Living the Savvy Life Melissa Tosetti, Kevin Gibbons, 2011 Money affects every aspect of our lives It affects how we dress where we live what we eat and how we spend our free time It affects our emotions and enhances or detracts from

our enjoyment of life Effective money management is about so much more than just 401 k contributions and saving money at the grocery store No matter how much or how little money you earn the key to financial success is to spend less than you make However the majority of Americans spend unconsciously wasting money on purchases that give them little satisfaction for their investment Living the Savvy Life teaches how to create habits and routines that allow you to build and manage your finances effortlessly By learning how to focus spending on what is truly important to you and economizing on those things that are not as important you can successfully manage your personal finances and enjoy life regardless of your level of income
