their reflections on 19th century society As a result the book operates on more than one level It is not only a midwife's recollections but also an assemblage of gossip moral tales stories of courtship and birth practices and even mild pornography Students of Canadian social history will be interested in the memoirs for their information on 19th century morals and values The book will also appeal to students of medical history women's studies and Canadian literary criticism Metacinema David LaRocca, 2021-07-27 When a work of art shows an interest in its own status as a work of art either by reference to itself or to other works we have become accustomed to calling this move meta While scholars and critics have for decades acknowledged reflexivity in films it is only in Metacinema for the first time that a group of leading and emerging film theorists join to enthusiastically debate the meanings and implications of the meta for cinema In
