House Histories for Beginners Colin Style, O-lan Style, 2022-09-15 Popular television programmes highlight the satisfaction that can be gained from investigating the history of houses and there is always plenty of interest in the subject with archives becoming ever more accessible with access to the internet As the subject covers a broad field the authors have set out to include advice on those aspects that usually apply to a project and others that will be of particular use for beginners The reader is guided through every stage of research from the first exploration of the archives to the completion of the task Suggestions are also included on how to present the findings a house history makes a very attractive gift The authors describe how to deduce the age of a property it is very seldom directly recorded when a house was built and characteristics of research on particular types of property such as cottages manor houses inns mills former church properties and farms are discussed In one example research demonstrated that a farm was likely to have been a Domesday manor a fascinating discovery achieved using records accessible to any beginner

Second Stages in Researching Welsh Ancestry John Rowlands, Sheila Rowlands, 1999 Anyone who has had any success in researching their Welsh ancestry will know that a grasp of specialized Welsh genealogical methods and sources is only one of several factors that contributed to that success They will know for example how important it is in Welsh research to have some understanding of the social cultural religious and economic background of the communities in which those ancestors lived This book attempts to broaden that understanding especially for the period prior to 1800 when most researchers begin to experience difficulties In addition it aims to make readers more aware of some little known sources and the special uses that may be applied to the information found in these sources
