A Short History of Chinese Civilization Chi Tsui,1943 Donated by Sydney Harris China to 1850 Charles O. Hucker,1978 By the author of the highly acclaimed *China's Imperial Past* and written in the same lively style this is a distillation of what every general reader and beginning student should know about the history of traditional Chinese civilization It weaves together chronologically all aspects of Chinese life and culture broadly surveying general history socioeconomic organization political institutions religion and thought and art and literature The author explains how the Chinese empire emerged in antiquity how it flourished and declined in successive cycles for thousands of years and how in the end it found itself unprepared for both the domestic and the external challenges of the modern era The result is a concise overview that is both absorbing in itself and basic to a more detailed study of China's long and complex evolution I A Short History of Chinese Civilization ,1943 *A Brief History of Chinese Civilization* Conrad Schirokauer,1991 This concise book emphasizes Chinese cultural history while also covering political and economic history It is introductory in both style and content and the organization is kept as simple as possible Brief coverage of each major Chinese dynasty or other discrete period is treated in a separate chapter Coverage includes recent developments in China up to and including the massacre at Tiananmen Square Timelines charts or key dates appear at the beginning of chapters Chinese names are printed in Pinyin with Wade Giles in parentheses **A Short History of Chinese Civilisation** ,1942 *A Short History of Chinese Civilization* Ji Zui,1942 A History of Chinese Civilization Jacques Gernet,1996-05-31 When published in 1982 this translation of Professor Jacques Gernet's masterly survey of the history and culture of China was immediately welcomed by critics and readers This revised and updated edition makes it more useful for students and for the general reader concerned with the broad sweep of China's past *A Short History of China* Edward Thomas Williams,1928 **A Short History of Chinese Civilization** 卞,1945 **A Short History of Chinese Civilization** Richard Wilhelm,1929
